

CAREER & WORKFORCE EDUCATION NEWSLETTER

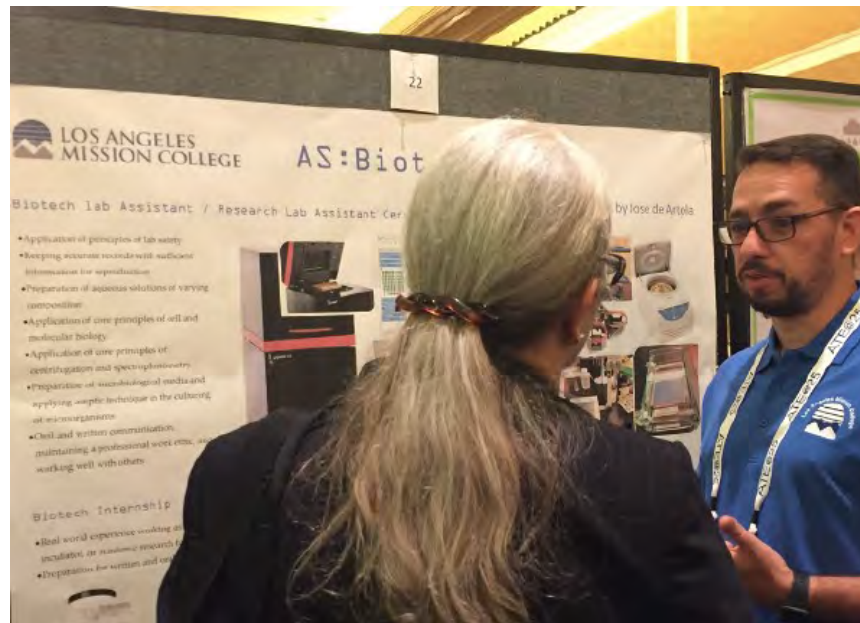

Los Angeles Mission College

February 2019

Jose De Artola, L.A. Mission Biotech Student

Jose De Artola proudly represented LA Mission College's Biotech program at the NSF ATE 2018 conference in Washington, DC. Jose will be completing his A.S in Biotechnology this upcoming Spring.

Jose has continuously proven his intelligence, motivation, and persistence in achieving academic success. We are very proud of him and look forward to his bright future ahead.

- Biotech student
- CE Dollars at work
- Jobspeaker

Your CE Dollars at Work

Career Education has been very busy this past year. We have developed new and enhanced many programs. In addition to faculty assignments, much of your CE funds have supported and are supporting the following areas:

Instruction: \$90,000

**Tutors and Student Workers
\$202,000 Fall 2018 & Spring
2019**

Equipment: \$162,562

**Instructional Supplies:
\$25,800**

**Non-Instructional Supplies:
\$10,117**

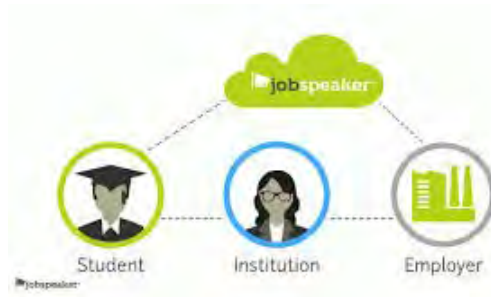

**Textbooks (for student
load): \$26,370**

LAMC now providing job placement ser- vices

Bridgette Nalty has joined LAMC for the 2019 school year as a Job Placement Specialist for the Career Technical Education programs on campus. Her mission is to lead and connect students to employment, career advancement, and new opportunities that best align with their education, skills, passions, and dreams. Below are some exciting things she has planned for this year:

- On-Campus Career and Employment Events
- Career and Soft Skill Workshops
- Employer Recruitment

Feel free to stop by her office. She is located in the basement of the Student Success Center (Campus Center).
