Message from the President

I am pleased that you are continuing your education and have decided to attend Los Angeles Mission College (LAMC). We are proud to offer you a high quality education and to provide the support you need to succeed. We know there may be many challenges to face, but we are here to help you overcome these challenges and assist you in meeting your educational goals.

With California voters approving Proposition 30, severe reductions of classes will not occur. We are delighted that Mission College will be able to serve more students and help them attain their educational goals.

Mission College is dedicated to its philosophy of providing high-quality services and programs in a supportive environment, which is the foundation of the college's mission—the success of our students. Faculty and staff are proud of the rigorous programs, and committed to helping students achieve their dreams. Here, you will be encouraged to exceed your potential to meet the challenges of tomorrow.

LAMC offers a variety of programs of study to obtain an associate degree, transfer to a four-year institution, or learn new skills to advance in the workplace. We have flexible scheduling and courses to fit your needs such as online, weekend, evening, short-term, and television courses.

There's a world of opportunities for building a brighter future for yourself through education. Whatever your reasons are for attending Mission College, you will be provided with a quality education and the tools necessary to help you succeed.

I welcome you to Los Angeles Mission College, and know you will find your experience at LAMC to be rewarding.

Very truly yours,

Monte E. Perez, PhD

President, Los Angeles Mission College

IMPORTANT NOTICE

All Students Please Read

NEW 3 REPEAT RULE

EFFECTIVE SUMMER 2012, course withdrawal (“W”) or a substandard grade (“D,” “F,” or “NP”) count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

- Students who drop or are excluded after the last day to drop without a grade of “W” will have a “W” appear on their transcript. The “W” will count as an attempt for that course.
- For the Fall semester, November 17, 2013 is the last day to drop a 16-week semester length class without a “W.” Students will be able to drop a class online until this date. Contact the office of Admissions and Records for deadlines on late start, short-term and special program classes.
- A course in a student’s transcript which currently shows a recorded “W” counts as an attempt for that course.
- Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- For courses specifically designated as “repeatable,” students may repeat up to three times (See Title 5 California Code of Regulations sections 55040, 55041, 58161).
- Where the student’s number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

What students should do:

- Be sure you are academically ready for classes you enroll in.
- If you must drop a course, drop before the specified deadline for dropping a class without a grade of “W.”

Honors Priority Admission Transfer Programs @ LAMC

LAMC has numerous agreements with university and college campuses that give students who participate in these programs various transfer application advantages, the most important being priority admission. If you are interested in transferring to UCLA, we have a

specific honors transfer program called UCLA Transfer Alliance/Honors Program (TAP). In addition, as a member of the Honors Transfer Council of California, LAMC participates in an alliance with many additional campuses. Information on both programs follows.

UCLA Transfer Alliance/Honors Program

The Los Angeles Mission College Transfer Alliance/Honors Program is designed for motivated students who plan on transferring to a four year college or university. The program consists of academically enriched general education courses in which both written expression and the critical analysis of ideas are stressed. The TAP program offers participating students priority admissions to UCLA and additional opportunities at other universities. Admittance rates for UCLA (tabulated for Fall 2011) for TAP/Honors students was 74.3% versus 27.5% for non-TAP/Honors students! Both current and new students may apply to be part of the TAP program.

Requirements: Students will complete five honors courses (minimum 15 UC transferable units) and maintain at least a 3.25 grade average, and honors designation will appear on the students' transcripts. For each honors course, students will complete a research project or paper designed in collaboration with the Honors Director Dr. Mike Fenton and the faculty member teaching the course.

Application requirements:

Current LAMC students must be eligible for English 101 and have completed 12 transferable units with a GPA of 3.25 or higher.

Entering students must have a high school GPA of 3.50 or higher or an SAT score above 1,000, and their placement tests must place them in English 101 or higher.

If you do not meet a specific requirement but would like to be able to participate in TAP, please write to Dr. Mike Fenton at fentonms@lamission.edu to discuss your particular situation.

Application Packet Requirements:

Interested students should put together a packet that includes unofficial transcripts, a personal statement, faculty recommendation and a completed application which can be found on the Honors website:

www.lamission.edu/honors/default.aspx

Benefits of TAP/Honors Participants @ UCLA:

- Priority admissions consideration to several prestigious four-year institutions, including UCLA
- An enriched academic program allowing students to gain opportunities to pursue

topics and projects of individual interest within courses taken; opportunity to gain valuable critical thinking, research and writing skills; opportunities to explore interdisciplinary approaches to course topics

- Assistance in the transfer process
- Participation in TAP/Honors allows you to have a non-impacted Alternative Major Selection at UCLA
- UCLA Library Card

Benefits of TAP/Honors Participants Here @ LAMC:

- Transcripts that reflect participation in the program
- Regular opportunities for interaction and individual conferences with faculty mentors and program director
- Priority counseling with the Honors Counselor
- Book Store Fast Pass (Priority book store visits the first week of class)
- Recognition at LAMC graduation ceremony
- Opportunity to attend the annual Honors Students research Conference at UC Irvine as well as the UCLA TAP/Transfer Conference

Contact Information for the UCLA Transfer Alliance/Honors Program:

Contact Honors Counselor Afri Walker, 818.364.7647, or Honors Coordinator Dr. Mike Fenton, 818.364.7888

Additional Transfer Agreements through the Honors Transfer Council of California

This program was created to promote academic excellence, to stimulate creative intellectual thinking and discussions of academic issues among students and faculty, to increase awareness of current social issues, to encourage community service, to celebrate cultural diversity, and to prepare students for successful university transfer. LAMC Membership in the Honors Transfer Council of California gives our students the opportunity to participate in many honors agreements and the primary benefit is priority admission. To learn more about the Honors Transfer Council of California and the programs, agreements, priority admission, scholarships and other activities they offer to our students, go to ***www.honorstcc.org***

Participating Universities and Colleges:

Some of the universities and colleges that offer honors program transfer agreements and priority admission to those students

who complete all requirements at the time of application for transfer are:

Cal Berkeley	UC Irvine
CSU Fullerton	CSU Stanislaus
San Diego State	San Jose State, Engr
Azuza Pacific	Chapman
La Sierra	Loyola Marymount
Mills College	Occidental College
Pitzer College	Pomona College
University of San Diego	Whitman College

Benefits to Honors Program Participants at Each School:

Each University or College listed above has specific requirements and guidelines and each offers varying additional advantages outside of priority admission for students who complete the Honors Program requirements described. These advantages may include priority for housing, scholarships and other benefits. Transfer agreements for participating schools may be viewed at ***www.honorstcc.org/transfer/HTCC_Agreements.pdf***

Requirements: The requirements are the same as they are for the UCLA TAP Program described above. Students must be eligible for English 101 and have completed 12 transferable units with a GPA of 3.25 or higher. Entering students must have a high school GPA of 3.50 or higher or an SAT score about 1000, and placement tests must place them in English 101 or higher. To earn Honors Program Certification, students must complete five honors courses with a 3.00 grade average, and honors designation will appear on the students' transcripts. For each honors course, students will complete a research project or paper with a specific faculty member for a class in which the student is enrolled.

Contact Information for HTCC Honors Transfer Programs: Call Counseling at 818.354.7655 or 818.364.7656 and ask to meet with an honors counselor regarding all programs above. Go to ***www.lamission.edu/honors/default.aspx*** for additional materials.

Associate Degree For Transfer

California Community College students interested in transfer to a California State University (CSU) are encouraged to learn more about the Associate in Arts or Associate in Science for Transfer (AA-T or AS-T) Degrees. These Transfer Degrees are designed to provide a clear pathway for transfer. California Community College students awarded an AA-T or AS-T degree are guaranteed admission with junior standing in a program that is deemed “similar” within the CSU system. Although priority admission consideration is given to the student’s local CSU campus within a “similar” program, it does not guarantee admission to a specific major or campus.

Students who have been awarded an AA-T or AS-T are able to complete the remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

Los Angeles Mission College offers several Associate Degrees for Transfer and to find out which CSU campuses accept each degree, go to www.sb1440.org

Students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

At the time of catalog publication, a student may earn an AA-T or AS-T at LAMC in the following majors:

- AA-T in Communication Studies
- AS-T in Early Childhood Education
- AS-T in Mathematics
- AS-T in Business Administration*
- AA-T in Kinesiology*

**Pending State Chancellor's Approval. Please consult with a counselor for more information about these degrees.*

REQUIREMENTS

The following is required for all AA-T or AS-T degrees:

1. Minimum 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of 2.0 in all CSU-transferable coursework. Although a 2.0 GPA is required for admission, some majors may require a higher, more competitive GPA. Please consult the counselor, the ASSIST website (www.assist.org) and the college catalog for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in the Disciplines section of this catalog. All courses in the major must be completed with a grade of “C” (2.0) or better. Local graduation requirements are not needed for degree to be granted.
4. Certified completion of the California State University, General Education-Breadth (CSU GE Breadth) pattern, OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.
5. Complete a minimum of 12 units at LAMC.

LAMC Awarded \$4.3 Million to Establish a STEM Center

Los Angeles Mission College (LAMC) has been awarded \$4.3 million by the Department of Education's Hispanic-Serving Institution (HSI) to establish a comprehensive Science, Technology, Engineering and Mathematics (STEM) Center combining academic and student support services.

The Center will serve as the hub for STEM faculty and students, strengthening academic services by expanding tutoring, math workshops and summer bridge programs for STEM students; supporting curriculum development in math, life science, physical science and computer science; renovating the computer science lab and upgrading technology; offering STEM Summer Academy to incoming STEM majors, and expanding and formalizing the undergraduate research program.

"We are committed to helping students access quality science, technology, engineering, and mathematics education," said LAMC President Monte E. Perez. "The funds will be used to build capacity in student support services while increasing the number of students graduating with degrees in math and science."

The project's goal is to improve STEM success and access for students. This grant presents a wonderful opportunity to represent the science disciplines more significantly at LAMC.

The HSI STEM project will run for a period of five years, October 2011 through September 2016.

What do our STEM faculty say...

Mike Reynolds, Chair, Life Sciences

"The new STEM grant at Los Angeles Mission College will provide students and the surrounding community with greater opportunities to explore the sciences and to seriously consider them as a career path. Since science, math and engineering are at the core of innovation and technology and are fundamental to a strong economy, it is vitally important that Mission College students experience the excitement that goes along with these fields as they represent the majority of high-paying jobs of the future."

Said Pazirandeh, Chair, Physical Sciences

"The STEM grant and the programs and support it provides to Mission College are a great opportunity for faculty and students at the college to build a community that supports higher learning and professional growth in the fields of science, mathematics, engineering and other technology related disciplines. It is my hope that through the use of these resources, Mission college develops itself into a state-of-the-arts learning center for the related disciplines, and provides its students the highest learning environment possible."

Robert Smazenka, Chair, Math, Computer Science & Engineering

"This grant will give the STEM faculty a unique opportunity to provide our students with access to the sciences and mathematics. Integrated new curriculum will demonstrate the integral part mathematics plays in the sciences and engineering and enable our students to develop an excellent foundation for further study. Reinvigorating the Computer Science program and facilities will provide our students with the courses, computing facilities, and technical experience necessary to succeed in the STEM disciplines. We look forward over the next five years to meeting the challenges these opportunities present and establishing programs that will continue to support our students well into the future."

Mike Fenton, Chemistry Faculty

"I'm excited to be a part of the STEM community and to be able to encourage and promote student participation in all of these areas. The STEM grant will provide important resources for students to excel in the STEM areas. Traditionally, the sciences, technology, engineering, and math are difficult topics for students; however, with additional resources faculty will be able to optimize the learning experience, and provide the support needed to properly guide students through these disciplines. This in turn should better prepare students for university transfer and/or careers in these flourishing fields. Ideally, the STEM opportunity will enrich the learning experience and create an environment conducive to encouraging interested students to pursue their education in the STEM fields."

Angela Echeverri, Microbiology Faculty

"As a faculty member in the Life Sciences Department, I am confident that this STEM grant will provide many of our students with the opportunities and support they will need to successfully pursue careers in the sciences. As the parent of school age children, I particularly look forward to collaborating with the local high schools so we can develop stronger academic pathways for the young people in our community. The first phase of the STEM grant will coincide with the opening of our new Math & Science building in 2012, providing even more resources and opportunities for our students. This is a very exciting time for Los Angeles Mission College."

about the opportunities the STEM grant will bring to students?

Tigran Mkrtchyan, Math Faculty

"I am greatly excited about the STEM grant. This grant will help us to offer our students all the support they need to succeed in STEM fields. Here are just some of the things we could offer: Labs with newest technology, online one-on-one tutoring, classrooms with tablets for each student, newly redesigned classes that we could not afford to offer before, summer intensive STEM camps where students discover and explore Math and Science, interesting presentations about how Math and Science are used in almost every aspects of our life, student research projects...and more. I have been explaining the benefits of choosing STEM as a major to my upper level classes since my day one at LAMC. I talk about how Math and Science are being used in creating all the cool technology they use (IPad, GPS and so on) and that the STEM fields offer many opportunities for high-paying jobs."

Yoon Yun, Math Faculty

"I am very excited to be a part of the STEM community to help our students succeed in this field. It is a great opportunity to help students realize and appreciate how closely science, technology, engineering, and mathematics are inter-related in enhancing human life. Expanding the tutoring service and computer lab, providing additional workshops and summer bridge programs, creating and improving curriculum, and offering in-depth counseling will definitely improve students' success in STEM fields. A great deal of resources will surely be available through the STEM grant and faculty and students will work together to maximize the benefit of these resources for reaching the common goal of improving STEM success and access for students. I have already shared the good news about the STEM grant with my calculus students. I informed them that the STEM courses will provide more opportunities and open doors to continued higher education that eventually leads to successful careers. Their response was excitement and enthusiasm to be part of the STEM community at Mission College."

Mari Rettke, Computer Science Faculty

"I am very excited to be a part of the STEM community. Students often have difficulty imagining how classroom learning translates to future jobs. This grant will give us the opportunity to provide our students with real-world applications of math, science and technology. We visualize field work projects resulting from a collaborative effort between the LAMC STEM community and local industry bringing science, technology, engineering and math alive. Documented service projects will give the students needed hands-on skills and the confidence necessary to take advantage of higher education opportunities. The STEM grant will provide the curriculum development and student support services necessary to produce students who will serve as mentors and leaders to other students."

Richard Rains, Physics Faculty

"It is truly fulfilling for a teacher to watch a young person discover the excitement of science for the first time ... to see the lights going on in their eyes as the wonder of it all suddenly hits them. Our modern youths' culture of waning scientific interest needs the shot in the arm that this STEM grant will bring to Mission College and, by extension, to the Sylmar area. So much great talent goes unused, simply because of lack of exposure and opportunity. This grant could well result in the re-directing of young lives into successful careers in science, engineering, math and technology. These lives could make a significant contribution to the revitalizing of American technology. We look forward with excitement to see it happen!"

Steve Brown, Biology Faculty

"I am very excited about the awarding of this STEM grant to our college. We serve a very wide range of students with regard to academic preparedness for college level course work in the sciences, and with the resources provided by this grant along with our new science facilities we can better serve students at all levels. I have no doubt that student success in the sciences will improve dramatically as a result, and consequently more and more students will be attracted to the sciences. It is a privilege to be involved in the coming expansion and development of what is already a quality science program."

Debby Wong, Math Faculty

"Mission college has a group of devoted STEM faculty who have worked to update their science labs, equipment, software, and tutorial support as resources became available through various programs through the years. However, with the STEM grant, these disciplines will be able to combine their efforts to make major physical renovations to laboratories and classrooms, and offer significantly enhanced learning support and experiences. With additional counseling, tutoring, and the opportunity for hands-on experiments, simulations, field trips, and internships funded by the STEM grant, students will have valuable learning experiences that will support their working in STEM careers."

Improve STEM Success and Access

Around the Campus

DIVISION OF STUDENT SERVICES: The Division of Student Services is dedicated to students getting quality advisement and information. There are several departments and programs where students can get the support needed to make the right decisions that will guide them in the direction they choose. With the right information and the knowledge that there is a “real” person willing and ready to assist you, you can achieve your goals. Please review the following programs to find out how they can guide and direct you through the community college process.

Counseling Department

Our counselors are here to assist you in the development of your Student Educational Plan, and to advise you on class selection, academic issues, and career and job development resources. You can make an appointment in advance, drop by for a quick question or two and walk-in for an appointment. If you are interested in the development of your Student Educational Plan, plan on making an appointment for an hour session. All counselors are here to help you!

The Counseling Department is open Monday and Thursday from 8am to 5pm, Tuesday and Wednesday from 8am to 7pm and Fridays until 12 noon. Phone 818.364.7655 for an appointment.

Department Chair: Diana Bonilla
General Counselors: Afri Walker, Michong Park,
Dianna Bonilla, Sherrie Loper
Transfer Center Director: Diana Bonilla
General Counselor/Articulation Officer: Madelline Hernandez

Disabled Student Program & Services

DSPS provides support for students with disabilities by setting up a student educational contract that addresses educational limitations. Students with disabilities are offered a wide array of support which can include: academic/personal counseling; job development and career planning; assistive technology support; as well as linkage to campus/community referrals. Reasonable accommodations may include: test proctoring; note taking assistance; and classroom accommodations. The goal of DSPS is to assure that all students with disabilities are afforded equal access to the educational opportunities that exist at LAMC. Please visit us at www.lamission.edu/dsps for additional information.

Extended Opportunities Programs & Services (EOPS) Cooperative Agencies Resources for Education (CARE)

EOPS/CARE works with a student population that must meet certain qualifications. Drop by the office to see if you qualify. Students are awarded vouchers valued at \$225 each that are used to purchase textbooks only at LAMC's Eagles' Landing Student Store. EOPS students also receive priority registration, three mandatory individual counseling sessions, tutorial support, available academic workshops and assistance with the financial aid process.

CARE students (EOPS single parents receiving CalWORKs with at least one dependent child less than 14 years old) also receive an additional \$150 CARE book grants used to purchase textbooks and supplies at LAMC student store. All new EOPS/CARE students are given survival kits, which include, but are not limited to, backpacks, LAMC binders, notebook paper, pens, pencils and LAMC t-shirts. In addition, CARE students are also awarded meal vouchers valued at \$6 each that are used in the cafeteria. EOPS/CARE students are awarded cash grants once or twice a year, depending on availability of funds.

Office of Financial Aid & Scholarships

This office is located in the same location as Admissions & Records, EOPS and the Counseling Department. Make sure you stop by and request information about meeting your financial needs. Many options are available, and staff can assist you in identifying the financial resource for which you qualify.

Transfer & Career Center

The Transfer & Career Center provides students with career and transfer services to assist students through the career exploration process and ensure a smooth transition to four year universities. Our staff is highly dedicated to your success.

Our services include: counseling appointments to address career and transfer questions, appointments with university representatives, transfer and career fairs, spotlight on careers workshops (see below), transfer related workshops, career assessments to help you decide on a major. We provide access to the internet and specialized software for career exploration, information on university field trips, access to public and private University catalogs, and much more.

The Transfer & Career center has undergone several positive changes such as moving to a new more accessible location, longer hours of operation and additional support staff. These changes resulted in increased student contact and service.

The Transfer & Career Center is open Monday and Thursday from 8am to 5:30pm, Tuesday and Wednesday 8am to 7pm, and Friday 8am to 1pm. We are located in the Campus Services building. Please contact us by phone at 818.364.7827 or by e-mail at transfer@lamission.edu. Below is a tentative schedule of events. For specific dates, please visit our website at www.lamission.edu/transfercenter

Make sure to watch the school calendar for Transfer/Career Center events that include the following:

- University representatives from CSU, UC, and Private Universities
- Career Fair
- Evening Transfer Fair
- Spotlight in Careers Workshops
- Career Exploration for the Undecided Student
- Interviewing Techniques to Help You Land that Job
- Writing a Winning Resume Workshop, and
- Transfer Admission Guarantee (TAG) Program

TRIO/Student Support Services (SSS) Program

The TRIO/Student Support Services (SSS) Program is a federally funded program designed to identify and provide resources to help students persist through college. SSS provides support services that promote and facilitate students' academic and personal success. To qualify for SSS, students must meet at least one of these requirements: 1) Be a first-generation college student (neither parent has a bachelor's degree); 2) meet an income guideline; 3) be a student with a disability. Students selected to participate in SSS will qualify for one-on-one academic advising and counseling, individual and group tutoring, career counseling, study skills workshops, trips to cultural sites and colleges, and grant aid through a selective process.

Online & Hybrid

Students often work full or part time jobs while going to college, so their time is valuable.

BENEFITS OF TAKING ONLINE CLASSES

- Provides flexibility, convenience, and 24/7/365 education
- Provides independent learning
- Accommodates different learning styles
- Teaches you to be self-disciplined
- Access to great faculty from Mission College

Online Courses Bring Education Right To Your Home.

Save time spent in traffic and invest it in your education. You can study from anywhere in the world. In an online environment, you are EMPOWERED to learn from others in your class. You can make intelligent and thoughtful contributions to discussions online.

You can read and review lecture notes as often as you want, interact within your courseware at any time, and you have the ability to send your professor questions at your convenience.

Are you ready to take an online class?

See if you are ready to take an online class by taking this simple survey - www.waol.org/getstarted/IsOnline4Me.asp

Have questions or need help deciding which path is best for you?

The Weekend College

A Program of Los Angeles Community College District

ITV/The Weekend College classes allow students to complete general education classes in a focused eight-week format. The classes are offered on four campuses: **City [C]** and **Southwest [SW]** Colleges on Saturdays and **Valley [V]** and **Pierce [P]** Colleges on Sundays. The first college listed is **AM only 9:00-12:00 noon**. The second college listed is **PM only 1:30-4:30 PM**. Students attend only one class meeting each weekend and may attend at any location.

The classes are taught by the same instructor at each campus. The classes are taught in a highly effective “blended format” combining the weekend class meetings with online activities and half-hour video lessons creating a dynamic learning environment for all students. The video component is available on cable television in the City of Los Angeles and in broadband, on DVD and in the College Learning Resources Centers on campus.

Students enroll online using the Student Information System, selecting ITV as the campus. Students are advised to consult with a College Counselor when planning their Associate Degree or transfer program. For questions or registration assistance, call 818/833-3595. Financial aid is available for qualified students; fee waivers also apply to these classes. Transcripts are issued by L.A. Mission College.

The Learning Center (TLC)

Marie Zaiens, Director: zaiensme@lamission.edu | 818.364.7757
Ground floor of the LAMC Library Building

Hours: Individual Use area – Monday through Thursday, 8am to 7pm
Learning Lab area – Monday through Thursday, 9am to 7pm

The Learning Center is a “hub” for activities designed to help students succeed in their classes. The Learning Center offers print and copy services and access to computers for general use in the Individual Use area as well as computers with academic software in the Learning Lab area. For students enrolled in Developmental Communications, computers are available Monday through Thursday from 8am to 7pm.

The Information Desk is staffed by student assistants who are trained to offer basic support for computing, printing, and copying. Highly qualified student tutors, many of whom are enrolled in master’s degree programs, are trained to assist students with academic writing, reading, math, science, and computer assignments as well as class projects and homework.

The Learning Center has two centers devoted to student success: the **Academic Success Center (ASC)** and **Science Success Center (SSC)**. Each semester, a variety of workshops and review sessions are offered covering topics in study skills and grammar through the Academic Success Center. The ASC also offers weekly WORKOUTS in critical thinking topics are offered weekly in the “hub” to help students understand what critical thinking involves and how to apply critical thinking skills in any of their classes. The Writing WORKOUTS can prepare students for essay writing for English classes as well as any of other classes that include essay assignments. Workshops and study materials for Anatomy, Astronomy, Biology, Chemistry, Physics, and Science Success Skills are presented by the Science Success Center. Math tutoring for 105 and 112 students is held Monday through Thursday from 11am to 7pm in the Learning Lab. The Learning Center is wheelchair accessible and provides automatic adjustable tables, adaptive software, and screen magnification. For further information on Learning Center services, please contact the Information Desk at 818.364.7754.

Academic Success Center (ASC)

In the LRC
Library Building, Ground Floor, Room 219 - Wheelchair-accessible

Hours: Monday through Thursday, 11am to 7pm

The ASC provides FREE writing and reading assistance to registered students. We will help students to study, organize essays, learn MLA and APA styles, and improve grammar. Our knowledgeable writing coaches can help students to develop their skills or discuss writing styles for transfer level courses. Our new Reading Plus software program has helped some students improve their reading by five levels, and it is accessible from home. Students can take a Reading Plus or TABE reading assessment and begin improving their reading skills immediately. To make an appointment, visit the ASC.

- Eleven computers are available with grammar, writing, and reading software to use anytime the Center is open. Two laptops and two Mac books are also available for student use.
- Workshops are provided on grammar review, APA and MLA styles, writing essays, and note-taking techniques.
- Reading Plus, PLATO, and ESL software is available on lab computers.
- Critical thinking WORKOUTS focus on analysis, argumentation, presupposing, assumptions, implications, and interpretation.

Child Development Center

The Los Angeles Mission College Child Development Lab School has collaborated and partnered in the instruction of students since their inception 36 years ago. The CDC laboratory school is an institution of learning as well as offering students access to college. Our program is grounded in theory, the latest studies and current best practice. Early childhood education is fluid and changes with the needs of the community and society.

What has not changed in over 30 years is that the first 5 years of life is the most significant in learning and comprehension. Studies have only reinforced the need for early education, especially with new studies regarding brain development.

Our ratio's and participation of vested individuals make us a utopian society of care and education for children. We have the ideal environment that is conducive to learning. We have highly experienced and educated staff, low ratios and purposeful collaboration.

DISTRICTWIDE REGISTRATION

REGISTER AT MORE THAN ONE COLLEGE!

Students registering for classes through the college's web-based registration system will also have the opportunity to register for classes at any of the other colleges in the Los Angeles Community College District – East L.A. The Non-Credit Program

Our classes are designed to provide opportunities for personal enrichment, enhancement of job opportunities and preparation for a college career. Our instructors are trained in their fields and committed to providing you with the best education.

Do you need to learn to speak English to advance your personal and career goals?

Do you want to get your GED or need help passing the CAHSEE exams?

Are you beginning your US citizenship process and want to prepare for the exam?

Do you want to go back to school and need academic preparation and guidance?

If you answered “yes” to any of the questions above, the Non-Credit program can help you. We offer...

English as a Second Language (ESL) Classes

Learn to read, write and speak English today! Learn to speak, read and write English through our free courses that focus on conversation and beginning grammar. We will assess and place you in a class that best fits your needs. One of our counselors will also monitor your progress and help you transition into higher level credit ESL classes on campus.

GED Preparation and Services

Pass your GED test today. We offer free preparation classes. The General Education Development (GED) certificate is widely accepted as an equivalent to a high school diploma. The certificate is earned by passing five official GED tests in the areas of writing, reading, social studies, science and mathematics. Getting your GED certificate can make a big

difference in your ability to get and keep a job or to qualify for further education. We will assess your math and English levels and place you into a class that best fits your needs. We offer free preparation classes that focus on reading comprehension and mathematics. We do not offer the GED test at our location but our program will monitor your progress, help you with the registration process and find a convenient location for you to take the test.

CAHSEE (High School Exit Exam) Preparation Classes

Do you need to pass the CAHSEE exam to get your high school diploma? All high school students in the state of California are required to pass the California High School Exit Exam (CAHSEE). Our program offers preparation courses in the areas of Math and Language Arts. We will also provide you with academic counseling services that will help you achieve your higher educational goals. We will assess your Math and English skills and place you in the class that best fits your needs. You will also get assistance finding locations and dates for the next CAHSEE exam.

Citizenship Test Preparation Classes and Evaluation of Form N-400.

Let us help you begin the process to become a U.S. citizen today! During your naturalization eligibility interview, a USCIS Officer will test your ability to read, write, and speak English (unless you are exempt from the English requirements). You will also be given a civics test in English, to test your knowledge and understanding of U.S. history and government, unless you are exempt. Our classes will prepare you to pass the reading, writing and speaking tests. We also have services to help you complete the N-400 form and to answer any questions regarding the process.

Classes are FREE and Registration is fast and easy!

All services and classes are free of charge and open to everyone in the community. **Don't wait any longer,** call us today! For more information and for our schedule of classes please call 818.364.7774, or log on to <http://lamission.edu/noncredit>

ESL Program at Mission College

Levels and Classes

The ESL program at Mission College consists of seven levels of instruction. Research in language acquisition advises that skills not be taught in isolation. Consequently, some ESL classes are combined, and other ESL classes have corequisites. Students receive maximum benefit by taking all classes in each level concurrently.

Level 1: ESL 1 integrated (combined skills) -12 units MTWTh

Level 2: ESL 2 integrated (combined skills) -12 units MTWTh

Levels 3, 4, 5 and 6 have A, B, and C components:

ESL 3A, 4A, 5A, 6A: Writing/Grammar, 6 units, MW

ESL 3B, 4B, 5B, 6B: Reading/Vocabulary, 3 units, TTh

ESL 3C, 4C, 5C, 6C: Listening/Speaking, 3 units, TTh

Level 7: ESL 8: Advanced ESL Composition - 6 units, MW

ESL 8 is equivalent to English 28 and satisfies the prerequisite for English 101.

Assessment - Which Level Should I Take?

All new students must take the Mission College ESL Placement Test. The results of this test will indicate which level you should enroll in. Mission College does not accept assessment test results from other colleges or adult schools.

Once enrolled, students who believe they were incorrectly placed should confer with their instructor and the ESL Department Chair.

For information, call 818.364.7666

El programa de (ESL) inglés como segundo lenguaje en Mission College

Niveles y clases

El programa de (ESL) inglés como segundo lenguaje consiste en siete niveles de instrucción. El estudio en la adquisición del lenguaje recomienda la enseñanza de las habilidades integradas. Consecuentemente algunas clases de (ESL) están combinadas y otras clases requieren pre-requisitos. Los estudiantes reciben el máximo beneficio tomando todas las clases en cada nivel al mismo tiempo.

Nivel 1: ESL 1, Habilidades Integradas - 12 unidades, MTWTh

Nivel 2: ESL 2, Habilidades Integradas - 12 unidades, MTWTh

Nivel 3, 4, 5, y 6 Comprende las asignaturas A, B, y C.

ESL 3A, 4A, 5A, 6A: Escritura/Gramática - 6 unidades, MW

ESL 3B, 4B, 5B, 6B: Lectura/Vocabulario - 3 unidades, TTh

ESL 3C, 4C, 5C, 6C: Escuchar/Hablar - 3 unidades, TTh

Nivel 7: ESL8: Avanzado ESL composición - 6 unidades, MW

ESL 8 es equivalente a inglés 28 y satisface los requisitos para inglés 101.

Examen - ¿Cuál nivel debo tomar?

Todos los estudiantes nuevos deben tomar el examen de ESL en Mission College. Los resultados de este examen le indicarán a qué nivel deberá inscribirse. Mission College no acepta resultados de exámenes de otros colegios o escuela para adultos.

Una vez inscrito el estudiante que crea que fue asignado a un nivel incorrecto deberá comunicarse con su instructor o el jefe del departamento de ESL.

ANNOUNCEMENT: Title 5, section 55035, prohibits students, who have completed 30 units of "remedial" (basic skills) course work, from enrolling in any additional credit basic skills courses. Starting with the Winter 2010 registration cycle, this requirement will be reinforced by DEC. If a student who has exceeded the 30 unit limit enrolls in a credit or noncredit ESL course, the student will be permitted to enroll in additional basic skills courses. Also, Title 5 exempts students with learning disabilities. The DSPS Office can authorize a system override for these students. The actual override functionality is in A&R so the DSPS Office will have to coordinate this effort with the Admissions Office. This restriction does not apply to non-credit basic skills courses. Students, who have exceeded the 30 unit limit, should be encouraged to enroll in non-credit basic skills courses.

The Application & Matriculation Process: A Step-by-Step Guide

The STEPS TO SUCCESS Matriculation Process

connects Los Angeles Mission College with students who enroll for credit courses into an agreement for the purpose of realizing the student's educational goals through the college's programs, policies, and requirements.

Matriculation Exemptions Status: At the time of application, all students are classified as Exempt or Non-Exempt from various matriculation components. Students may be exempt from one or more of the individual steps described below. Exempt students may participate in all matriculation components. All other students are coded as non-exempt and are expected to complete orientation, assessment, and counseling during their first semester at Los Angeles Mission College. Please refer to exemptions as they pertain to the steps below.

Student's Responsibilities: Non-exempt students are required to express at least a broad educational intent upon admission, declare a specific educational goal no later than the term after which 15 units of degree applicable credit courses are completed, diligently attend class, complete assigned coursework, complete courses and maintain progress toward an educational goal and cooperate in the development of a student educational plan.

Please follow the steps below. Contact information is indicated for each step so that you can call or email with your questions. The process described below is for new students and for returning students who have not attended any LACCD campus for two consecutive semesters.

STEP 1 COMPLETE AND SUBMIT AN APPLICATION FOR ADMISSION

Online Application Process:

- GO TO www.lamission.edu and click on "Apply Online."
- You will be sent directly to the CCCApply.Org website, where you will follow the steps listed on the website.
- Allow approximately three working days (excluding holidays and weekends) for the processing of your online application.
- Once your on-line application is successfully processed, you will receive an email confirmation containing your STUDENT IDENTIFICATION NUMBER and information explaining how to access your district wide registration appointment online. Your student identification number will allow you to access the registration system.

As per LACCD policy, only online applications will be accepted by Admissions. However, In rare and unusual circumstances paper applications will be accepted with prior approval.

For more Information:

- Visit www.lamission.edu/admissions
- Stop by the Admissions Office in the Student Services Lobby located in the Instructional Building.
- Call 818.833.3322 during our regular office hours, which are subject to change. Check www.lamission.edu/admissions for current office hours

STEP 2 ASSESSMENT

Campus Center Lower Level, Room 1529

ALL students who have submitted an application and have been issued a student ID number are required to take the assessment tests in English or English as a Second Language (ESL) and Math, unless exempt (please refer to exemptions below). The assessment process helps to place students in classes where they are most likely to succeed. Assessments are available on a walk-in basis, Monday through Thursday from 8am to 5pm. Students must have their LACCD ID Number and present a valid form of picture ID prior to taking the assessment tests.

NOTE: The Math assessment process requires students to self select the appropriate test level (Algebra Readiness, Elementary Algebra, Intermediate Algebra or Pre-Calculus). For more information on choosing the appropriate Math assessment test, please visit www.lamission.edu/math and select "MDTP Sample Tests" from the Main Menu.

Assessment Results:

- Once the assessment tests have been completed, it will take approximately 24 hours for the results to be available.
- Full assessment reports will be available for pick up at the Assessment Center approximately 24 hours after test completion.
- Assessment reports for tests taken on Thursdays will be available for pick-up the following Monday.
- Students may also view their assessment results on the Student Information System – eweb2.laccd.edu/WebStudent/signon.asp

For more Information:

- Visit www.lamission.edu/assessment/default.aspx
- Stop by the Assessment Office in the Campus Center Lower Level Room 1529.
- Call 818.364.7613

Assessment Exemptions:

1. Students who have already earned an AA/AS degree or higher or
2. Students who are enrolling in recreational and/or personal growth classes only and have no intention of earning a degree or certificate

NOTE: Students who have assessment results from a college that uses assessments that are on the approved list of assessment instruments for California Community Colleges or who have completed Math and English courses at other colleges may be exempt from Assessment. Proof of transcripts and/or assessment results need to be presented to a Counselor in the Counseling Office.

Our Mission Is Your Success

STEP 3 ONLINE ORIENTATION

Once the assessment tests have been completed and results received, students may sign up at the Assessment Center to attend an Online Orientation. It is highly recommended for all new students to attend an Online Orientation session unless exempt (please refer to exemptions below). Online Orientation presents important information about the college, educational programs, requirements, resources and services that will help students register for classes and succeed in meeting their educational goals.

For more Information:

- Visit www.lamission.edu/assessment/orientation.aspx
- Stop by the Assessment Office in the Campus Center, Lower Level, Room 1529.
- Call 818.364.7613

Orientation Exemptions:

1. Students who have already earned an AA/AS degree or higher, or
2. Students who are enrolling in recreational and/or personal classes only and have no intention of earning a degree or certificate, or
3. Students enrolling in fewer than 6 units of coursework and are concurrently enrolled at another college or university

STEP 4 COUNSELING

All new and returning students should meet with a counselor before registering for courses unless exempt (please refer to exemptions below). It is recommended that all students meet with a counselor regularly, as it provides an opportunity to review educational goals, course requirements, research majors, plan courses, and develop a Student Educational Plan (SEP). It is HIGHLY recommended that students meet with a counselor each semester to receive updates on changes and review progress toward their educational goal. Please contact the Counseling Office for appointment and drop-in availability.

For more Information:

- Visit www.lamission.edu/counseling
- Stop by the Counseling Office in the Instructional Building, Administration Wing
- Call 818.364.7655 or 818.364.7656

Counseling Exemptions:

1. Students who have already earned an AA/AS degree or higher, or
2. Students who are enrolling in recreational and/or personal classes only and have no intention of earning a degree or certificate, or
3. Students enrolling in fewer than 6 units of coursework and are concurrently enrolled at another college or university

All students are encouraged to apply for financial aid. Eligible students who are U.S. citizens and eligible non-citizens should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. The FAFSA is used to determine eligibility for federal and state financial aid, including grants, work-study, and loans. Students qualifying under AB540 for an exemption to paying California Nonresident Tuition who do not possess permanent Social Security numbers can apply for state financial aid (Cal Grants and the Board of Governor's (BOG) Fee Waiver) through the California Dream Act Application available online at www.caldreamact.org

STEP 6 REGISTER FOR YOUR COURSES

Register for Courses Online:

The first task is to go to www.lamission.edu and check for open classes. Have the four-digit section number of the classes you want ready. Then check and make sure there are no time conflicts for your chosen classes. Next, follow the seven steps listed below.

1. Have your student ID number ready before you sign on.
2. Have your four-digit pin number ready, which is your birth day and month without the year.
3. Go to the Los Angeles Community Colleges website, www.laccd.edu
4. Click on "Student Information System."
5. Select "Current Student."
6. Select "View Registration Appointment." (State Title V regulations mandate that students may not register before their appointment date.)
7. Click on "Add/Drop Classes."

Register for Courses In Person:

1. Check www.lamission.edu/admissions online for current office hours.
2. Come to Admissions & Records with a valid picture identification.

Prerequisites, Corequisites & Advisories

Prerequisite: A class or skill you must have prior to enrolling in the target class. The faculty of that discipline requires the prerequisite because they feel it is necessary for you to succeed in the target course.

Corequisite: A class that must be taken simultaneously with the target course. A corequisite may be completed with passing grade ("C" or better) prior to enrollment in the target course.

Advisory: A class or skill you are advised to have, but not required to have, prior to enrolling in the target course

Target Course: Any course which the faculty has determined that requires completion of a prerequisite, corequisite, or advisory course

Placement Level: The outcome from the assessment process which is used for placing students into the appropriate level of English, Mathematics, and English as a Second Language courses

Registration Limitation

All students need to demonstrate meeting the prerequisite or corequisite requirement in order to enroll into the target course.

- If the student satisfies the requirement by completing a class with a grade of "C" or better at LAMC or through the assessment process, he/she will be cleared for registering into the target course.
- If the student has satisfied the prerequisite or corequisite and/or placement at another college or through another method, he/she must submit the appropriate documentation (i.e. an official transcript or CCC placement results) to the Counseling Department located in the Instructional and Student Services Building (818.364.7655).

Once a counselor reviews the documents and finds that the prerequisite or corequisite has been satisfied, the counselor will issue a course placement authorization form. This form, once signed by the counselor, needs to be turned into the Admissions office along with the necessary add slip by the student for processing.

Prerequisite Challenge Procedure

All students need to demonstrate meeting the prerequisite or corequisite requirement in order to enroll into the target course.

- If the student satisfies the requirements by completing a class with a grade of "C" or better at LAMC or through the assessment process, he/she will be cleared for registering into the target course.
- If the student has satisfied the prerequisite or corequisite and/or placement at another college or through another method, he/she must submit the appropriate documentation (i.e. an official transcript or CCC placement results) to the Counseling Department located in the Instructional and Student Services Building.

Once a counselor reviews the documents and finds that the prerequisite or corequisite has been satisfied, the counselor will issue a course placement authorization form. This form, once signed by the counselor, needs to be turned into the Admissions Office along with the necessary add slip by the student for processing. Students without transcripts or other proof of meeting the specified prerequisite or corequisite but who believe that they have other clear and reliable evidence that they are adequately prepared to take the target course may go through the prerequisite or corequisite challenge process.

Right to Challenge Prerequisites

Students have the right to file a challenge for any prerequisite or corequisites. Challenges can be based upon the following:

- The student has the knowledge or ability to succeed in the target course despite not meeting the prerequisite or corequisite. (Criteria for challenging based on knowledge or ability to succeed will be determined by each Academic Department.)
- The prerequisite or corequisite is not valid because it has not been established in accordance with the District's policy.

- The prerequisite or corequisite is being applied in an unlawfully discriminatory manner.
- The prerequisite or corequisite has not been made reasonably available, causing the student undue delay in completing his/her educational goal.

Prerequisite Challenge Process

1. Pick up the challenge form at the Counseling Office. It is required that students seeking to go through the challenge process meet with a counselor to discuss the process in further detail.
2. All challenge forms must be submitted at least five (5) working days prior to the first day of instruction as stated in the Schedule of Classes (please note: the challenge process takes five working days to complete). Challenges filed after this deadline will be considered for the following semester. If the challenge is approved or the college fails to resolve the challenge within 5 working days, the student shall be allowed to enroll in the course.
3. Once a petition packet is complete (including standard and discipline specific documents), the student will deliver it to the department responsible for the prerequisite or corequisite course. Once a complete packet is received, the department will have five (5) working days within which to make its decision, whereupon the department chair or department designee will sign and date the petition. Incomplete petition packets will not be accepted. If the Chair and/or Vice Chair is the instructor of the course that the student wishes to enter, then the Chair and/or Vice Chair will identify another faculty member in the discipline to review and approve the challenge form.
4. Upon review of the challenge, within three (3) working days of reaching its decision, the responsible department will attempt to notify the student using contact information provided on the petition form. All students requesting further information will be directed to contact the counselor of record. A copy of the form will be filed in the department office and the original will be returned to the counseling department.
- If the challenge is approved, the student must obtain the a course placement authorization from the counseling department and take it to Admissions along with the necessary add form for processing.
- If the challenge is denied, the student may be able to appeal the decision to the Vice President of Academic Affairs (see petition form for more details). Notification of the appeal decision will be sent to the student within 5 working days after its receipt. Students with complaints or challenges to any matriculation provision may appeal to the Vice President of Student Services.

921, 931 or 941 WORK EXPERIENCE II, III or IV (CSU) 2, 3 or 4 UNITS

A program providing students with a linkage to their future career success and job placement. This program is open to all students who wish to gain college credit for working toward goals at their job. Students may enroll in this program for up to 4 semesters, a maximum of 4 units per semester. A student may take only one Coop. Ed. section per semester. Students with disabilities will be accommodated and may contact the DSPS Office.

CSU generally accepts up to eight (8) Cooperative Education (CWEE) units as electives. Check with the Admissions Office at the college or university you wish to transfer for specific information.

CWEE/Coop. Ed. forms are available at the LAMC Website, or may be purchased in the campus student store. All individuals must complete and turn in properly authenticated paperwork within two weeks of the start of the semester or the student will be dropped.

Instructions on how to download the Cooperative Education Forms

- First:** Go to lamission.edu, then click on "Student"
- Second:** Go to "Programs Offered" and click on "Cooperative Education"
- Third:** Click on the left where it says "Forms"
- Fourth:** Print the first 2 pages:
 1. Application for enrollment
 2. Cooperative Education Agreement
- Fifth:** Bring two (2) blank envelopes with U.S. stamps

Requirements: Students must be employed, or in a voluntary job.
Five mandatory 1 hour meetings per semester are required (see times below).
 Students may add a Cooperative Education class online or at the Admissions Office during open enrollment.

End of Semester Summit	Nov 18, 9:00am, CSB 207	Nov 18, 4:50pm, CSB 207

Please ask the Coop Ed advisor about the LAMC Volunteer and Job Placement Program.

If you qualify for a BOGG fee waiver, you will not have to pay for taking this course. For information on the BOGG fee waiver, contact the Financial Aid Office.

Students enrolled in CWEE/Coop Ed must work in accordance with the following schedule. Students employed must work at least 75 hours per unit, per semester. For example, a student taking Coop Ed 921 must work at least 150 hours per semester. Students in an unpaid or volunteer position must work at least 60 hours per unit, per semester. A student taking Coop Ed 921 in the unpaid capacity must work at least 120 hours per semester.

Additional Coop Ed/CWEE Requirements:

- A fully completed workbook ISBN 978-1-59357-914-2, available for purchase in the bookstore
- Title of book: Job Savvy, Latest Edition. Author: LaVerne L. Ludden, Ed.D., jst Works
- A completed resume in standard format
- An exam on material in the textbook will be required. Student must bring a standard 25 question scantron.

For questions or further information, call the CWEE/Coop Ed Hot Line at 818.364.7700.

NOTE: Only one Cooperative Education class may be taken each semester. Students can repeat the same Coop-Ed class for a maximum of 4 semesters.

ENGLISH

Chair: Louise Barbato 818.364.7687 | Vice Chair: Carolyn Daly 818.833.3311

ACCELERATED ENGLISH PILOT PROGRAM

These two courses classes are part of an accelerated English pilot program. Students in this program are required to enroll and maintain enrollment in both courses for the entire semester. Given the intense nature of this program, this program is not ideal for all students. This program is designed for the student who is willing to make a commitment to dedicate a great deal of time to the homework component of these courses.

Acceptance into this program will be based on assessment scores and/or recommendation by English faculty. If you think that this program is a fit for you, please see Linda Carruthers, Assessment Coordinator. Her office is located in the Assessment Center in the Campus Center.

MARKETING

Chair: Pat Flood 818.364.7715

21 PRINCIPLES OF MARKETING (CSU) 3.00 UNITS

Prerequisite: None

Designed to provide the student with a comprehensive introduction to concepts and principles of marketing from a marketing manager perspective. It examines the problems and decisions that marketing managers encounter in selecting an attractive target market.

EVENING CLASSES

Mathematics Course Sequence

105 ARITHMETIC (NDA) 3.00 UNITS

Prerequisite: None

Reviews operations and applications of arithmetic, including whole numbers, fractions, decimals, and percents. Additional topics of ratios and proportion, measurement, geometric concepts, signed numbers, and a brief introduction of elementary algebra will be presented.

DAY CLASSES

0321 LEC 12:15PM - 1:40PM TTh MOVSISYAN, M CSB 208

EVENING CLASSES

115 ELEMENTARY ALGEBRA**5.00 UNITS**

Prerequisite: Math 112 with a grade of 'C' or better, or appropriate skill level demonstrated through the Mathematics assessment process, or by permit. Math 113 and 114 together are equivalent to Math 115.

NOTE: All Mathematics 115 students are required to pass a comprehensive department final. The exam will be administered by each instructor in the assigned classroom on the day and time as specified in the Final Exam Schedule appearing in the schedule of classes. Failure to take this examination at the scheduled time and day will result in a score of zero.

Explores the concepts of algebra, including signed numbers, exponents, linear equations, graphs, and quadratic equations. It also contains techniques for interpreting and solving verbal programs related to the above topics.

227 STATISTICS**(UC:CSU) 4.00 UNITS**

Prerequisite: Math 125 or 123C with a grade of 'C' or better, or appropriate skill level demonstrated through the Mathematics assessment process, or by permit

Includes the following topics: graphical techniques; probability and probability distributions; sampling; estimation; correlations; regression; hypothesis testing; categorical data. Emphasis is on data analysis and interpretation, using sample data to extrapolate population characteristics.

Math 227 is also offered through ITV. See page 14.

ONLINE CLASSES

NOTE: Students must be adept at using email and the internet. Unlike a traditional classroom course, the successful student must be motivated and a disciplined learner. The majority of the work is online without the personal supervision of the instructor.

238 CALCULUS FOR BUSINESS & SOCIAL SCIENCE I**(UC:CSU) 5.00 UNITS**

Prerequisite: Math 125 or 123C with a grade of 'C' or better **Advisory:** Math 245

Includes the following topics and their business applications: polynomial, exponential and logarithmic functions; differentiation and integration; integration by parts; numerical integration; improper integrals; multivariable calculus.

EVENING CLASSES

3245	LEC	7:00PM - 9:30PM	MW	MKRTCHYAN, T	CMS 21
------	-----	-----------------	----	--------------	--------

Directed studies opportunities are available on a contract basis under the supervision of an instructor. Students interested in enrolling in the Directed Courses must contact the Department Chair.

240 TRIGONOMETRY

(CSU) 3.00 UNITS

Prerequisite: Math 120 or 121 or equivalent and Math 125 or 123C with a grade of 'C' or better, or appropriate skill level demonstrated through the Mathematics assessment process, or by permit

Introduces trigonometric functions, their graphs, inverses, and fundamental identities. Trigonometric equations are solved. The laws of sines and cosines; vectors; scalar and vector products and introduced. Polar coordinates and equations are introduced and used to represent complex numbers.

DAY CLASSES

0367	LEC	10:40AM - 12:05PM	TTh	WONG, K	CMS 23

MULTIMEDIA - Arts, Media & Performance

Chair: Deborah Paulsen 818.364.7738 | Vice Chair: Curtis Stage 818.364.7771

100 INTRO TO MULTIMEDIA COMPUTER APPLICATIONS

(CSU) 3.00 UNITS

Prerequisite: None **Corequisite:** Multimd 500

Students apply the principles of design to an electronic medium while developing the skills necessary to digitally manipulate graphic images and text with Adobe Photoshop. Students also learn the basics of Adobe Illustrator and integrate Photoshop materials with Illustrator documents.

DAY CLASSES

0379	LEC	12:50PM - 2:55PM	M	STAGE, C	LRC 233

110 VISUAL COMMUNICATION

(CSU) 3.00 UNITS

Prerequisite: None **Advisories:** MultiMd 100 & 500

A fundamental course on the nature of visual communication. Emphasis is placed on historical, philosophical, theoretical, cultural and practical aspects of art, design and media arts. Students integrate theory and applied technology to a variety of multimedia projects.

EVENING CLASSES

3255	LEC	5:50PM - 7:55PM	T	GARCIA, J	LRC 233
AND	LAB	7:55PM - 10:00PM	T	GARCIA, J	LRC 233

200 DIGITAL IMAGING

(CSU) 3.00 UNITS

Prerequisite: None **Corequisite:** Art 638 **Advisories:** MultiMd 100

Explore fundamentals of photography and camera operations: Photography's relationship with digital imaging, including lighting, composition, depth of field, lens flare, incident/reflective light, motion, color and presentation. Includes photographic demonstrations, portfolio and business strategies.

EVENING CLASSES

3274	LEC	5:50PM - 7:55PM	W	COLE, D	LRC 233

320 WEB DESIGN

(CSU) 3.00 UNITS

Prerequisite: None **Advisory:** MultiMd 100 and 500

An introduction to web page design and site management. The characteristics of web page design and navigation structures are analyzed. Emphasis is on innovative ways by which to conceptualize, design and create interactive websites.

DAY CLASSES

0381	LEC	12:50PM - 2:55PM	W	STAGE, C	LRC 233
AND	LAB	2:55PM - 5:00PM	W	STAGE, C	LRC 233

Directed studies opportunities are available on a contract basis under the supervision of an instructor. Students interested in enrolling in the Directed Courses must contact the Department Chair.

340 VECTOR GRAPHICS**(CSU) 3.00 UNITS****Prerequisite:** None **Advisory:** MultiMd 100 and 500

Use of vector graphics based software to produce illustrations for commercial applications. Emphasis is placed on the fundamental principles such as color, use of layers and typographic skill. Step-by-step demonstrations will lead into more creative projects.

EVENING CLASSES

3257	LEC	5:50PM - 7:55PM	Th	MEASURES, J	LRC 233

GENERAL POLICIES

This schedule is an official publication of Los Angeles Mission College. It sets forth rules and regulations and, in case of conflict with information previously published, supersedes those publications of earlier date.

Mission of Los Angeles Community Colleges

The mission of the Los Angeles Community Colleges is to provide comprehensive lower-division general education, occupational education, transfer education, transitional education, counseling and guidance, community services, and continuing education programs which are appropriate to the communities served and which meet the changing needs of students for academic and occupational preparation, citizenship, and cultural understanding.

IN PURSUIT OF THIS MISSION, WE ENDEAVOR TO:

- Promote equal opportunity for participation;
- Maintain appropriate standards for academic achievement;
- Provide an educational environment which meets the needs of students with varied learning skills;
- Provide support services which contribute to instructional effectiveness and student success;
- Affirm the importance of multi-cultural, international, and intercultural collegiate experiences that foster individual and group understanding; and
- Manage effectively educational and financial resources.

Students' Statements

Falsification of any record or signed statement, or the withholding of information, subjects the student to immediate suspension or expulsion.

Instructional Materials

Students may be required to provide instructional and other materials required for a credit or noncredit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District.

Withdrawal

Students wishing to drop a class or withdraw from the college during the semester may do so easily online through the Student Information System at www.laccd.edu or in person during the Admissions & Records Office hours. Failure to withdraw officially may result in an "F" grade. For the FALL 2013 semester, students must withdraw online on or before November 17, 2013 in order to receive a W. Students in late start, short term, or special program classes must check with the Admissions & Records Office to determine the official drop date. IT IS THE STUDENT'S RESPONSIBILITY TO WITHDRAW OFFICIALLY.

HOW TO DROP CLASSES OR WITHDRAW FROM COLLEGE

1. Dropping classes or withdrawing from the college must be done by the drop date deadline for that class.
2. To drop classes online, have your student identification number ready and go to www.lamission.edu. Click on the upper right corner "Register for Classes," then select registration and select drop. Follow the prompts. Make a note of your confirmation number and check that your class is no longer in your schedule.
3. To drop classes in person, fill out a "Drop Card" and present the form and a picture identification at the Admissions Office. To drop ALL classes (withdrawal) check item number one, the first box, on the drop card. The Admissions staff processes the form and gives you a receipt. Keep your receipt for your records.

4. Fees are not automatically refunded. Fee refunds must be requested from the Business Office if you drop classes or withdraw by the refund deadline for that class. Refund deadlines are earlier for short term classes.

5. Students in short term classes must check withdrawal deadlines with the appropriate program director, the instructor or with the Admissions & Records office.

Withdrawal from Classes

FOR FALL 2013 SEMESTER: No notation ("W" or other) will appear on the student's record if the class is dropped online on or before September 8, 2013.

THROUGH THE 11th WEEK: A notation of "W" (withdrawal) is recorded on the student's record for classes dropped during the 4th through the 11th week of the semester.

AFTER THE 11th WEEK: Students who remain in class beyond the 11th week (or 75% of the class for short term classes) are given a grade by the instructor. THAT GRADE CANNOT BE A "W" (withdrawal).

IMPORTANT - All Students Please Read

Beginning Summer 2012: New 3 Repeat Rule

Effective summer 2012, course withdrawal ("W") or a substandard grade ("D," "F," or "NP") count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

- Students who drop or are excluded after the last day to drop without a grade of "W" will have a "W" appear on their transcript. The "W" will count as an attempt for that course.
- For the Fall semester, November 17, 2013 is the last day to drop a 16-week semester length class without a "W." Students will be able to drop a class online until this date. Contact the office of Admissions and Records for deadlines on late start, short-term and special program classes.
- A course in a student's transcript which currently shows a recorded "W" counts as an attempt for that course.
- Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- For courses specifically designated as "repeatable," students may repeat up to three times. (See Title 5 California Code of Regulations sections 55040, 55041, 58161)
- Where the student's number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

What students should do:

- Be sure you are academically ready for classes you enroll in.
- If you must drop a course, drop before the specified deadline for dropping a class without a grade of "W."

Access to Records

The California Legislature passed S.B. 182 (Stull), which codifies provisions of the Education Code and the Federal statutes implementing the Family Education Rights and Privacy Act of 1974 (Buckley Amendment). This permits students to inspect their personally identifiable records maintained by the college, and permits access to these records only upon the student's request (other than to certain specified categories). Information on these

General Policies

laws and college procedures in implementing them may be obtained from the Associate Dean of Admissions, who serves as the College Records Officer. Copies of pertinent State and Federal legislation are available for inspection.

Los Angeles Mission College considers the following information relating to a student to be directory information: student's name, city of residence, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students who do not wish any or all of the above categories of information to be given out should so indicate on their application at time of enrolling. Students are asked to voluntarily provide their student identification number for this purpose.

Family Educational Rights and Privacy

The Family Educational Rights and Privacy Act (FERPA) affords students the following rights with respect to their educational records:

1. The right to inspect and review the student's education records which includes discipline records, within 45 days from the date the College receives a request for access.
 - Students may submit to the College Admissions Office written requests that identify the specific record(s) they wish to inspect. Within 45 days, the College Admissions Office will make arrangements for access and will notify the student of the time and place where the records may be inspected.
 - Education records are those records that are directly related to students and are maintained by the College. Students may not inspect education records pertaining to parents' financial records and certain confidential letters or recommendations.
2. The right to request an amendment of the student's educational records which the student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights.
 - With the exception of grade grievances which are handled through Administrative Regulation E-55, students may ask the College President, or his/her designee to amend a record that they believe is inaccurate, misleading, or in violation of their privacy rights. A student seeking to amend an educational record should write to the College President and clearly identify the part of the record he/she wants changed and specify why it is inaccurate, misleading, or in violation of his/her privacy rights.
 - If the College President, or his designee, decides not to amend the record as requested by the student, the College, in accordance with section 99.21 of the Code of Federal Regulations and section 76232 of the Education Code, will notify the student of the decision and of his/her right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA and California law authorize disclosures without consent.
 - If a student authorizes the release of his/her education record to a third party, he/she shall provide a dated written consent to the College Admissions Office authorizing said release with a specific list of the information to be released.
 - Federal and California law authorize certain disclosures of personally identifiable information without a student's written consent. One such exception is the disclosure of personally identifiable information to school officials with legitimate educational interests. School officials with legitimate educational interests are employees or agents of the Los Angeles Community

College District who need to review educational records in order to fulfill their professional responsibilities.

4. The right to restrict disclosure of personally identifiable information that the College has designated as directory information which may be released without the written consent of the student.
 - Directory information may be disclosed without a student's consent unless the student has notified the college that he/she does not want all or portions of the directory information released. To do so, the student must submit the appropriate District form to the College Admissions Office requesting that some or all of the categories of directory information not be released without his/her consent. This form must be submitted in accordance with College policy.
 - Pursuant to Board Rule 5201.10, the Los Angeles Community College District has designated the following student information as directory information:
 - (a) the student's name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previous educational agency or institution attended by the student;
 - (b) student employee records may be released in order to comply with collective bargaining agreements;
 - (c) the names, addresses and telephone numbers of students or former students may be released to the foundation for each college for college-related activities at the discretion of the College President, unless the student or former student has informed the College that such information should not be released. The release of this information is conditioned upon the foundation's agreement that such information will be released in accordance with District policy and that information will not be released to third parties;
 - (d) at the discretion of the College President, the names, addresses and telephone numbers of students from the College may be released to heads of private and/or public institutions of higher education, or their designees, for the purpose of providing information to student regarding transfer opportunities to those institutions, unless the student has indicated that such information should not be released. The release of this information will be conditioned upon the institution's agreement that student privacy rights under federal and state law will be protected and that information will not be released to third parties.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue S.W.
Washington, DC 20202-4605

Student Right-to-Know Disclosure

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of Los Angeles Community College District and Los Angeles Mission College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 1996, a cohort of all certificates, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at all California

General Policies

Community Colleges, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 28.2 percent attained a certificate, degree, or became "transfer-prepared" during a three-year period from Fall 1997 to Spring 2000. Students who are transfer-prepared have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 29.8 percent transferred to another post secondary institution (CSU, UC, or another California Community College) prior to attaining a degree, certificate, or becoming transfer-prepared during a five semester period from Spring 1998 to Spring 2000.

Further information about Student Right-To-Know Rates and how they should be interpreted can be found at the California Community Colleges Chancellor's Office Student Right-To-Know Disclosure Website located at <http://srtk.cccco.edu/index.asp>

Student Grievance Procedure

The purpose of the Student Grievance Procedure is to provide a prompt and equitable means for resolving student grievances. The grievance procedure may be initiated by a student or group of students who reasonably believe he/she/they have been subject to unjust action or denied rights that adversely affect his/her/their status, rights, or privileges as a student. It is the responsibility of the student(s) to submit proof of alleged unfair or improper action.

Grievances pertaining to grades are subject to California Education Code Section 76224(a) which states:

"When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final."

This grievance procedure does not apply to the challenge process for prerequisites, corequisites, advisories, and limitations on enrollment; alleged violations of sexual harassment; actions dealing with student discipline; alleged discrimination on the basis of ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability; or an appeal for residency decision; or to eligibility, disqualification, or reinstatement of Financial Aid. Informal resolution is encouraged.

A written Statement of Grievance must be submitted to the Compliance Officer within thirty (30) instructional days of the incident or after the student(s) learns of the basis for the grievance.

Recording Devices in the Classroom

Section 78907 of the California Education Code prohibits the use of any electronic listening or recording device without prior consent of the instructor. Any student violating this section is subject to disciplinary action. Any non-student who willfully violates this section is guilty of a misdemeanor.

Standards of Student Conduct and Disciplinary Action

The Standards of Student Conduct and Disciplinary Action for violation of rules were established by the Board of Trustees of the Los Angeles Community College District on September 2, 1969. A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities

in the classroom and on the campus. As members of the college community, students should be encouraged to develop the capacity for critical judgment, to engage in a sustained and independent search for truth, and to exercise their rights to free inquiry and speech in a responsible, non-violent manner. Students shall respect and obey civil and criminal law and they shall be subject to legal penalties for violation of laws of the city, county, state, and nation. Student conduct in all of the Los Angeles Community Colleges must conform to District and college rules and regulations.

Violations of such rules are subject to the following types of disciplinary actions, which are to be administered by appropriate college authorities against students who stand in violation. Each of the Los Angeles Community Colleges shall establish due process of law for administration of the penalties enumerated here.

Penalties are listed in degree of severity but not as chronological administration. College authorities will determine which type of penalty is appropriate.

1. **WARNING** – Notice to the student that continuation or repetition of specified conduct may be cause for other disciplinary action.
2. **REPRIMAND** – Written reprimand for violation of specified rules. A reprimand serves to place on record that a student's conduct in a specific instance does not meet the standards expected at the college. A person receiving a reprimand is notified that this is a warning that continued conduct of the type described in the reprimand may result in formal action against the student.
3. **DISCIPLINARY PROBATION** – Exclusion from participation in privileges or extra-curricular college activities set forth in the notice of disciplinary probation for a specified period of time. The imposition of disciplinary probation involves notification in writing of the reason for disciplinary probation to the student(s) or president of the student organization involved.
4. **RESTITUTION** – Reimbursement for damage or for misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.
5. **SUMMARY SUSPENSION** – A Summary Suspension is for purposes of investigation. It is a means of relieving the tension of the student body or individual class due to a serious infraction of student behavior standards, removing a threat to the well-being of the students, or removing for the good order of the college a student or students whose presence would prevent the continued normal conduct of the academic community. Summary Suspension is limited to that period of time necessary to insure that the purposes of the Summary Suspension are accomplished, and in any case, no more than a maximum of 10 school days. Summary Suspension is a type of suspension other than that ordinarily invoked by the instructor in the classroom. The College President, appropriate administrator, or other staff member designated by the President may summarily suspend a student when he deems it necessary for the safety and welfare of the college.
6. **DISCIPLINARY SUSPENSION** – Disciplinary Suspension follows a hearing based on due process of law. It shall be invoked by the College President, appropriate administrator, or other staff member designated by the President, upon students for misconduct when other corrective measures have failed or when the seriousness of the situation warrants such action.
7. **EXPULSION** – An expulsion is a long-term or permanent denial of all campus privileges including class attendance. The President of the college and/or the Board of Trustees may expel a student who has been convicted of a crime arising out of a campus disturbance or, after a hearing by a campus body, has been found to have willfully disrupted the orderly operation of the campus. The President shall submit periodic reports on all expulsion cases to the

General Policies

Superintendent and the Board of Trustees.

Violations of the Standards of Student Conduct are as follows:

9803.10 Willful Disobedience: Willful disobedience to directions of college officials acting in the performance of their duties.

9803.11 Violation of College Rules and Regulations: Violation of college rules and regulations, including those concerning student organizations, the use of college facilities, or the time, place, and manner of public expression or distribution of materials.

9803.12 Dishonesty: Dishonesty, such as cheating, or knowingly furnishing false information to colleges.

9803.13 Unauthorized Entry: Unauthorized entry to or use of the college facilities.

9803.14 College Documents: Forgery, alteration, or misuse of college documents, records, or identification.

9803.15 Disruption of Classes or College Activities: Obstruction or disruption of classes, administration, disciplinary procedures, or authorized college activities.

9803.16 Theft of or Damage to Property: Theft of or damage to property belonging to the college, a member of the college community or a campus visitor.

9803.17 Interference with Peace of College: The malicious or willful disturbance of the peace or quiet of any of the Los Angeles Community Colleges by loud or unusual noise, or any threat, challenge to fight, fight, or violation of any rules of conduct as set forth in this Article.

9803.18 Assault or Battery: Assault or battery, abuse, or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.

9803.19 Alcohol and Drugs: Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230; any use of controlled substances the possession of which are prohibited by same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District. "Controlled substance," as used in this section includes, but is not limited to, the following drugs and narcotics:

(a) opiates, opium, and opium derivatives, (b) mescaline, (c) hallucinogenic substances, (d) peyote, (e) marijuana, (f) stimulants and depressants, (g) cocaine.

9803.20 Lethal Weapons: Possession, while on a college campus or at a college-sponsored function, of any object that might be used as a lethal weapon is forbidden by all persons except sworn peace officers, police officers, and other government employees charged with policing responsibilities.

9803.21 Discriminatory Behavior: Behavior while on a college campus or at a college-sponsored function, inconsistent with the District's non-discrimination policy, which requires that all programs and activities of the Los Angeles Community College District be operated in a manner which is free of discrimination on the basis of race, color, natural origin, ancestry, religion, creed, sex, pregnancy, marital status, sexual orientation, age, handicap or veteran status.

9803.22 Unlawful Assembly: Any assemblage of two or more persons to (1) do an unlawful act, or (2) do a lawful act in a violent, boisterous or tumultuous manner.

9803.23 Conspiring to Perform Illegal Acts: Any agreement between two or more persons to perform an illegal act.

9803.24 Threatening Behavior: A direct or implied expression of intent to inflict physical or mental/emotional harm and/or actions (such as stalking) which a reasonable person would perceive as a threat to personal safety or property. Threats may include verbal statement, written statements, telephone threats or physical threats.

9803.25 Disorderly Conduct: Conduct that may be considered disorderly includes lewd or indecent attire, behavior that disrupts classes or college activities, breach of the peace of the college, aiding or inciting other persons to breach the peace of college premises or functions.

9803.26 Theft or Abuse of Computer Resources: Theft or Abuse of Computer Resources including but not limited to the following:

- a. Unauthorized entry into a file to use, read, or change the contents, or for any other purpose.
- b. Unauthorized transfer of a file.
- c. Unauthorized use of another individual's identification or password.
- d. Use of computing facilities to interfere with the work of a student, faculty member or college official, or to alter college or district records.
- e. Use of unlicensed software
- f. Unauthorized copying of software
- g. Use of computing facilities to access, send or engage in messages which are obscene, threatening, defamatory, present a clear and present danger, violate a lawful regulation and/or substantially disrupt the orderly operation of a college campus.
- h. Use of computing facilities to interfere with the regular operation of the college or District computing system.

9804 Interference with Classes: Every person who, by physical force, willfully obstructs, or attempts to obstruct, any student or teacher seeking to attend or instruct classes at any of the campuses or facilities owned, controlled or administered by the Board of Trustees of the Los Angeles Community College District, is punishable by a fine not exceeding five hundred dollars (\$500) or imprisonment in a county jail not exceeding one year, or by both such fine and imprisonment.

9805 Interference with Performance of Duties of Employees: Action to cause, or attempt to cause, any employee of the District to do, or refrain from doing, any act in the performance of his or her duties by means of a threat to inflict any injury upon any person or property.

9805.10 Assault or Abuse of an Instructor: Assault or abuse of any instructor employed by the District in the presence or hearing of a community college student, or in the presence of other community college personnel or students, and at a place which is on District premises or public sidewalks, streets, or other public ways adjacent to school premises, or at some other place where the instructor is required to be in connection with assigned college activities.

9806 Unsafe Conduct: Conduct which poses a threat of harm to the individual and/or to others. This includes, but is not limited to, the following types of conduct: Unsafe conduct in connection with a Health Services Program (e.g., Nursing, Dental Hygiene, etc.); failure to follow safety direction of District and/or college staff; willful disregard of safety rules as adopted by the District and/or college; negligent behavior which creates an unsafe environment.

Policy on Illegal File Sharing

Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students to civil and criminal liability. Civil liability for copyright infringement may include payment of monetary damages to the copyright owner. Criminal penalties for copyright infringement may include fines up to \$250,000 and imprisonment up to ten years. Students who violate the District's computing facilities usage policy (LACCD Administrative Regulation B-28) may also be subject to college disciplinary action, including, but not limited to, suspension or expulsion.

General Policies

Non-Discrimination Policy

All programs and activities of the Los Angeles Community College District shall be operated in a manner which is free of discrimination on the basis of ethnic groups identification, race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, physical or mental disability (including AIDS) or veteran status (Reference: Board Rule 1202).

Política No Discriminatoria

Todos los programas y actividades de los colegios de la comunidad de Los Angeles se administrarán de una manera que no discrimine respecto a la identidad de grupos étnicos, raza, color, nacionalidad, origen, ascendencia, religión, credo, sexo, embarazo, estado civil, condición médica (relacionada con cáncer), preferencia sexual, edad, incapacidad mental o física (incluyendo SIDA) o el ser veterano.

Compliance Procedure

In order to insure nondiscrimination policy compliance at Los Angeles Mission College, please direct inquiries to the President of the college, Dr. Monte E. Perez, 818.364.7795. Matters involving Section 504 may be directed to the Coordinator of Disabled Student's Program at 818.364.7734. In addition, inquiries may be directed to the District Office of Diversity Programs at 213.891.2315.

Proceso de arbitraje

Para cumplir con la póliza no discriminatoria en Los Angeles Mission College, dirija sus preguntas a la oficina del Presidente, el Dr. Monte E. Perez, 818.364.7734. Para asuntos sobre la sección 504, favor de dirigirse al Coordinador de estudiantes incapacitados, 818.364.7734, además puede dirigir sus preguntas a la oficina "Diversity Programs," 213.891.2315.

Compliance Officer

If students feel they have grounds for a grievance, they may contact the college President, who will help explain college rules and regulations, and, if a problem is resolvable, suggest the best method for resolving the problem. For additional information and a copy of Administrative Regulation E-55 (Student Grievance Procedures), see the college president, Dr. Monte E. Perez.

Oficial de arbitraje

Si un estudiante cree que tiene motivos para formular una acusación, puede comunicarse con el presidente del College que le ayudara dándole una explicación de las reglas y procedimientos de la institución. Si el problema puede ser resuelto, le dara una sugerencia de cual es la mejor manera de resolverlo. Para obtener información adicional y para conseguir la formula E55 de las regulaciones administrativas (student grievance procedure), por favor comunicarse con el Dr. Monte E. Perez.

Sexual Assault Policy

The Los Angeles Community College District is committed to providing a safe environment for students, visitors, and staff. Any incident of sexual assault should be immediately reported to campus police at 818.364.7843. The term "sexual assault" under the California Education Code, Section 67385(d), includes threats of sexual violence.

Anyone charged with campus-related sexual assault may be subject to prosecution under appropriate California criminal statutes; students may also be subject to discipline under the Student Disciplinary Procedures. The Sexual Harassment Policy may also apply, and the Compliance Officer may be contacted at 818.364.7701. Confidentiality shall be maintained (Reference: Board Rule 16400.11).

Política de abuso sexual

El "Community College District," se compromete a proveer un ambiente seguro a los estudiantes, visitantes y personal. Cualquier incidente de abuso sexual debe ser reportado de inmediato al departamento de policía del Colegio al 818.364.7843. La palabra "abuso sexual," que se encuentra registrada bajo el código de educación de California en la sección 67385(d), incluye amenazas de violencia sexual. Cualquier persona acusada de abuso sexual en el Colegio puede ser sujeto a penalización bajo las leyes de California. Los estudiantes también pueden ser sujetos a disciplina bajo los procedimientos disciplinarios para estudiantes. La política de acoso sexual puede ser aplicada y se puede comunicar al oficial de arbitraje al número de teléfono 818.364.7701. Esta información se mantendrá confidencial.

Sexual Harassment Policy

The policy of the Los Angeles Community College District is to provide an educational, employment and business environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in the policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion or termination of contract. The specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies are incorporated in the Board Rules in Chapter 15.

The Los Angeles Community College District has a policy which provides informal and formal procedures for resolving complaints. Copies of the policy and procedures may be obtained from the Compliance Officer located in the Administration Building, Room 123, 818.364.7701, or by calling the Senior Director of Educational and Student Support Services at 213.891.2279, or the Office of Diversity Programs at 213.891.2315. Any member of the College Community, which includes students, faculty, and staff, who believes, perceives, or actually experienced conduct that may constitute sexual harassment, has the right to seek the help of the College. Every employee has the responsibility to report such conduct when it is directed toward students to the Sexual Harassment Compliance Officer. Potential complainants are advised that administrative and civil law remedies, including but not limited to injunctions, restraining orders or other orders may be made available.

Política de acoso sexual

La política de "Los Angeles Community College District", es proveer un ambiente educativo, de empleo y de trabajo excepto de avances sexuales, solicitud de favores sexuales o cualquier otra conducta inapropiada física o verbal o comunicación que envuelva acoso sexual. Los empleados, estudiantes u otras personas que representen el Distrito y que acosen a alguien sexualmente pueden ser de acuerdo a la política de discriminación sexual o del Estado

General Policies

o la ley federal sujetos a disciplina que puede incluir: despido, expulsión o finalización del contrato.

Las reglas y procedimientos específicos para reportar acusaciones de acoso sexual que buscan una solución, se encuentran en el libro "Board of Rules" en el capítulo quince.

"Los Angeles Community College District," tiene una política que provee procedimientos formales e informales para resolver quejas. Copias de esta política y sus procedimientos pueden obtenerse del oficial de arbitraje en el edificio de la administración (Administration Building), oficina 123, o puede llamar al teléfono 818.364.7701, también puede comunicarse con el "Senior Director" de educación y apoyo a los servicios del estudiante (Educational and Student Support Services) al teléfono 213.891.2279 o a la oficina de diversificación de programas (Diversity Programs) al teléfono 213.891.2315. Cualquier miembro del "Community College" y que incluye: estudiantes, profesorado y personal y que cree, percibe o en realidad experimenta un comportamiento que pudiera significar acoso sexual, tiene el derecho de pedir ayuda del College. Todo empleado tiene la responsabilidad de reportar tal conducta cuando envuelve al estudiante al oficial de arbitraje. Se les informa a los posibles denunciantes que soluciones por la ley civil y administrativas y que incluyen pero no se limitan a interdictos judiciales, ordenes de restricción u otras ordenes pueden estar disponibles.

Diversity Program

The policy of the Los Angeles Community College District is to implement equal opportunity to all qualified employees and applicants for employment without regard to race, color, national origin, ancestry, religion, creed, sex, pregnancy, age, disability, marital status, medical condition (cancer related), sexual orientation, or veteran status. Positive action will be taken to ensure that this policy is followed in all personnel practices, including recruitment, hiring, placement, upgrading, transfer, demotion, treatment during employment, rate of pay or other forms of compensation, selection for training, layoff, or termination. Inquiries regarding equal opportunity practices at Los Angeles Mission College should be directed to the college Compliance Officer located in the Campus Center, 818.364.7701.

Drug-Free Environment

Los Angeles Mission College adheres to, supports, and is in full compliance with requirements that maintain our college as a drug-free institution of higher education.

On September 5, 1990, the Board of Trustees adopted the following standards of conduct:

- Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the Los Angeles Community College District.

On April 20, 1989, the Los Angeles Community College District Board of Trustees adopted Rule 9803.19, which prohibits:

- Alcohol and Drugs. Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances, the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the

District. "Controlled substances," as used in this section, include, but are not limited to, the following drugs and narcotics:

- a. opiates, opium and opium derivatives
- b. mescaline
- c. hallucinogenic substances
- d. peyote
- e. marijuana stimulants
- f. depressants and
- g. cocaine.

The Board's policy on the Drug Free Workplace, adopted March 22, 1989, restates these prohibitions.

- Legal Sanctions. Federal laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of driver's license and limitations of career choices.

- Health Risks. Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability, and death. Both drugs and alcohol may be damaging to the development of an unborn fetus.

- Other Risks. Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include loss of friends, academic standing, co- and extra-curricular opportunities, alienation from and abuse of family members, and chronic conflict with authority. Economic problems include loss of job, financial aid eligibility, homes, savings, and other assets.

Additionally, on June 28, 2000, the Board of Trustees adopted Rules 9803.24 Threatening Behavior, 9803.25 Disorderly Conduct, 9803.26 Theft or Abuse of Computer, and 9806 Unsafe Conduct.

Each are fully described in Standards of Student Conduct.

Smoking Policy

In accordance with Board Rule 9804, smoking is permitted in designated areas only. A student who violates the rules is subject to the student disciplinary regulations.

Student Health Fee Information

The Los Angeles Community College Board of Trustees at its April 29, 1992 meeting modified Board rule 8502, thus making the \$11 Health Services fee a **mandatory** fee for all students enrolled in credit classes.

The Los Angeles Community College District policy exempts the following students from paying the student health fee: (a) students who depend exclusively on prayer for healing in accordance with the teaching of a bona fide religious sect, (b) students who are attending classes under an approved apprenticeship training program, (c) non-credit education students, (d) students enrolled in District colleges exclusively at sites where student health services are not provided, (e) students who are enrolled in District colleges exclusively through Instructional Television or distance education classes, (f) students who are enrolled in District colleges exclusively through contract education. Students exempted under the provisions of (a), (b) and (c) above are eligible to receive the services of the college health program; all other exempted students are not eligible to receive the services of the college health program.

Your registration fee receipt, or your current Student ID must be presented to receive services.

Viewing Your Records

Under the provisions of the Family Education Rights and Privacy Act of 1974 students may see their records by making an appointment with a counselor for this purpose.

Emergency Information

Fire

1. If you smell smoke or see fire, activate the nearest fire alarm pull box. Call the campus sheriff, extension 7845 or 7843 (outside telephone 818.833.3504). If you are unable to contact the sheriff, call 911.

2. When you hear the fire alarm, proceed in an orderly fashion to the designated building evacuation assembly area. The last person to leave the room should close the door.

3. At the assembly area, wait for further instructions from a faculty member or administrator.

Earthquake

1. At first sign of shaking, get away from any potential falling objects. Try to get under a table or desk.

2. Do not run outside. If you are in a multistory building, do not use the elevator.

3. If you are aware of any gas lines or heaters in the area, attempt to shut off the gas line or heater.

4. Wait for a faculty member or administrator to give further instructions.

Power Outage

1. Try to stay where you are and do not attempt to restore power.

2. Notify plant facilities, extension 7801 (outside telephone 818.364.7801).

3. Wait for the power to come back on or for information/instruction from plant facilities or an administrator to ascertain the probably length of the outage and to be advised of what to do next.

Evacuation

1. If you hear the alarm, proceed in an orderly fashion to the nearest exit and assemble at the designated building evacuation assembly area.

2. If you are in a multistory building, do not use the elevator.

3. At the assembly area, wait for further instructions from a faculty member or administrator.

Other Emergencies

1. In the case of other emergencies, you will be given instructions from a faculty member or administrator on what to do.

2. Please remain calm and follow instructions.

LACCD Student Identification Number & Card

To comply with federal privacy requirements, Los Angeles Mission College and the Los Angeles Community College District has discontinued use of the Social Security Number as the student's identification number. Instead, a new Student Identification Number will be issued for each student. The college can only release this number to the student. The new nine-digit number is randomly generated, but each will begin with the digits "88." Students will use the same Identification Number in all nine colleges of the District.

Your first Student ID Card is free. Go to either admissions or the business office to obtain yours. Student Identification cards are only issued for the current semester. All current semester fees must be paid in full to receive a student identification card. You will need to present your student registration/receipt for the current semester and also a second form of picture Identification such as a California ID or a high school picture ID.

Check www.lamission.edu for current office hours of either the Business Office or Admissions and Records.

Where to use your new student ID card:

A valid student ID card is required to access student services in the following areas:

- Library
- Student Store/Bookstore
- Financial Aid
- Health Center
- Computer Labs
- Health & Fitness Center

IGETC - What is the Intersegmental General Education Transfer Curriculum?

The *Intersegmental General Education Transfer Curriculum* (IGETC) is a general education program that community college prospective transfer students may complete to satisfy the lower division general education requirements for either the UC (University of California) or CSU (California State University) system without the need to take additional lower-division general education courses after transfer.

All IGETC coursework must be completed with a "C" or better. Courses in which a student receives a "pass" grade may be used if the community college's policy states that a "pass" is equivalent to a "C" grade (2.0) or better. The UC system allows a maximum of 14 semester units (of the 60 required, transferable units) on a Pass/No Pass basis. There is no CSU system-wide policy on limitations for a "pass" grade, therefore each CSU campus has its own established policy (please check with your CSU campus of choice). Courses may only be used once to satisfy one IGETC subject area (even if listed under multiple areas), however, courses may be used to satisfy IGETC general education areas AND major preparation requirements. Major preparation requirements can be accessed at www.assist.org, the official source for California articulation and student transfer information.

The IGETC is NOT an admission requirement to the UC or CSU system. There is no connection between completion of the IGETC and eligibility for admission to the UC or CSU system, or admission to a specific campus or program. Existing segmental and campus-specific admission requirements for transfer students remain unchanged. Requirements for lower-division courses for admission to particular majors also remain unchanged. The IGETC plan will total approximately 34-37 transferable units. A recommended total minimum of 60 units must be completed prior to transfer.

If you are approaching readiness for transfer and are unable to complete one or two IGETC courses, you may be eligible for partial certification (and complete IGETC after transferring). "Certification" means that LAMC has verified that a student has completed the lower division General Education requirements listed in each area of

the IGETC. Certification does not guarantee admission or admission eligibility. ***Certification is not required and is not automatic; it must be requested by the student at the time the final official transcript is sent.*** A student may only be granted IGETC certification once (either partial or complete) prior to their first semester at the 4-year university. Students receiving partial certification must ensure that admission criteria for the university has been met (IGETC areas I and II). Students may complete the necessary coursework at the transfer institution and may NOT return to the Community College for complete certification if partial certification was granted. Without certification, the student will be held to the specific general education requirements of the university campus of choice. Please note, the UC Berkeley, College of Letters and Science does not accept partial Certification.

Courses taken at several institutions may be used to fulfill the IGETC. Students should be aware, that placement of courses within IGETC subject areas may vary from college to college. Placement of a course will be based on the college of attendance and its IGETC pattern at the time the course was completed. Completion of the IGETC program may be certified by the last community college, which the student attends. Foreign coursework (from non-U.S. regionally accredited institutions) may not be used on the IGETC.

It is NOT advisable for ALL students to follow the IGETC. Some students may be better served by taking courses that fulfill the CSU General Education Breadth requirements or the general education pattern of the UC or CSU campus or college to which they plan to transfer. Students pursuing majors that require extensive lower division major preparation, (such as Engineering on all campuses or Business at UC Berkeley) may not find the IGETC option to be advantageous. *The Eleanor Roosevelt College and Revelle College of UC San Diego do not accept IGETC.* Additional lower-division general education requirements may be needed prior to transfer. **The IGETC will be most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus.**

CSU ADVISING FORM

IMPORTANT INFORMATION: Courses on this list are approved for a specific academic year, which begins with the Fall 2012 semester and remains valid through Summer 2013.

The general education courses listed for the CSU system are specified within subject areas that satisfy lower division general education requirements for the CSU campuses. Students wishing to use a course to fulfill a CSU General Education (GE) requirement must be sure that the course is approved for the academic year in which it is taken. The CSU general education form changes each year. It is advised that students meet with a counselor regularly to review any changes. A course must be on the CSU GE Breadth during the term in which it is taken. If a course is taken before it is approved for inclusion, or after it is removed from the list, it cannot be used to meet the area requirement.

CSU GE Breadth Certification is available to community college transfer students who satisfy the general education requirements in each area. "Certification" means that LAMC has verified that a student has completed the lower division General Education requirements listed in each area of the CSU GE Breadth. Certification does not guarantee admission or admission eligibility. Students with full CSU GE Certification will only be responsible for an additional 9 semester units of upper division general education at the CSU campus. **CSU Certification is not required and is not automatic; it must be requested by the student at the time the final official transcript is sent.** Without certification, the student will be held to the specific general education requirements of the CSU campus of choice.

Students who have taken courses at other colleges can have these courses "passed along" in the certification process. Los Angeles Mission College will certify courses taken at other California Community Colleges in the areas designated by the offering college. Courses taken at California four-year colleges, or accredited out-of-

state two-year, or four-year colleges, may be used for certification – please consult a counselor for detailed information. Courses from foreign institutions cannot be used in the certification process. Students requesting CSU GE "pass along" certification must meet with a counselor.

ADDITIONAL INFORMATION

1. A course cannot satisfy more than one General Education area requirement (even if listed under multiple areas).
2. Courses used to satisfy General Education requirements may also satisfy Major Preparation requirements.
3. LAMC recommends that students complete as much of the lower division requirements as possible for the major before transfer. Major preparation requirements can be accessed at www.assist.org, the official source for California articulation and student transfer information. Completion of these requirements may not guarantee admission into the major, but can increase the student's chances for acceptance. Other lower division courses that are not offered at LAMC may be required for the major after transfer.
4. Students who transfer to CSU may also complete an Associate degree by completing courses in the major (please see a counselor for major-specific information), a Health and a P.E. course to satisfy the General Education requirements for the Associate degree, along with a total of 60 transferable units completed.
5. Completion of the General Education requirements will not guarantee admission into a university but can increase the student's chances for acceptance.
6. Coursework in areas A1, A2, A3 and B4 must be completed with a "C" or better to meet admissions eligibility to a CSU campus.
7. All coursework must have a cumulative GPA of 2.0 ("C") or better.
8. This advising form may not be the best general education preparation pathway for ALL majors (such as Engineering, Computer Science and Liberal Studies – Teacher Prep). Please consult with a counselor to determine the best plan to meet your educational goals.

Financial Aid & Scholarships

Do you need assistance paying your enrollment fees?

The Board of Governors Fee Waiver Program (commonly referred to as BOG) is a California state program that waives enrollment fees. This waiver does not have to be repaid.

Eligibility: Students must be either residents of California or qualifying under AB540 for an exemption to paying California Nonresident Tuition, AND enrolled at Los Angeles Mission College in at least one (1) unit. Fees for audited classes, though, cannot be waived through the BOG.

There are three ways to qualify for the Fee Waiver:

Method A: You (or your parents, if you are considered a Dependent student when completing the BOG Fee Waiver application) are a recipient of benefits under the TANF/CalWORKs Program, SSI (Supplemental Security Income), or General Assistance (also known as General Relief). You can also qualify for Method A if you meet one of the following criteria: you have certification from the California Department of Veterans Affairs or the National Guard Adjutant General that you are eligible for a Dependent's Fee Waiver, you are a recipient of the Congressional Medal of Honor (or are a child of a recipient), you are a dependent of a victim of the September 11, 2001 terrorist attack, or you are a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty.

Method B: You (or your parents) meet the income standards as indicated below:

BOARD OF GOVERNORS FEE WAIVER PROGRAM (BOG-B) 2013-2014 INCOME STANDARDS

Number in Household (Including Yourself)	Total 2012 Family Income (Adjusted Gross Income and/or Untaxed Income)
1	\$16,755
2	\$22,695
3	\$28,635
4	\$34,575
Each additional	Add \$5,940

Method C: If you do not qualify based on Method A or Method B, you may be eligible for the BOG fee waiver through Method C. For eligible California residents, you must complete the Free Application for Federal Student Aid (FAFSA) available at www.fafsa.gov. For students qualifying under AB540 for an exemption to paying California Nonresident Tuition who do not possess a permanent Social Security number, you must complete the California Dream Act Application available at www.caldreamact.org. With this method, you may be eligible by demonstrating a minimal level of financial need as determined by the College and the California Community Colleges Chancellor's Office. Our Federal School Code (used on both the FAFSA and California Dream Act Application) is 012550.

How to apply: To qualify for Method A you must complete the Board of Governors (BOG) Fee Waiver Application. To qualify for Method B you can complete the BOG Fee Waiver Application or FAFSA/California Dream Act Application. You can pick up the BOG application at the Financial Aid & Scholarships Office or you may download it from the web at www.lamission.edu/financialaid by selecting the "Apply for a Fee Waiver" link on the left side.

Do you know that you may request for a refund of your enrollment fees? If you have already paid your enrollment fees for Summer 2013, Fall 2013, Winter 2014 and/or Spring 2014, AND you are eligible for a BOG fee waiver, contact the campus Business Office regarding a refund.

Getting a college education is an investment in your future! We want your educational experience at Los Angeles Mission College to be challenging, rewarding and supportive; therefore, we are pleased to provide you with the information and tools to assist you

in completing your educational goals. Read through the information below about the financial aid process, and check out the links to our website and other websites to find updates and new information to assist you.

What is Financial Aid?

Financial Aid is funding provided by the federal and state governments, the college, and private entities, to assist students with their educational expenses and is available in the form of grants, scholarships, employment and loans. Financial aid is meant to supplement the family's existing resources in funding the costs of a college education.

How to Apply for Financial Aid:

Eligible students who are U.S. citizens and eligible non-citizens should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. The FAFSA is used to determine eligibility for federal and state financial aid, including grants, work-study, and loans. Students qualifying under AB540 for an exemption to paying California Nonresident Tuition who do not possess permanent Social Security numbers can apply for state financial aid (Cal Grants and the Board of Governor's (BOG) Fee Waiver) through the California Dream Act Application available online at www.caldreamact.org.

Both the FAFSA and California Dream Act Application are available annually, starting January 1st, for the following academic year. We encourage students to apply early, as some financial aid sources are limited and awarded to students who apply early and have financial need. To have your FAFSA or California Dream Act Application information sent to Los Angeles Mission College, make sure to use our Federal School Code: 012550.

To apply for scholarships through the Financial Aid Office at Los Angeles Mission College, check out our website at www.lamission.edu/financialaid and select the "Scholarships" link on the left.

When Do I Apply?

You need to apply for financial aid every year. The FAFSA and California Dream Act Application are available starting January 1st of each year for the following academic year. We encourage students to apply early, as some financial aid sources are limited and awarded to students who apply early and have financial need.

Key Dates

- **January 1** – FAFSA application available online at www.fafsa.gov for the following academic year. Also, the California Dream Act Application is available online at www.caldreamact.org.
- **March 2** – Application deadline for Cal Grant consideration.
- **May 1** – L.A. Mission College "Priority" deadline. Submit your FAFSA and any follow-up documents and items by this date for maximum financial aid consideration.
- **September 2** – Extended Cal Grant B "competitive" awards deadline for eligible community college students only.

FINANCIAL AID NEWS

There are a number of changes in federal and state aid eligibility that took effect in the prior academic year. In particular:

1. The federal government has instituted a "6 year" limit on Pell Grant eligibility. This will limit ALL STUDENTS, including students who have already received Pell Grants at any college or university, to no more than 6 full-time academic years of Pell Grant eligibility (based on 2 full-time semesters per academic year). Students can check their eligibility at the U.S. Department of Education's National Student Loan Data System (NSLDS) website at www.nsls.ed.gov
2. The "minimum need" for Board of Governors (BOG) fee waiver eligibility has been adjusted. In prior years, a student applying for the BOG fee waiver through the FAFSA would only need \$1 or more of "financial need" to qualify for BOG (type C). For the 2013-2014 academic year, the California Community Colleges Chancellor's Office (CCCCO) will determine a "minimum need" based on the value of a full-time BOG fee waiver award. Based on the \$46/unit Enrollment Fee for 2013-2014, and assuming full-time enrollment of 24 units for an academic year, the "minimum need" amount would be \$1104. We anticipate this will only affect a small portion of students, most of whom are not eligible for federal or state grant aid.
3. The federal government has removed the Ability to Benefit (ATB) option for students who do not have a high school diploma or GED. In past years a student could take an ATB test (or pass 6+ degree applicable units) and meet the "high school diploma/GED" standard for financial aid eligibility. As of July 1, 2012, students who have not started enrollment in college AND who are not high school graduates or possess a GED will NOT be eligible for financial aid (except for the BOG program).
4. Starting with the Spring 2013 semester at L.A. Mission College: Students qualifying under AB540 for an exemption to paying California Nonresident Tuition may be eligible for the Board of Governors (BOG) Fee Waiver. Also, for the 2013-2014 academic year, students in this cohort may also qualify for Entitlement Cal Grants.

California Nonresident Tuition Exemption Request

CALIFORNIA NONRESIDENT TUITION EXEMPTION

Complete and sign the form to request an exemption from Nonresident Tuition. You must submit any documentation required by the College or University (for example, proof of high school attendance in California). Contact the California Community College, University of California or California State University campus where you intend to enroll (or are enrolled) for instructions on documentation, additional procedures and applicable deadlines.

ELIGIBILITY:

I, the undersigned, am applying for a California Nonresident Tuition Exemption for eligible California high school graduates

at (specify college or university) _____ and I declare the following:

Check YES or NO boxes:

YES NO I have graduated from a California high school or have attained the equivalent thereof, such as a High School Equivalency Certificate, issued by the California State GED Office or a Certificate of Proficiency, resulting from the California High School Proficiency Examination.

YES NO I have attended high school in California for three or more years.

Provide information on all school(s) you attended in grades 9-12:

SCHOOL	CITY	STATE	DATES	
			FROM - Month/Year	TO - Month/Year

Documentation of high school attendance and graduation (or its equivalent) is required by the University of California, the California State University and some California Community Colleges. Follow campus directions.

Check the box that applies to you (check only one box):

I am a non-immigrant alien as defined by federal law (including, but not limited to, a foreign student [F visa] or exchange visitor [J visa]).

I am NOT a non-immigrant alien (including, but not limited to, a U.S. citizen, permanent resident, or an alien without lawful immigration status).

AFFIDAVIT:

I, the undersigned, declare under penalty of perjury under the laws of the State of California that information I have provided on this form is true and accurate. I understand that this information will be used to determine my eligibility for the nonresident tuition exemption for eligible California high school graduates. I hereby declare that, if I am an alien without lawful immigration status, I have filed an application to legalize my immigration status or will file an application as soon as I am eligible to do so. I further understand that if any of the above information is untrue, I will be liable for payment of all nonresident charges from which I was exempted and may be subject to disciplinary action by the College or University.

NOTES:

Final Exam Schedule FALL 2013

Monday, December 9 to Saturday, December 14

HOW TO FIND WHEN YOUR FINAL EXAM WILL BE HELD:

1. At the top of the chart below, find the day(s) that your class is held.
2. At the left of the chart below, find the start time of your class.
3. Your exam day and time is at the intersection of the day(s) of your class and the start time of your class.
4. Check the Exceptions section below the chart to see if any of the exceptions apply to you.

Example:

- If your class meets Mondays only at 4:35pm, then your final exam will be held on Mon, Dec 9 from 5:30-7:30pm.
- If your class meets Tu & Th at 10:35am, then your final exam will be held on Th, Dec 12 from 10am-12pm.

Exceptions:

1. All classes that meet more than twice a week (MTWTh) should follow the Mon & Wed exam schedule.
2. Final exam for short-term classes ending at the end of semester will follow the same exam schedule as full-term classes.
Short-term classes ending before the end of the semester will have their finals on the last day of class.

NOTE:

- Every instructor is required to give a final examination following the schedule above.
- Final exams are scheduled for two hours.
- Final exams will be held in the regularly scheduled classroom.
- If students indicate that a conflict is occurring, instructors are advised to contact their supervising dean immediately.
- Any change from this schedule must be approved by the Office of Academic Affairs.
- Any questions regarding this schedule should be directed to Academic Affairs.
