

What Can I Do With a Major in... **Health Care Administration**

What is health care administration?

Health Care Administration programs are designed to teach people to administer some aspect of the health care delivery system. They are designed to prepare people to manage health service facilities, from large medical centers and hospitals to small nursing homes and retirement facilities.

Potential Employers:

- ❖ Health insurance companies
- ❖ Health service facilities
- ❖ Medical centers
- ❖ Hospitals
- ❖ Nursing homes
- ❖ Retirement facilities
- ❖ Government agencies (public health services)
- ❖ Clinics

Possible Job Titles:

- ❖ Health service administrators
- ❖ Nursing directors
- ❖ Patient account representatives
- ❖ Policy analyst

- ❖ Social and community service managers
- ❖ Management analyst
- ❖ Health insurance specialist

How This Major Helps You Move Forward:

Skills I've learned in this major:

- ❖ Conceptual and technical knowledge and skills relevant to successful health administration practice
- ❖ Mastery of the analytical, written and oral communication and interpersonal skills required for successful practice
- ❖ Recognize how interdisciplinary teams and organizational partnerships can enhance effectiveness in the healthcare industry
