

BIO SCHOLAR'S SUCCESS STORY

"Shoreh and Gavin are the most patient people to give me a clear understanding of the subject. It was an honor to be part of the Summer and Fall Math Academy. My next math course will be Math 265. I will use the skills and techniques learned in the academy to pass my course. Thanks again for the opportunity to be able to be part of Bio Scholars."

JOSLYN MEDINA

BIOLOGY MAJOR

*(SHE ATTENDED THE SUMMER MATH
ACADEMY 2020 & ATTENDED THE
WORKSHOPS IN FALL 2020)*
