Dear LAMC Community:

The holiday luncheon was festive and a lot of fun. The food was delicious, raffle great, ugly sweater contest a laughing fest, and the Karoke was the icing on the cake. Thanks for those who worked so hard to make this a special occasion.

I wanted to make sure you all knew that the College hired Carlos Gonzalez as the Dean of Student Success. He will be coordinating and collaborating with faculty and staff on the LAMC’s Student Success Support Program. This program requires students to be assessed, attend orientation and acquire an Education Plan in order for them to obtain priority registration.

Carlos will be collaborating with Basic Skills, Achieving the Dream, Student Equity, and STEM programs. Let’s support his efforts. As you know he is a LAMC alumni.

Finally, I am resending the application form to become a member of the President’s Circle. The last form I sent had some technical glitches as a PDF. Remember, the President’s Circle supports scholarships for LAMC students. We plan to have some exciting events in the spring that will highlight the members and those interested in becoming members.

Have a great weekend.

Monte E. Perez, PhD
President
