2014-2015 Review For: Exploration (OpenForAssessment)

Student Service Area Outcomes

1) Student Service Area Outcome (SAO)
   (Define a measurable outcome; begin each outcome with a Bloom's Taxonomy Verb)

2) Related Institutional Learning Outcomes (ILOs)
   (SAOs should be in alignment with ILOs. ILO Descriptions should be selected.)

3) Contribution of SAO to Student Learning
   (Identify how this SAO contributes to student learning, including institutional learning outcomes)

4) Assessment Method and Measurement Criteria
   (Identify methods, instruments, materials for this outcome)

5) Results of Analysis and Suggestions for Improvement
   (Summarize the results of the collected and analyzed data)

6) Implementation Plan / Response Plan
   (Define processes and strategies to improve future performance)

Assessment Dates
- Assessment Date: NA
- Next Assessment Date: NA

Year: 2014
1) Outcome: Test
2) Related ILO: 1) Written and Oral Communication
3) Contribution of SAO to Student Learning: test
4) Assessment Method: test
5) Results: test
6) Implementation Plan: test
7) Re-Evaluation:
   - Assessment Date: Fall 2013
   - Next Assessment Date: NA
