

Los Angeles Mission College

Personnel Management 33

Article Assignment

You are responsible for searching one article that is related to personnel management or human resource management. The article needs to have the following:

1. Be a recent or current article
2. Be related to the subject matter of personnel management or human resource management

Your Responsibility

Read the article and familiarize yourself with the issue in the article. You will need to discuss the article in front of the class and start a discussion among your class members.

Presentation Instructions

1. You have 3-6 minutes to present the issue addressed in the article.
2. The presentation should be informal and brief.
3. On the day of your presentation bring copies of the article for everybody in the class.
4. Allow discussion after you debrief.

Remember, the purpose of this is to inform and to discuss!

Your debrief/presentation Date
