ASSOCIATE DEGREE – GENERAL EDUCATION REQUIREMENTS

PLAN B (2010-2011)

Associate in Arts/Associate in Science Degree Requirements

Los Angeles Mission College offers three types of associate (AA) degrees:

- Plan A designated majors,
- Plan B designated majors, and
- Broad AA Degree in General Studies (non-transfer) or Liberal Arts (for transfer)

Each of these degree options must satisfy the following requirements:

1. Students must complete a minimum of 60 semester units.
2. Students must complete all work with a cumulative grade point average of 2.0 (“C”).
3. Students must demonstrate competency in English and Mathematics (see reverse side for more information).
4. Students must complete at least 12 units at Los Angeles Mission College and be in attendance at the college during the semester in which graduation requirements are completed.

Continuing students with uninterrupted attendance and demonstrating satisfactory progress, exclusive of Summer and Winter sessions, should refer to the graduation requirements listed in the catalog in effect at the time of their initial enrollment. A continuing student is one who has completed a minimum of one course per calendar year; completion with a "W" will be accepted for one semester only. Students who interrupt their attendance (and lose catalog rights) become subject to any new requirements that are in effect at the time of re-enrollment.

Please consult with a counselor to keep informed of the latest changes in graduation and transfer requirements.
