Los Angeles Mission College Associate in Arts/Associate in Science Degree Requirements

Los Angeles Mission College offers three types of associate (AA) degrees:

- ✓ Plan A designated majors,
- ✓ Plan B designated majors, and
- ✓ Transfer AA Degree in Liberal Arts or Interdisciplinary Studies

Each of these degree options must satisfy the following requirements:

1. Students must complete a minimum of 60 semester units.
2. Students must complete all work with a cumulative grade point average of 2.0 ("C").
3. Students must demonstrate competency in English and Mathematics.
4. Students must complete at least 12 units at Los Angeles Mission College and be in attendance at the college during the semester in which graduation requirements are completed.

Continuing students with uninterrupted attendance and demonstrating satisfactory progress, exclusive of summer sessions, should refer to the graduation requirements listed in the catalog in effect at the time of their initial enrollment. A continuing student is one who has completed a minimum of one course per calendar year; completion with a "W" will be accepted for one semester only. Students who interrupt their attendance become subject to any new requirements that are in effect at the time of re-enrollment.

Associate Degree Plan A Designated Majors	Associate Degree Plan B Designated Majors	Transfer Associate Degree in Liberal Arts																								
<p>1 Major Requirements: At least 18 units in a single or related discipline. For a degree that specifies the major, students must complete major discipline requirements as listed in the catalog.</p> <p>2 GE Requirements: At least 30-31 units in the following manner:</p> <table style="width: 100%; border: none;"> <tr> <td style="padding-left: 20px;">a.
