Workbook for Developmental Communications 1 by Susan Polk
- II. **Homework Assignments:** Read all materials and do all exercises as assigned and when assigned

Also, you must turn off all electronic devices during class. Students whose phones ring or who are seen using their phones or texting will be marked absent for the day. A second occurrence will result in the student's being dismissed for the remainder of that class period.*

- Please keep graded papers such as quizzes and tests in a safe place. You should keep them at least until final grades have been posted.
- Cheating: I will not tolerate any form of academic dishonesty. If you are caught cheating, you will be given a zero for that particular exam or quiz, even if the failing grade makes it impossible for you to pass the course. At my discretion, the event may also be reported to the Department Chair, who may forward the report to the Vice President of Student Services for disciplinary action, which may include suspension or expulsion.
- *If you are a student with a disability and require classroom accommodations, please see me immediately to discuss arrangements. The sooner I am aware that you are eligible for accommodations, the more quickly I will be able to provide them. If you have not done so already, you may also wish to contact the Disabled Students Programs & Services Office in Instructional Building 1018. Phone (818) 364-7732/TTD (818) 364-7861 and bring a letter and/or documentation stating the accommodations that are needed.
