Further, you are required to post, at least, one response to two or more of your classmates' initial responses. You are not required to respond to every classmate. You may, although this is a decision each student will make.

Minimum THREE different days per forum week. As we begin our online work together I want to discuss an important aspect of online learning, namely participation. Participation is an important part of this collaborative online learning environment. It is well documented that participation and collaboration does enhance learning & whether it be in-class or at a distance. You are encouraged to initiate and respond regularly and make sure your ideas are presented

clearly and are substantive. Postings that lack substance will receive little or no credit. For example, "I agree," "Good posting," or similar messages that add little or nothing to the discussion will receive few, if any credits. Discussions posted to the website are an important part of the learning that takes place in this class. In essence, we learn from each other. Share ideas or questions with your colleagues. Ask them questions. Share your own experiences.

SOME SPECIFIC EXPECTATIONS ABOUT PARTICIPATION:

Class Meeting Discussions:

- Please read, review, and reflect on each message PRIOR to posting to the forums. Remember: Others cannot get visual clues as to meaning, therefore, be careful in what and how you communicate. Once posted, messages cannot be deleted!
- All postings to any meeting in this class are to be considered CONFIDENTIAL and for consideration and discussion only by members of this class.
- Ask questions about areas of the subject that you wish to better understand or for clarification and/or amplification.
- Read your classmates comments and presentations, and respond constructively.
- Offer personal/professional experiences/observations relevant to the items being discussed.

Participation Rubric:

	Unsatisfactory	Satisfactory	Exemplary

IMPORTANT NOTICE

All Students Please Read

Beginning Summer 2012: New 3 Repeat Rule

EFFECTIVE SUMMER 2012, course withdrawal ("W") or a substandard grade ("D," "F," or "NP") count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

- Students who drop or are excluded after the last day to drop without a grade of "W" will have a "W" appear on their transcript. The "W" will count as an attempt for that course.
- For the Fall Semester, September 8, 2013 is the last day to drop a 16-week semester length class without a "W." Students will be able to drop a class online until this date. Contact the office of Admissions and Records for deadlines on late start, short-term and special program classes.
- A course in a student's transcript which currently shows a recorded "W" counts as an attempt for that course.
- Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.

- Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- For courses specifically designated as "repeatable," students may repeat up to three times (See Title 5 California Code of Regulations sections 55040, 55041, 58161).
- Where the student's number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

What students should do:

- Be sure you are academically ready for classes you enroll in.
- If you must drop a course, drop before the specifi ed deadline for dropping a class without a grade of "W."

Three Attempt Limit

A new state policy in effect as of 2012 limits students to **three attempts per course**. Receiving a grade or a "W" for a course counts as an attempt, **regardless of when the course was taken**. Withdrawal by the deadline to avoid a "W" will not count as an attempt.
