You may, although this is a decision each student will make.

**Minimum THREE different days per forum week.** As we begin our online work together I want to discuss an important aspect of online learning, namely participation. **Participation** is an important part of this collaborative online learning environment. It is well documented that participation and collaboration does enhance learning & whether it be in-class or at a distance. You are encouraged to initiate and respond regularly and make sure ***your ideas are presented clearly and are substantive.*** ***Postings that lack substance will receive little or no credit. For example, "I agree," "Good posting," or similar messages that add little or nothing to the discussion will receive few, if any credits.*** Discussions posted to the website are an important part of the learning that takes place in this class. In essence, we learn from each other. Share

ideas or questions with your colleagues. Ask them questions. Share your own experiences.

### **SOME SPECIFIC EXPECTATIONS ABOUT PARTICIPATION:**
