Avoid **just** using your TO DO list, as you will miss helpful information. Read all the directions, they are short and precise. Most assignments are already open and set up for you to be moving as fast as you want to.

Textbook Readings: It's highly recommended that when reading your textbook that you outline the content, make notes as you read. Then take your chapter Quiz as soon as you can after reading it. Most successful online students review their chapter a second time to earn high points for each Quiz. **Estimated STUDY Time:** 6 hours of reading textbook per week, 2-3 hours of studying and completing other assignments. Remember most assignments are open ahead of time to be completed BEFORE the deadline. Late work will **NOT** be accepted. Any scheduling problems can cause you to get behind, so be mindful of your schedule and complete assignments early. **Reading Order of Chapters:** 1-3,5,16,7,9,11-14,8,19, 21 (Ch.4 extra credit)

There will be no quiz reset or time extensions, so use a reliable internet connection and do not use a SMART phone for your quizzes. Please review your answers closely prior to clicking on "Next". Take the time to read the chapters, as the questions are not just looking up definitions, you must understand concepts too. **You will NOT be able to review your answers after the test is complete.** This class does not give the student the ability to check which questions they got right or wrong. However, you can ask me any questions and I will respond after the quiz deadline has passed.
Required Chapters: 1-3,5,16,7,9, 11-14,8,19, 21 (Ch.4 extra credit)
