Course and Grading Criteria

Grading System - For each project you will be credited up to 4 points considering:

- 1. Is the problem effectively solved within the boundaries of the assignment? Were the directions followed?
- 2. Technical ability: concept drawing, use of materials, solid structure
- 3. Craftsmanship: time, care, effort spent
- 4. Personal approach: insight, creativity, unexpected answer

Critique: At the completion of each assignment, everyone will display projects for critique. The purpose of this is to 1) see each others work, 2) learn to discuss the projects in an objective way, using art specific terminology 3) consider how the projects may be improved.

Critique points: will be given for 1) bringing your project to critique, 2) bringing yourself to critique 3) thoughtfully contributing observations to critique. (no work, no points)

You could **complete every project on-time** and earn an "A" on all of the projects, but still get a "B" in the class for lack of general class participation and presenting/talking during critique. We learn from each other, share and contribute to the studio environment.

Sketchbook/Progress Points will be given at the end of class. These points will be credited on the grading rubric for each project. Each evening you need a sketch, project proposal, bring appropriate materials to class and make conceptual and/or physical progress.

Notes in my grade book for lowering progress grade include: AL (Arrived Late), LE (Left Early), UN (Unprepared), DW (Didn't Work) and LM (Left Mess). If you are absent, tardy (coming late or leaving early), unprepared, or do not work in class three times your final grade will be lowered one full-grade; after that your final grade will be lowered. by .5 for each additional adsence, trady, unprepared or not working during studio time. **Clean Up** is an essential part of this class. All of the projects create some level of mess and students are responsible for disposing of waste and leaving the tables, floors and common areas clean. Figured into each grading rubric.

Projects/Reasear Quizes: Critiques: Total	and Proposal Papers:	75% 5% <u>20%</u> 100%
A = 3.8 - 4.0	C = 2.0 - 2.2	A = 100% - 90%
A- = 3.5 - 3.7	C- = 1.6 -1.9	B = 89% - 80%
B+ = 3.2 - 3.4	D+ = 1.3 - 1.5	C = 79% - 70%
B = 2.9 - 3.1	D = 1.209	D = 69% - 60%
B- = 2.6 - 2.8	D- = 0.7 - 0.9	F = 59% - 0%
C + = 2.3 - 2.5	F = 0.0 - 0.6	

Late work: All work is expected to be turned in on time as a matter of professionalism. If you are absent, check in the syllabus and make up work before returning to class, you may e-mail the instructor if further clarification is needed. Any late work will be graded in two ways: the initial grade on the project will be lowered .4 grade for every class meeting it is late, also your participation grade will be lowered as you can not fully participate in the critique without work to present.
