

<b>COURSE NUMBER</b>	MATH 105 Section 3212 - T 06:50 PM - 10:00 PM ROOM CMS 127
<b>INSTRUCTOR:</b>	Alireza Roshanaei MathLab course ID roshan83393
<b>Office Hours:</b>	Th 06:20 PM - 06:50 PM or by appointment CMS Room 127
<b>E-mail/Website:</b>	roshana@lamission.edu <a href="http://www.lamission.edu/~roshana">http://www.lamission.edu/~roshana</a>
<b>Text:</b>	Basic College Math Sol. Manual, Martin-Gay ISBN 0-321-64665-7 Copyright 11 Publisher Pearson Edition 06 Binding Paperback
<b>Prerequisite:</b>	Open to all students

**Course Objective:** Includes addition, subtraction, multiplication, and division, of whole numbers, fractions, and decimals; rounding; order of operations; square roots; ratio & proportion; estimation; percent problems; basic geometry problems; introduction of algebra; and word problems.

**Learning Outcomes:** SLO for Math 105  
 1. Perform operations involving whole numbers, decimals and fractions efficiently and adaptively.  
 2. Analyze and set up proportion, percent and geometry problems.

**Attendance:** The student is expected to attend every meeting of all classes for which he or she is registered. Attendance will be taken each class meeting. Coming late to class late or leaving early count as ½ absence. The procedures for dropping classes are detailed on page 21 of the Spring 2012, Schedule of Classes. You can drop a class using the web at lamission.edu/students. Students absent for more than 2 class meetings may be excluded from class

**It is the student's responsibility to drop classes!**

**Dropping or withdrawing from a class is not an automatic process. Students are responsible for dropping classes they are not attending. Students who do not drop a class will be charged for the class. They may also receive an F grade that will remain on the permanent student record.**

**Support Materials or Services:** MyMathLab provides an e-book, Section Videos, PowerPoint presentations, Animations, Online Assignments, and Online Tutorials.  
 Free tutoring is available in the Math Center and The LRC will provide tutorial service for Math 105.

**Testing:** Questions on quizzes, tests, and final will be based on examples worked in class, assigned homework, or Chapter Tests. There are no make-ups on missed quizzes, tests, or in-class work. The use of a calculator is not allowed.

**Final:** The final examination will be comprehensive.

**Homework & Quiz and Class Activities** They are an essential part of the class, so you should do them as completely and as accurately as possible. Some Quizzes will be unannounced. Minimum 1 to 2 hours of uninterrupted time per class period. Review material covered in class by 1) viewing Video Lecture, 2) doing assigned homework on-line. Homework will be available on-line after the sections are completed in class, and are due the day of the quiz on the chapter. No late homework will be accepted.

Grading Policy:	Percentage Distribution		Assigned Grade	
	MathLab/Quizzes:	20%	90 - 100%	A
Midterms:(Tests)	40%	80 - 89%	B	
class Activities/ Quizzes /homework:	10%	70 - 79%	C	
Finals:	30%	60 - 69%	D	
		Below 60%	F	

**Computer Software:** Students enrolled in this section of Math 105 are required to have easy access to a computer (either at home or at a nearby library) with Internet access and a working email address. We will use MyMathLab (Course Compass), an online computer program, and students need to enroll in my section with course ID Number to complete the required online homework. Homework done on-line has Learning Aids of: Help Me Solve This, View an Example, and for exercises marked with a Video icon, a Video Presentation on the exercise. And for each chapter, all the exercises in the Chapter Test have fully worked out solutions in the Chapter Test Prep Video.. [http:// www.coursecompass.com/](http://www.coursecompass.com/)

**WITHDRAWAL FROM CLASS IS YOUR RESPONSIBILITY** If you stop attending Class and do not inform me of your intention to drop, you risk receiving a failing grade for the course. Please check with the schedule of classes regarding Withdrawal dates and policies.

**Important Dates:** September 07, 2012 LAST DAY TO ADD FULL TERM CLASS.  
September 07, 2012 LAST DAY FOR REFUND.  
September 07, 2012 LAST DAY TO RECEIVE A "W" (IN PERSON)  
September 09, 2012 LAST DAY TO DROP ON LINE  
October 05, 2012 Last day to Petition for Credit/No-Credit.  
October 19, 2012 Deadline to Petition for Fall 2012 GRADUATION.  
November 02, 2012 Last Day for Section Transfer.  
November 16, 2012 LAST DAY TO WITH "W" (IN PERSON)  
November 18, 2012 LAST DAY TO DROP ON LINE WITH A "W".  
December 08, 2012 Classes End.  
December 10, 2012 - December 15, 2012 FINAL EXAMS  
December 16, 2012 SEMESTER ENDS
