Policies

<u>Cheating</u>- unauthorized material used during an examination (including electronic devices), changing answers after work has been graded, taking an exam for another student, forging or altering attendance sheets or other documents in the course, looking at another student's paper/scantron/essay/computer or exam with or without their approval is considered cheating. Any student caught cheating will receive a zero for the assignment/exam and referred to the Department chair and/or Student Services for further disciplinary action.

<u>Plagiarism</u>- Plagiarism is defined as the act of using ideas, words, or work of another person or persons as if they were one's own, without giving proper credit to the original sources. This includes definitions found online on Wikipedia, materials from blogs, twitter, or other similar electronic resources. The following examples are intended to be representative, but not all inclusive:

- failing to give credit by proper citations for others ideas and concepts, data and information, statements and phrases, and/or interpretations and conclusions.
- failing to use quotation marks when quoting directly from another, whether it be a paragraph, a sentence, or a part thereof
- Paraphrasing the expressions or thought by others without appropriate quotation marks or attribution
- Representing another's artistic/scholarly works such as essays, computer programs, photographs, paintings, drawings, sculptures or similar works as one's own.

First offense, you will receive a zero for the assignment in question. Any further offenses may result in expulsion from the class, as determined by the disciplinary action from the Office of Student Services.

<u>Recording devices</u> in the classroom- Section 78907 of the California Education Code prohibits the use of any electronic audio or video recording devices, without prior consent of the instructor. (including laptops, MP3 players, and more). The use of cellphones for texting or otherwise is prohibited during lecture.

Reasonable Accommodations: If you are a student with a disability and require accommodations, please send me a private email. The sooner I am aware of your eligibility for accommodations, the quicker I will be able to assist the DSP&S Office in providing them. For students requiring accommodations, the DSP&S Office at Mission College provides special assistance in areas like: registering for courses, specialized tutoring, note-taking, mobility assistance, special instruction, testing assistance, special equipment, special materials, instructor liaisons, community referrals and job placement. If you have not done so already, you may also wish to contact the DSP&S Office in Instructional Building 1018 (phone 818/364-7732 TTD 818/364-7861) and bring a letter stating the accommodations that are needed.
