Description:

In this beginning computer keyboarding course, students will learn how to key by touch while developing speed and accuracy with the goal of achieving 30 words per minute by the end of the semester. Students also will learn how to use Microsoft Word to format letters, memos, tables, and reports.

As a result of students taking CAOT 1, students will demonstrate the ability to:

Student Conduct:

- Attendance: It is important that you attend class. You are expected to attend class and are responsible for assigned course work. Arrive on time and do not leave early.

If you have more than three absences, you may be dropped from your class on your fourth absence.

If you stop attending a class (or wish to drop a class), YOU MUST DROP THE CLASS YOURSELF ONLINE– OFFICIALLY - on or before November 17, 2013.

Failure to do so will result in a grade of "F" in that class.

There is a new LACCD enrollment limit. The limit is now three times to take a class and includes both substandard grades and withdrawals. In order to avoid a W, students must drop before September 8, 2013.

- Lecture attendance is required.
- Turn cell phones and any other electronic devices off during class time.
- Food and/or drinks are not permitted in the classroom.
- Respect everyone in the class; disrespectfulness will not be tolerated.
- Cheating Policy: Cheating constitutes academic dishonesty. Each student is responsible to do his/her own work on assignments and on tests. Any cheating will be dealt with as severely as College policy allows. Penalty ranges from no credit for the assignment to exclusion and/or an "F" grade for the course. Any instance of academic dishonesty will significantly affect the grade of all individuals involved and will be reported to the administration. The use of any electronic devices during an exam is prohibited.

Student E-Mail at LACCD Website

All students have an e-mail account that can be accessed through the LACCD Website at [www.laccd.edu](http://www.laccd.edu). Log in with your student ID and your password (month and date of your birthday). Click on Main Menu. Click on Assigned Student E-Mail Address. You will then see messages and reminders.

Student Evaluation:

- a. Assignments should be completed and submitted for each group of chapters according to the student progress chart and class calendar.
- b. Students must successfully complete all applicable requirements prior to the appropriate test. Chapter work will not be accepted after the test.
- c. Beginning with Lesson 21, students will take 3-minute timed writings. Students must pass at least five 3-minute timings with three errors or less. Official timings must be submitted within a half hour.

If student passes just four timings, the timed writing grade is lowered one level. If fewer than four are passed, the grade is lowered two levels.

The following scale shows the speed goal for the end of the semester.

<u>Gross Words</u>	<u>0-3 Errors</u>
40 and up	A
33-39	B
