Committee Members,

We met briefly following the documentary screening on 4/24/03.

In attendance: G Prostack, V Oddino, M Climo, D Green, R Dalrymple. M Mekelberg

1. We assumed that Jose is still working on the Cinco de Mayo and Mother's Day activities. Gary will contact him to confirm, and to verify that Diversity will partially fund the events.
2. Gary will contact Bonnie Sherman to see if she will arrange a Mexican Luncheon in May.
3. David Green suggested a) submitting an end-of-year report to Administration, and  
b) meeting in the summer as a task force to formalize funding procedures and policies
4. Gary will contact Robert/ASO to start thinking about/planning a fall semester kick-off in September.

There won't be any more Diversity Committee meetings this semester.

Thank you all for all your efforts and hard work. I think we had a very successful semester.

Gary
