ANNUAL SECURITY REPORT

2016
President’s Message

Los Angeles Mission College is committed to providing a safe environment for students, staff, and visitors on its campus. The College is working diligently to provide trainings and information to students, faculty, and staff and what to do in emergency situations. Our Black-Board Connect system allows us to notify students, faculty, and staff via text, email, and phone in case of an emergency situation.

The Sheriff’s Office is responsible for various aspects of the campus including parking enforcement, building access, lost and found, public safety, and providing safety escort services to and from buildings and parking lots. Security Officers patrol 24 hours a day, seven days a week to respond to incidents.

Thank you for your continued support and feedback on how to keep our campus safe.

Monte E. Perez, Ph.D.
President
Information Summary

The following crime statistics for Los Angeles Mission College (LAMC) have been compiled by the Los Angeles County Campus Sheriff, in conjunction with local law enforcement agencies surrounding the campus. Campus crime, arrest and referral statistics include those reported to the Los Angeles County Campus Sheriff, campus security authorities, and local law enforcement agencies.

LAMC has certain mandatory crime reporting obligations under state law. The Child Abuse Neglect and Reporting Act ("CANRA," Penal Code section 11164 et seq.) requires employees to report known or suspected instances of child abuse or neglect to law enforcement. Penal Code section 11160 requires prompt, mandatory reporting to law enforcement by health care practitioners (such as employees or contractors in the Student Health Center) when they provide medical services to a person they know or reasonably suspect is suffering from wounds inflicted by a firearm or are result of assaultive or abusive conduct.

SECURITY AND ACCESS TO CAMPUS FACILITIES

No visitor on campus shall attend a college activity limited to college personnel without prior approval of the college president or his/her authorized representative. Any visitor on campus may attend a college event which is authorized as open to the public. (LACCD Board Rule 91202.) All visitors must adhere to the Code of Conduct, LACCD Board Rule Chapter IX, Article VIII (“Conduct on Campus”), available at: http://www.laccd.edu/board_rules/documents/Ch.IX-ArticleVIII.pdf

The campus maintains its premises and security by continues patrol by the Campus Sheriff. All facilities are secured through locking mechanisms which are either hard key enabled or card key enabled. The campus has established a policy which identifies those individuals who are authorized to be issued hard keys and also established the access allowed by key card entry. Access identification is authorized on a “needed access” basis as submitted by a Department Chair, Dean or Vice Presidents and approved by the Vice President of Administrative Services or College President. All facilities are secured during non-business hours and access after business hours is authorized on an approved basis or through the Campus Sheriff. LAMC security is assisted with a video camera system which records activity in the vicinity of the cameras. The camera system is managed by the Campus Sheriff.

LAMC does not have any campus residences.

CAMPUS LAW ENFORCEMENT

Authority of the Los Angeles County Campus Sheriff

The LACCD contracts with the Los Angeles County Sheriff to provide security services at LAMC. The Campus Sheriff has authority to apprehend and arrest individuals involved in illegal activity on campus and areas immediately adjacent to the campus. The Campus Sheriff’s Deputies are peace officers as defined in Penal Code section 830.1. The Campus Sheriff’s Security Officers are public officers as defined in Penal Code section 831.4, and have received training pursuant to Penal Code section 832. Crimes occurring on campus are investigated by the Campus Sheriff’s Bureau. The prosecution of criminal offenses, both felonies and misdemeanors, occurs at the Los Angeles Superior Court (for violations of state law) or the United States District Court, Central District of California (for violations of federal law). Campus Sheriff Personnel work as appropriate with local, state and federal law enforcement agencies, and have access to national crime databases.

The Campus Sheriff maintains a daily crime log of criminal incidents and alleged criminal incidents which are reported to the Campus Sheriff.

Accurate and Prompt Reporting of Crimes to Law Enforcement

To ensure the safety of everyone on campus, LAMC encourages the accurate and prompt reporting of crimes to the Campus Sheriff at (818) 364-7843 or in person.

Professional Counselors

A professional counselor whose official responsibilities include mental health counseling to members of the LAMC community and who is functioning within the scope of his/her license or certification is exempt from disclosing reported offenses to law enforcement, unless there is a legal obligation to disclose. Personal information from counseling records will not be revealed unless disclosure is required by law. (LACCD Board Rule 8302.10.) However, counselors may encourage victims to make a report to law enforcement.
PROGRAMS REGARDING SECURITY PROCEDURES AND PRACTICES

LAMC maintains a 24/7 security and safety presence on the campus which is supported by enhanced security features such as cameras and controlled access systems managed by the Campus Sheriff. The Campus Sheriff proactively patrols the campus and engages individuals involved in suspicious or criminal activity. The Campus Sheriff assists campus residents and visitors with safety information and directions to locations and events. In addition to patrol and prevention the Campus Sheriff also educates the campus on personal crime prevention and safety. In addition to the Campus Sheriff the campus relies on the Los Angeles Police Department, Van Nuys Division for additional response and support as needed. Emergency services for fire and first aid response are generally provided by the Los Angeles City Fire Department.

PROGRAMS REGARDING PREVENTION OF CRIMES

The Campus Sheriff maintains a webpage on the campus web site providing safety and security information as well as information about crimes, crime reporting and general personal safety. The Campus Sheriff has a list of safety tips for students and parents that will help prevent problems on campus. Those safety tips are:

- LAMC has a “panic phone” system located in and around campus. Know where these are.
- Have a safety buddy, someone you can call for a ride or for help, and create a code word or phrase that means “Come help me out of this” or “I’m in trouble.”
- If you are on campus at night and feel uncomfortable walking to your car or the bus station please call the Campus Sheriff Office at (818) 364-7843 and ask for the escort service to give you a ride to your campus destination.
- If you are walking to your vehicle alone (day or night) make sure you have your keys ready when you get to the car. These will prevent a long delay in getting into the car and locking the doors for safety.
- Always be aware of your surroundings and any suspicious activity in your area. If you are concerned call the Campus Sheriff at (818) 364-7843 or use an Emergency Call Box.
- Before going to a party, tell a friend where you’re going and when you’ll be back. Let them know if your plans change.
- Take turns being a designated driver or sober companion. You could save someone’s life.
- If a party gets out of hand, leave!
- Never, ever leave your drink alone or with someone you don’t know. Date rape drugs are easy to use. And men are just as vulnerable as women.
- Don’t take drinks or anything else from strangers, even food.
- Don’t ride with drunk or drugged drivers.
- Don’t offer rides to people you don’t know.
- Trust your instincts!

And here’s what parents can do:

- Ask the college administrators about campus alcohol policies.
- Talk to your kids about the legal penalties for underage drinking.
- Discuss the possible consequences of drinking, including date rape, violence and school interference.
- Know your child’s roommate and living arrangements.
- Call your son or daughter frequently.

The Campus Sheriff provides free safety escort service during operating hours to transport students to their cars or bus stops on the campus periphery. Anyone may report a crime or other suspicious activity anonymously at Los Angeles County Sheriff Station Tip Hotline by calling (323) 778-5678.

MONITORING OF CRIMINAL ACTIVITIES OFF-CAMPUS

LAMC does not have recognized off-campus locations of student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off-campus. However, students engaging in criminal activities off-campus, in conjunction with college-sponsored activities, may be subject to disciplinary action by LAMC.
POLICY REGARDING POSSESSION, USE, AND SALE OF ALCOHOLIC BEVERAGES AND ILLICIT DRUGS

The LACCD is committed to drug-free and alcohol-free campuses. Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the District or colleges of the District.

"Controlled substances," as used in this section, include but are not limited to the following drugs and narcotics: (a) opiates, opium and opium derivatives; (b) mescaline; (c) hallucinogenic substances; (d) peyote; (e) marijuana; (f) stimulants and depressants; (g) cocaine."

Penalties

Federal and state laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of one’s driver’s license and limitations of career choices. A summary of federal penalties for drug related offenses is available at:

In addition to criminal prosecution, violators are also subject to disciplinary action by LAMC. Student discipline actions may include the following: warning, reprimand, disciplinary probation, suspension, and/or expulsion.

Health Risks

Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability and death. Both drugs and alcohol may be damaging to the development of an unborn fetus. Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include alienation from and abuse of family members, chronic conflict with authority, and loss of friends, academic standing, and/or co- and extra-curricular opportunities. A description of various drugs and their effects is available at: http://www.justice.gov/dea/pubs/all_fact_sheets.pdf

Periodically during the academic year the Campus Sheriff presents crime prevention awareness sessions on sexual assault (rape and acquaintance rape), Rohypnol abuse, theft and vandalism, as well as education sessions on personal safety. Additionally, this information is available on the college website under the Campus Sheriff webpage.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert posters, displays, videos, and articles and advertisements in college and student publications.

When time is of the essence, information is released to the college community through security alerts on Blackboard Connect as well as through loudspeaker and other communication methods.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

LAMC will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students and employees occurring on the campus. Such notification will be made during such emergencies as outbreaks, extreme weather conditions, earthquakes, gas leaks, terrorist incidents, armed intruders, bomb threats, civil unrest, explosions, chemical or hazardous waste spills, etc.

To report an emergency, please contact the Campus Sheriff at (818) 364-7843 or use one of the blue emergency phones throughout the campus.

Notification Procedures

In the event of a campus emergency, where it is necessary to notify students and staff of impending danger or critical information, Los Angeles Mission College has developed a protocol to engage as many students and staff as possible, in the shortest amount of time. All current technology and communication modes will be used to distribute information as quickly as possible. Coordination with the President’s Office, Campus Sheriff’s Office, and district personnel needs to be immediate and ongoing.

Communications checklist for critical information:

- **Blackboard Connect** – Text messaging system (requires signup by each person)
- **Email blast** - An LAMC-ALL message is sent out to all faculty and staff.
- **Screen messages** - The campus intranet system may be used to broadcast an alert message,
- **Website News post or Message** – The college intranet will post messages on all computer screens throughout the campus warning of any imminent danger.
- **Flyers** - The message will be placed on a one-sheet, and distributed to every mailbox on campus. Flyers are to be distributed to places such as the info desk, financial aid and counseling.
- **Signage** - Placed in areas of high traffic and closed entrances or buildings.
- **Other areas to be coordinated with the Campus Sheriff’s office and other campus department.**

LAMC will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

The entire campus community will be notified when there is a potential that a very large segment of LAMC is threatened. The President’s Office, the Campus Sheriff Office, and district personnel will reassess the situation to determine whether additional notifications or updates need to be made.
Emergency Response General Procedures

I. Evacuation Emergencies
   A. Blackboard Connect – College Webpage – sign up for cell phone notification at LAMC.edu
   B. Earthquake – take cover under your desk. When the shaking stops evacuate the building.

   C. Fire/Explosion/Hazardous Material Release
      1. If possible, experiments that may be hazardous if left unattended should be shut down.
      2. Direct students to the nearest exit and then to the Evacuation area.
      3. Verify that everyone leaves and that all the doors are closed. If there is smoke in the hallways get close to the ground and crawl from the building.
      4. Call (818) 364-7843 and report the location and size of the fire.

   D. Power Outage
      Most campus buildings are not provided with emergency or standby lighting. If the power does go out during class, have the students stay in their seats. Information regarding the restoration of power will be passed on to you as soon as possible. If the power does not return in a reasonable length of time, evacuate the classroom or laboratory. Caution students that there is no rush; they should take their time exiting the building. Emergency lighting should be functioning in the room, hallway, or stairways.

   E. Active Shooter
      DO NOT EVACUATE - In the event of gunfire or a shooting, lock or barricade your classroom doors, turn off the lights and be quiet until police arrive and tell you to move out of the building.

II. Evacuation procedures checklist
   1. Advise your class of the need to evacuate the building.
   2. KNOW the direction to the nearest Evacuation Area.
   3. Direct the class to take all of their belongings with them IF TIME PERMITS and go to the designated evacuation area (refer to campus Evacuation map).
   4. Direct the class to move to the nearest building exit.
   5. DO NOT return to the building unless allowed to do so by emergency personnel.
   6. Be prepared to provide details of missing or injured students to emergency personnel.

III. Evacuation of persons with Disabilities - Use the following guidelines to plan for the evacuation of persons with disabilities:
   1. Create a plan for each students needs
   2. When evacuating always ask what method of assistance the person prefers. Not all persons can be removed from their wheelchairs and carried safely.
   3. Ask for planned assistance from another person in the class when evacuating students with disabilities (if possible do this on the first day of classes)
   4. Assist/roll/lead the student out of the room toward the exit and evacuation route
   5. Use Evacu-Trac equipment for upper floor evacuations, this equipment is placed on stair landings
   6. If necessary wheelchairs can be guided down stairs by two helpers.
   7. Move to any area of safety and continue to escort student until away from danger area.

Testing of Procedures

LAMC conducts tests of its emergency response and evacuation procedures. These tests are conducted once per semester in a random fashion in different areas of the campus.

LAMC publicizes its emergency response and evacuation procedures by:
   1. Posting emergency procedures in each classroom
   2. Posting emergency response and evacuation procedures on the LAMC website,
   3. Providing emergency information in the College Catalog,
   4. Providing other emergency notifications and procedures through Blackboard Connect, e-mail or loud speaker system.
LAMC will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced.

Copies of test documentation are available from the Administrative Services Office.
