Educational Planning Committee

Program Review Meetings with Department Chairs
EPC Preliminary Response:

Department  Chicano Studies and Foreign Languages

Commendations:
- Responsive to student needs
- Identification of supports needed to meet additional needs: tutors, language lab and expansion of coursework

Recommendations:
- Provide a written report of the answers to the questions provided. Include information for Chicano Studies
- Update the department Program Review to ensure that requests for departmental needs are submitted to Budget and Planning for funding (required process for connecting funding to planning)
- Pursue and prepare a proposal for language lab to include foreign language support
- Explore the feasibility of expanding language offerings based on needs of students and community economic development
- Outdated course outlines of record must be updated in order to continue offering these courses
