Educational Planning Committee
Program Review Meetings with Department Chairs
EPC Response:

Department  Chicano Studies Discipline

Commendations:
- Thoughtful presentation
- Passion for and commitment to discipline and students
- Successful outreach efforts
- Commitment to hosting cultural and educational events

Recommendations:
- Continue to gather accurate data for graduation and transfer rates
- Explore student support opportunities through Basic Skills Initiative funding
- Update program review to reflect needs for materials and equipment as well as visions for growth
- Continue to update all expired course outlines of record including student learning outcomes and assessments
- Consider degree and transfer requirements when developing new coursework and updating courses that are outdated
- Further explore interdisciplinary courses and programs
- Explore collaborations with theater arts and physical education programs for opportunities to bring cultural events to campus
