Important Adjunct Benefits Information

You must enroll every year in order to remain in the benefits program. See reverse side for more information.

Annual Enrollment: October 10 - November 4, 2011
Eligible Part-Time Faculty Members MUST Enroll Every Year

Annual enrollment in your 2012 District benefits will be held from **October 10 - November 4, 2011.**

If you’re an eligible part-time faculty member who wishes to continue coverage, you **must** re-enroll for benefits during each open enrollment period. Your benefits coverage will not continue unless you actively enroll.

Your eligibility for health benefits — medical, dental, vision, and EAP — is based on how many semesters you have taught for LACCD and how many hours you’re scheduled to teach during the current semester.

To confirm your eligibility, call the LACCD Health Benefits Unit at (888) 428-2980. To see your 2012 healthcare rates, go to [www.laccd.edu/health](http://www.laccd.edu/health) or [www.aft1521.org](http://www.aft1521.org).
