Re: Council of Instruction

Date: March 2, 2011

No Minutes for March 2nd

Chairs attended the Weapons & Workplace Violence Prevention workshop in lieu of monthly Council of Instruction meeting. Description of workshop is as follows:

**Weapons & Workplace Violence Prevention** - EAP in collaboration with LACCD Human Resources division through Horizon Health will provide face-to-face training for faculty, staff, and managers. Workplace safety has become a major concern for managers and employees alike. While workplace violence is less common than is popularly believed, incidents involving disruptions and threats are increasing. Early intervention helps prevent more serious acts. The purpose of this workshop is to discuss the typical issues surrounding incidents of workplace violence (WPV), typical behaviors associated with WPV, and strategies to counteract and diffuse potentially violent situations. This training is customized to address the unique concerns of the community college campuses.

Date: Wednesday, March 2 (for Faculty and Staff only)
Time: 12:30pm – 2:30pm
Location: CC1
Presenter: Dr. Joe Dadourian
