Planning Assumption & Assessment

Self-Assessment: Challenges, Opportunities & Strategies

1. Please present the unit's analysis of the challenges it will face over the next 3 years in light of the measures of program effectiveness, progress toward past goals, and new planning assumptions.

2. Identify unit strengths and recommendations to strengthen existing unit programs.
New Screen: Annual Planning Evaluation

1. Provide a summary statement concerning the success of the unit in meeting the objectives identified in the previous year’s program review. If budgetary recommendations were made by the Budget & Planning Committee, please include in your summary whether those recommendations have been implemented.

2. Summarize significant results/outcomes or improvements that have been implemented of any projects or improvement plans identified in the previous year’s program review, and discuss if you are going to continue these improvements or change them based on the results/outcomes. You may also discuss projects/plans/accomplishments from your unit over the past year, even if they were not mentioned in your previous program review.
New Screen: Feedback screen

Feedback

For continuous improvement, Program Review Oversight Committee takes your suggestions seriously. Please tell us which screen name(s) you would like to improve or change and how to make those changes or improvements.
