MATH 112 –L.A. MISSION COLLEGE

Instructor: Rashid Sani
Class Location: CSB 110
Instructor Contact: rsani@laacc.edu

Schedule: Saturday 9 am to 12:10 pm

PREREQUISITE – The prerequisite for this course is passing Math 105 with a C or better or passing the Math assessment test. This course is a prerequisite for Math 113 or Math 115.

STUDENTS SHOULD NOTE THE FOLLOWING

1. SINCE THIS IS A SATURDAY CLASS, NONE OF THE ADMINISTRATIVE STAFF IS AVAILABLE. TAKE CARE OF THIS WORK DURING THE WEEK.

2. Good study habits are a must for being successful in this course. Regular attendance is the first step to being successful in this course.

3. Keep up with the class. Otherwise it becomes very difficult to catch up.

4. There are no make up quizzes or exams. Not being present is considered an absence. Late Homework should be submitted within a week for 50% of grade.

5. If a student does not take the final exam, the grade would be computed without any credit for the final exam.

6. It is the student's responsibility to notify the office in case the class is dropped. This way you are sure that it happened. A grade has to be assigned at the end of the semester, if the name appears on the roster.

7. Connect with as many people in the class as possible. This way you are current with the class progress. Try forming a study group. You can setup contacts using e mail, online conversation or some other way.

8. The college has a number of resources to support your study in mathematics. Math tutoring center and the Math Lab are available. Please note their schedule.

FORGET ABOUT WHAT YOU LIKE OR DO NOT LIKE,
DO WHAT NEEDS TO BE DONE
MATH 112  PREALGEBRA  SPRING 2008 SCHEDULE

MAY 31, 2008  FINAL EXAM – MATH 112 (10 AM TO 12 NOON)

HOMEWORK INSTRUCTIONS

1. Only answers on your work is not enough. Work needs to be supported by details. Homework is graded for work and presentation.

2. Do all work on regular paper. Make sure your work is stapled, or put together with a paper clip. Do not fold corner your work.

3. All work needs to be shown in a top down manner. Extra work as multiplication or division should be done on the side.

4. Work needs to be readable and easy to follow. No grade for homework late by more than one week. Partial homework graded at partial credit
