LOS ANGELES MISSION COLLEGE ENVIRONMENTAL IMPACT REPORT
LOS ANGELES

PROCEEDINGS taken at 13356 Eldridge Avenue, Main Campus Center, Sylmar, California, at 7:15 P.M. Tuesday, July 18, 2006; reported by Marceline F. Noble, RPR, CRR, Certified Shorthand Reporter No. 3024.

NDS JOB No. 124206

APPEARANCES:
ELLIE BROOKS
BYRON MAIZLAND
Sylmar, California, Tuesday, July 18, 2006
7:15 P.M. - 9:15 P.M.

STATEMENT ON THE RECORD

MS. BROOKS: I would like the Environmental Impact Report to be limited to those buildings and
facilities that are fundable now. Those in the master plan that may be for the future should be under a new Environmental Impact Report, as by the time the funds become available to build them, the environment -- being air, traffic, population of student body, et cetera -- will have changed. Those changes will affect the needs and the impact on the community.

(Off record from 7:19 p.m. till 9:10 p.m.)

MR. MAIZLAND: What my request would be is that they take into consideration the speed of the vehicles in our area and see what can be done about slowing the vehicles down because they are very dangerous in the Harding and Eldridge areas where a lot of accidents have been occurring.

And maybe speed bumps or some other way to slow vehicles in those areas may be beneficial to the neighborhood.

///

I, the undersigned, a Certified Shorthand Reporter of the State of California, do hereby certify:

That the foregoing proceedings were taken before me at the time and place herein set forth; that any witnesses in the foregoing proceedings, prior to testifying, were placed under oath; that a verbatim record of the proceedings was made by me using machine shorthand which was thereafter transcribed under my
direction; further, that the foregoing is an accurate transcription thereof.

I further certify that I am neither financially interested in the action nor a relative or employee of any attorney of any of the parties.

IN WITNESS WHEREOF, I have this date subscribed my name.

Dated: July 27, 2006
