

Los Angeles Mission College Facilities Master Plan Final Program Environmental Impact Report

10.0 Responses to Comments

This section of the Final Program EIR includes all of the comments on the Draft Program EIR received in a timely manner, and written responses to these comments.

A complete list of commenting public agencies and private individuals is provided in below. All written comment letters and comments made during the two public comment meetings on the Draft EIR are published in this section. Each comment letter is followed by the written response (Note: Page numbers below refer to the comment letters). Complete transcripts of the two public comment meetings are provided as Appendix H.
