**Invitation to Attend Public Meetings
Notice of Availability of Draft Environmental Impact Report for
The Los Angeles Mission College Facilities Master Plan**

The Los Angeles Community College District (LACCD) and the Los Angeles Mission College (LAMC) have formulated a plan for the future educational space needs of Mission College through 2015. The proposed project, the *Los Angeles Mission College Facilities Master Plan* is a phased development program that would improve and expand the College on the existing campus site and on a new site located 1/3 mile to the east at the corner of Eldridge Ave and Harding Street in Sylmar, CA.

A Draft Program Environmental Impact Report (Draft EIR) has been prepared for the Master Plan and its associated projects. Unavoidable significant environmental impacts are expected related to air quality, traffic, land use, and aesthetics. The Draft EIR is now available for a 45-day public review period ending on December 4, 2006. The LAMC will hold two public meetings on the Draft EIR during the 45-day review period:

EIR Public Meetings

Wednesday, November 8, 2006
6:00 p.m. to 8:00 p.m.

Tuesday, November 28, 2006
6:00 p.m. to 8:00 p.m.

at

**Los Angeles Mission College
Main Campus Center
13356 Eldridge Avenue
Sylmar, CA 91342**

The purpose of these meetings is to provide the public an opportunity to learn about the Master Plan refinement and to provide comments on the adequacy of the EIR under California Environmental Quality Act (CEQA).

At the meetings, LAMC will briefly present the Mission College Master Plan and the findings of the Draft EIR. Following this presentation, the public will be invited to provide comments on the adequacy of the analysis in the Draft EIR.

The Draft EIR is now available for review at the Mission College Library (reference desk), at the Mission College website <www.lamission.edu> and the following libraries:
