Message from the President Judith Valles

It is my pleasure to welcome you to Los Angeles Mission College! Mission is more than just one of

the nine Los Angeles Community Colleges in the District. We are the showcase of the future and the best educational venue for the San Fernando Valley.

We offer a variety of programs of study that lead to transfer to a four-year institution of your choice. Read through the Fall 2010 Schedule of Classes and learn about the exceptional programs we offer. I encourage you to talk with a counselor and develop an educational plan to help you succeed during your stay at Mission. If you're interested in a vocational degree or developing new skills for immediate employment - Mission can help. We have flexible scheduling and offer a variety of course formats to meet your needs such as online, weekend, evening, accelerated, and television courses. Your charge is to stay focused on your goals, while our goal is to increase the number of graduates and transfers each year.

Whatever your reasons are for attending Mission College, you will be provided with a quality education and caring environment.

The college is growing dramatically with the completion of the new Health, Fitness and Athletics Complex. We look forward to celebrating with you the opening of the Family and Consumer Studies Building & Bookstore this summer. Our future expansion plans include a media arts facility and center for applied sciences and technology building.

Together, we will move forward in building your future!

With warm regards.

Judith Valles, President Los Angeles Mission College

LAMC Empowers Academic Success Thru Transfer: Grads Succeed at USC and CSULA

Whitney Pulupa knew early in life she would have to work hard to reach her goals. She prepared her way while attending Bishop Alemany High School where she took three advanced placement courses and an honors British literature class. She then moved on to LAMC where she

took advantage of the resources and opportunities available to all students. After graduating with her A.A. in Spring 2009, Pulupa transferred to the University of Southern California where she was accepted into the Gordon S. Marshall School of Business where she is busily enjoying her second semester as a business major.

Regarding her work at LAMC, "My experience at Mission College was wonderful. Counselor Madelline Hernandez worked with me to plan and organize my path for college," says Pulupa. "I knew from the beginning I wanted to graduate within two years so establishing a relationship and having open communication with my counselor was important."

In addition, Pulupa says Mission College professors like Richard Rains and Margie Long teach with passion and really care about their students. "They will provide you with the foundation and preparation needed to succeed at any university." With the support of counselors, instructors and staff at LAMC, Pulupa made the Dean's and President's Lists, was President of the Alpha Gamma Sigma Honor Society, was selected as Co-Valedictorian of her class, and introduced the McNair Postbaccalaureate Achievement Program to Mission College.

In August 2009, Pulupa was crowned Miss San Fernando. The competition was rigorous as contestants were judged on personality, community involvement, future aspirations, and skills in writing and speaking. The scholarship she received from the pageant will be used for furthering her education. She managed to accomplish all these academic achievements, including a 4.0 grade point average, while working at LAMC as Program Assistant in the Articulation Office and volunteering her time as a Girls' Head Coach for the American Youth Soccer Organization.

When asked what advice she would give to students, Pulupa says: "My time spent at Mission College was incredible and the opportunities are endless. Mission will provide you with the tools necessary to advance your academic career. It'll be up to you to take advantage of the opportunities and resources. Visit with your professors during office hours and establish a rapport, and get to know faculty and staff."

At first, college didn't come easily for Mission College alumna *Blanca Garcia*. Growing up, she was raised by her mother and lived in subsidized housing. She understood the importance of education – yet, she soon learned she would have to rearrange her priorities to overcome obstacles she was facing.

After graduating from Reseda High School she attended La Sierra University, a private college in Riverside. At the end of her first semester at La Sierra Garcia realized she was not prepared for college. She lacked study skills, time management and organizational skills, was unfamiliar with test taking techniques and didn't have self-confidence or self-discipline. She was placed on academic probation and eventually was disqualified from attending La Sierra.

At the advice of her mother, in 2005 she decided to enroll at Los Angeles Mission College. "Mission made me feel as if I were at home. Classes were smaller in size and the hours were flexible," explained Garcia. She loved Mission College so much she would arrive on campus early in the morning and often left late at night. "I just loved the atmosphere and beauty of the campus." Garcia credits her success to the many passionate and a caring instructors at Mission. She particularly credits Biology Professor Angela Echeverri for not only providing her with the skills necessary to succeed, but the motivation she needed to become confident. She had enough confidence to eventually take on leadership roles such as serving as President of the Associated Student Organization at Mission.

Then, like many students with financial concerns, in 2006 Garcia put her studies on hold and decided to work full-time. She realized this wasn't getting her anywhere and made sacrifices to re-enroll full-time at Mission so she could finish her studies. Garcia received an Associate of Science degree in Health Science from Mission College in 2007 and transferred to California State University Los Angeles in 2008 to study nutritional science. Garcia believes that Mission prepared her academically to face the new challenges of university study.

"I believe all high school graduates should consider attending Mission College," she said. "Why spend more money on general education courses when you could take the same class for less. Your dream of earning an A.A. degree can become reality – it's up to you to make the choice."

UCLA's Dr. Mike Fenton Joins Mission College and An expert in research, chemist Mike Fenton has now dedicated Promotes Chemistry Studies

An expert in research, chemist *Mike Fenton* has now dedicated his career to motivating, inspiring, and enriching the lives of the students of Mission College. Fenton began working full-time as a Professor of Chemistry in Spring 2009. Prior to Mission he taught as an adjunct professor at Pierce College and a Teaching Assistant in Biochemical Methods at UCLA.

Fenton received his B.S. in Biochemistry in 1997 and his Ph.D. in Biochemistry and Molecular Biology from the University of California
Los Angeles in 2003. He's is the first author of six publications and was primary author and coprincipal investigator of the Shared Equipment
Evaluation Program (ShEEP) research grant. He has also

lectured on a variety of topics.

"I actively engage my students
and challenge them to do their best
in the classroom," says Fenton. "It's all
about collaboration and teaching through learning
communities." Fenton strongly believes student interaction
is a key to success. He created a social network specific to
his Chemistry class on Facebook. This allows him to hosts
active discussions with his students and answer questions
immediately, but most importantly, it gives students the
opportunity to interact with peers.

Fenton says that his passion for teaching in the classroom has contributed to his success. "If a student has a difficult time comprehending a specific lesson my strategy is to include opportunities to learn new material by incorporating real-world experience wherever possible." He went on to

explain that students attending Mission are unique – they too have a passion for learning. They're appreciative

of the help they receive from their instructors. "My job as faculty is to empower students to do their best." In addition to teaching, Fenton is involved in a variety of campus activities at Mission. He's currently the Honors Program Director and the Title V HSI Grant Science Advisor.

There are many career options after obtaining a chemistry degree. Some fields students may explore are research and development, education, law, medicine or business. If you're interested in taking a chemistry course, consider enrolling in one of Fenton's classes. He teaches Fundamentals of Chemistry and General Chemistry. For questions or additional information, please contact Dr. Fenton at 818.364.7888 or fentonms@lamission.edu

New Instructor Gloria Daims Nurtures Students to After teaching as an adjunct Become Child Development Professionals

as an adjunct instructor for over five years at various Los Angeles Community College District campuses,

Gloria Daims, M.S., was recently appointed to a permanent faculty position in the Child Development Department. A native of Spain, Daims earned degrees in Special Education teaching children with special needs and Early Childhood Education, and she has been teaching in these fields for over twenty-three years.

Daims is committed, passionate and energetic in her work with children, families and students alike. She believes students deserve chance to have a better life through education and that instructors must respect students' academic and professional goals. Her classroom philosophy in sharing knowledge with students is that all students have the ability to learn and to be motivated to become leaders in their fields. "I provide a learning environment where students feel challenged in a positive way," said Daims, and she dedicates herself to inspiring her students to reach their highest potential.

Currently there is a great demand for early childhood professionals. If a student is ready to explore the field of Early Childhood Education, he or she should consider obtaining a certificate in Child Development at LAMC. This certificate prepares students to meet the demands of today's child care centers including the ability to work with infants, toddlers and/or preschool children and after school programs. College credits earned with the certificate may then be applied towards an Associate of Arts degree preparing students for diverse careers and transfer studies including teaching, social work, pediatric physical therapy, occupational or speech therapy, foster care, mental health paraprofessional studies, or health care or child welfare advocacy.

The Child Development Department offers a variety of bilingual courses and Daims is one of the Department's bilingual instructors. For more information, visit www.lamission.edu/childdevelopment or contact Professor Gloria Daims, M.S. at 818.364.7860 or daimsgs@lamission.edu

As the Population Ages, Gerontology Booms

"The interests and needs of older people will, in part, depend on the dedication of those who choose to work in the field of Gerontology."

- Professor Eloise Cantrell

Professor *Eloise Cantrell* is vigilant and caring, sensitive yet strong, and is committed to doing what she loves to do best – teaching. After 37 years, she continues to teach with great enthusiasm and passion. When asked what she enjoys most about teaching she says it's the stimulation the students give in her classroom. The "privilege of imparting knowledge and the joy of seeing how the students grow is most rewarding," says Professor Cantrell.

Cantrell received her B.S. in Home Economics from San Fernando Valley State College; Master in Family and Consumer Science with an emphasis in Gerontology from California State University Northridge; and her Doctor of Education in Administration in Higher Education from Nova Southeastern University in Florida. She is a recipient of numerous awards including the Governor's School to Career Taskforce Award presented by the Chancellor of the California Community Colleges, the Private Sector Initiative Award presented by President Ronald Regan, and the Los Angeles Chamber of Commerce Distinguished Service Award presented by the Mayor of the City of Los Angeles.

One specific field in which Cantrell would like to make a difference is through training those caring for the aging population. Through the Gerontology program offered at Los Angeles Mission College students will study the processes associated with aging such as the physical, mental and social changes that take place as a person grows older. Upon completion of the program students will have an understanding of the opportunities and challenges presented by an aging population and the expertise to support this populations needs.

The field of Gerontology is an ideal choice for students seeking a career that is growing rapidly, is exciting and will provide the opportunity to make a difference in the lives of others. As the aging population increases, the twenty-first century will see a growing demand for professionals who understand issues related to the aging process. "The

interests and needs of older people will, in part, depend on the dedication of those who choose to work in this field," says Dr. Cantrell.

The program provides students with networking opportunities and internships to help students prepare for a career. After receiving a certificate in Gerontology students may immediately seek employment in hospitals or community clinics, state rehabilitation agencies, new service or product development, retirement communities, adult day care, education, and policy development to name a few.

Cantrell invites students to come join them and get careers started in this exciting and growing field of Gerontology. For more information, contact Dr. Eloise Cantrell at cantreef@lamission.edu or 818.364.7625.

Demetria Perez began her path to becoming an Associate Teacher in Early Child Development when she enrolled in Child Development and ESL classes. She took an average of 15 units every semester though she had five children at home and many responsibilities. With great dedication and commitment to her dream

Demetria Perez Fulfills Her Dream through the Child Development Program

of working with children, Perez has now completed ESL 5 and earned an Associate Teacher Permit for Early Childhood Education through the California Commission on Teaching Credentialing.

Perez recounts that "When I started in the program I was extremely shy. Attending college seemed like an unattainable goal. But as I attended classes and worked with the Child Development Program, my confidence grew stronger. I was exposed to several professionals in the field

who helped me realize that I too could fulfill my dream of dedicating my life to children. I got so much help from the program in every possible way." She feels empowered to "earn a competitive salary" that will allow her to offer a better future for her family.

For more information on the Child Development Program, contact Lilamani De Silva at desilvlp@lamission.edu or 818.364.7673.

Around the Campus

People to Know and Getting Involved: A key element of student success is that students utilize the many support services on our campus. Counselors, advisors, and others who work as specialists in serving particular groups of students will help you with important decisions regarding your courses, careers, particular learning needs and many other topics that can help you not only do well in your classes but also make your dreams and goals a reality. Here are just three people on our campus that help our students succeed. Another key element in student success is that students involve themselves in the campus. Our last article on Robert Crossley includes a complete list of clubs and organizations for you to consider.

From Robert Schwartz, Disability Specialist, Disabled Students Programs and Services (DSP&S)

I have an M.S.W. (Masters of Social Work) from Augsburg College and B.A. from Macalester College. I have an L.C.S.W. (Licensed Clinical Social Worker) and have worked the last 10 years with college students with disabilities.

Many in my family are in the counseling or higher education fields, so I grew up surrounded by a passion for helping and learning. I have always liked hearing people talk about their situations and their story. I also liked being an ally and helping people solve problems. It was when I went to a counselor at my college that I realized I could do both and didn't have to choose just one. However, it was a long time before I was able to make my lifelong dream of college counseling happen. I am very grateful to have this opportunity at Mission College.

I work with students with disabilities in DSP&S who are hard to characterize not just because they come from diverse backgrounds. Although many students with DSP&S have a learning disability, there are many types of learning disabilities. Similarly, there are numerous different psychiatric and physical disabilities which can be complex and require experience with the condition to handle appropriately. For example the irreverent counseling approach that is the standard for certain psychiatric conditions could lead to violent behavior in other conditions. However, one generalization that can be made is that DSP&S students are like other students in that they deserve and usually appreciate being treated with respect.

What I try to do in DSP&S is ensure our students get reasonable accommodations and feel their concerns are handled professionally and respectfully. As a Disability Specialist my job is to do many different things for DSP&S students, one of which is counseling. However, my main role is to determine if a student warrants accommodations and to ensure the accommodations are made to help the college meet its ADA obligations. As part of this, I also coordinate ASL interpreting, adaptive equipment, supervise tutors, teach a class, proctoring and many other tasks.

Regarding respect, having grown up with a number of my own family members having disabilities, I myself feel very comfortable with students with disabilities. Students tell me they feel like I understand them which is the first step to identifying what they need. The most rewarding part of my job is helping students and later seeing their confidence increase as they progress through their education.

If you feel you may be eligible for or might benefit from the wide range of services that DSP&S can offer, please go the DSP&S Office in the Instructional Building, Room 1018, or call 818.364.7732, or, go to www.lamission.edu/dsps/default.aspx for more information on the many services DSP&S provides. Please know that all services, questions and counseling information is confidential, and that DSP&S staff and counselors are committed to making you feel comfortable and providing you with access to everything you need to help you succeed.

From Afri Walker; Counselor and UCLA Transfer Alliance Honors Program (TAP) Advisor

I work with new and returning students as a general counselor, and I am also the advisor for the UCLA Tap Honors Alliance Transfer Program. I am committed to providing an educational path for students to follow that will help them reach their goals. I enjoy helping to foster self-motivated thinkers, ensuring students success in present and future endeavors. It is rewarding to me to see the smiles and looks of accomplishment on students' faces once they have accomplished their academic goals.

If you are interested in the UCLA TAP Honors Alliance Transfer Program, please visit www.lamission.edu/honors/default.aspx for complete information, or contact Afri Walker at 818.364.7647 or WalkerAG@lamission.edu. For general counseling on course requirements, General Education, and meeting your academic goals, call 818.364.7655 to make an appointment with our knowledgeable and caring counselors. You can also stop by the Admissions Office to make an appointment.

From Adriana Martinez, Teacher Prep and Transfer Center Counselor

I received a Masters Degree in Educational Counseling from Cal State Dominguez Hills in Carson, California. I always knew I wanted to help people and because of a few negative experiences in school I realized I didn't want others to experience what I had. I then decided I wanted to become a counselor. I work with two programs at Mission college. The first is the Teacher Prep Program, which is geared toward students who want to become K-12 teachers. The second is the Transfer Center, which is geared toward students who wish to transfer to a four year university to earn a bachelors degree in any Major.

I try to help students who come to our office explore the different university options that they have as well as inform them about the general education requirements and major requirements needed to attend their universities of choice. We can also connect students with university representatives as well as set up appointments with representatives who visit our

campus. On occasion we offer field trips to universities for our students. There are always programs and events offered by different universities so we try connect our students with the ones that fit. There is always something going on at the Transfer Center and we encourage students to look at our calendar of events at www.lamission.edu/transfercenter

The most rewarding part of what we do is when a student comes in to our office with acceptance letters from their first choice university and they have a grin on their faces from ear to ear.

If you are interested in becoming a K-12 Teacher, or would like to learn about transfer to a particular university, please visit the Transfer Center in the lower level of the Campus Center. Adriana can also be reached at 818.364.7600, ext 700 or MartinezAF@ lamission.edu. For online information on Teacher Prep, the Transfer Center, and events, go to www.lamission.edu/transfercenter

From Robert Crossley, Associate Students Organization (ASO) Advisor

I hold a Master of Arts in Educational Leadership Policy and Studies from Cal State Northridge. The Associate Student Organization (ASO) focuses on students who want to participate in student government or leadership roles whether it is on campus or in the community. ASO builds positive leadership skills and provides interactions with faculty, staff and administrators. My daily interactions with students consist of assisting the ASO senators to become more acclimated to their ASO roles/duties. As the Advisor, I provide oversight

for the student government. I assist the ASO with planning and organizing activities/events. The most rewarding part of my job is knowing that am a vital component of the students learning process and success. I also help to facilitate an active Student Club culture on campus. Please see the list of some of our clubs below.

If you have an interest in a new club or other organizations, please contact me at the ASO Office, Lower Level Campus Center, 818.364.7820, CrosslR@lamission.edu

FALL 2010 SCHEDULE OF CLASSES 7

NEW Degree Options @ Mission College

Los Angeles Mission College is growing, and we are planning new degree options and additional certificate and workforce programs that will be announced in the near future. As of Spring 2010, we now offer an A.S. in Biology, and as of Fall 2010, we will offer an A.A. in English. Both prepare you for transfer to a four-year college or university. Please meet with a counselor for more information, and check ASSIST.ORG for additional transfer information.

NEW A.S. in BIOLOGY

Contact Information: Mike Reynolds, Chair reynolmj@lamission.edu 818.364.7695

A Biology degree is appropriate for students who want to pursue careers in the life sciences and allied health professions such as medicine, dentistry and pharmacy. In the 21st century, no field of science can compare to the biological sciences in terms of major discoveries that directly affect society and individuals. The disciplines are endless and new ones arise annually: genetic engineering, forensics, biochemistry, veterinary medicine, pathology, botany, zoology, marine biology, forestry, microbiology, conservation biology, ecology, environmental studies, and bioinformatics. An Associate of Science Degree in Biology will transfer to most colleges and universities.

Contact Information: Louise Barbato, Chair Barbatlc@lamission.edu 818.364.7687

Carolyn Daly, Vice Chair

Dalycc@lamission.edu 818.364.3311

An English degree is appropriate for all students who want to improve written and oral expression. It also affords you the opportunity to expand your comprehension of diverse literary texts. This degree is not only for students who are interested in teaching, but it is also for students who plan to continue with graduate work in programs ranging from liberal arts to law. Consider the English major alone or as a double major with another field of study such as business. A degree in English will give you the cutting edge, no matter which field you plan to enter because English is the international language of the world. Remember, businesses are looking for English majors because they are the most competent researchers, writers and communicators. With a degree in English you will be able to find employment all over the world as editors, writers, teachers and entry level business managers.

An Associate in Arts English degree will transfer to most UCs and CSUs.

Degree Requirements

The student must take a minimum of six English courses (or 18 units) as a portion of the 60 units needed to earn the Associate Arts Degree.

Online & Hybrid

Students often work full or part time jobs while going to college, so their time is valuable.

BENEFITS OF TAKING ONLINE CLASSES

- Provides flexibility, convenience, and 24/7/365 education.
- Provides independent learning
- Accommodates different learning styles
- · Teaches you to be self-disciplined
- · Access to great faculty from Mission College

Online courses bring education right to your home

Save time spent in traffic and invest it in your education. You can study from anywhere in the world. In an online environment, you are EMPOWERED to learn from others in your class. You can make intelligent and thoughtful contributions to discussions online.

You can read and review lecture notes as often as you want, interact within your courseware at any time, and you have the ability to send your professor questions at your convenience.

Are you ready to take an online class?

See if you are ready to take an online class by taking this simple survey - www.waol.org/getstarted/IsOnline4Me.asp

PACE - Program for Accelerated College Education

Open to ALL Mission College Students

PACE Office: 818.364.7684

Located in the lower level of the Campus Center PACE Director, Mark Pursley: 818.364.7677

PACE classes are also listed in the Fall schedule.

For up-to-date information, go to www.lamission.edu/pace

PACE students often combine PACE courses with other online, hybrid and short-term classes. Work with your counselor and the PACE Director to put together a schedule that meets your needs.

New Pace Students: Attend the PACE Orientation the Saturday before classes begin, August 28 9-10 AM, CMPC 5. Call the PACE Office for more information.

Who: PACE courses are offered in an accelerated format convenient to students' work schedules. Some students participate in the complete PACE program (see "Why" below for program features). However, PACE courses are open to ALL Mission College students, so anyone can sign up for a PACE course while taking traditional, online or other course formats.

Why: PACE offers convenient scheduling, quality instruction, and a supportive staff. PACE features collaborative learning, field trips, artistic performances, and social events to enhance your educational experience.

What: PACE has five tracks (Elementary Teaching, Business, Social Science, Health Science, and General Studies) to help students meet their transfer requirements while earning an A.A. degree. All PACE courses are fully transferable to CSU and UC.

Where: Currently all PACE courses meet on campus.

When: Most courses in PACE are offered in an accelerated eight week format. Students attend class one evening a week and every other Saturday for eight weeks. A student can earn 12 units per semester by taking two courses in the first eight week session and two more in the second eight week semester. Each PACE course is paired with another PACE course so that students may earn six units in session A, and six more in session B. (Go to the college website for complete PACE schedule information)

A Sample Schedule For Paired 3-Unit Courses:

Course 1: Tuesday 6-8 PM and scheduled PACE Saturdays 8-12 (Student must attend both days. Courses do not meet on all Saturdays – see schedule.)

Course 2: Tuesday 8:10-10:10 PM and PACE Saturday 12:30-4:30 (Student must attend both days. Courses do not meet on all Saturdays – see schedule.) Students may take one or both courses.

4-Unit Science Courses and 5-Unit Business and Math Courses meet per the evening schedule indicated and every Saturday, and some are 16 weeks long.

Hybrid PACE Courses:

Students attend only four Saturday sessions and complete the remainder online.

PACE Basic Skills in Math and English: These courses, called bridge courses, are generally offered on Monday evenings or on Saturdays- see schedule

> Courses in bold meet the first eight weeks, 8/30 - 10/23 (Session A- Saturdays: 9/11, 9/25, 10/9 & 10/23) Courses in plain type meet the second eight weeks, 10/26 - 12/18

(Session B - Saturdays: 11/6, 11/20, 12/4 & 12/18)

/The Weekend College classes allow students to complete general education classes in a focused eight-week format. Classes are taught on four campuses: City [C] and Southwest [SW] Colleges on Saturdays and Valley [V] and Pierce [P] Colleges on Sundays. First college listed is AM only 9:00 - 12:00 Noon. Second college listed is PM only 1:30 - 4:30 PM. Students may attend at any location or change locations, if necessary, throughout the semester.

The classes are taught by the same qualified LACCD instructor at each campus. Instruction is combined with award-winning video lessons available on cable television, in broadband, on DVD, and in the College Learning Resource Centers. Each class also has an online component creating a positive, engaging learning environment.

For classroom locations go to:

LOS ANGELES MISSION COLLEGE

Transfer Alliance/Honors Program

The Los Angeles Mission College Transfer Alliance/Honors Program (TAP) is designed for motivated students who plan on transferring to a four-year college or university. It consists of academically enriched general education courses in which both written expression and the critical analysis of ideas are stressed. The TAP program offers participating students priority admissions to UCLA and additional opportunities at other universities. Both current and new students may apply to be part of the TAP program.

Requirements - Students will complete five honors courses with a 3.00 grade average, and honors designation will appear on students' transcripts. For each honors course, students will complete a research project or paper designed in collaboration with the Honors Director Dr. Mike Fenton, and the faculty mentor teaching the course.

Honors program students receive -

- Priority admissions consideration to several prestigious fouryear institutions, including UCLA
- An enriched academic program allowing students to gain opportunities to pursue topics and projects of individual interest within courses taken; opportunity to gain valuable critical thinking, research and writing skills; opportunities to explore interdisciplinary approaches to course topics
- · Assistance in the transfer process
- · UCLA Library Card

- Transcripts that reflect participation in the program.
- Regular opportunities for interaction and individual conferences with faculty mentors and program director.
- Individualized counseling with an Honors Counselor.
- Opportunities to meet guest speakers and attend special events
- Opportunity to attend the annual Honors Students research Conference at UC Irvine

Applying to the Honors Program - These are general guidelines. If you do not meet a specific requirement put would like to be able to participate in TAP, please write to Dr. Mike Fenton at fentonms@lamission.edu to discuss your particular situation.

Current LAMC students must be eligible for English 101 and have completed 12 transferable units with a GPA of 3.25 or higher.

Entering students must have a high school GPA of 3.50 or higher or an SAT score above 1,000, and their placement tests must place them in English 101 or higher.

Teacher Prep Program

Teacher Prep Program (TPP) at Los Angeles Mission College is a part of the Cooperative Title V Project in partnership with Loyola Marymount University, School of Education. TPP is designed to provide resources to help students pursuing a career in the education field. Current LAMC students are welcome to take advantage of many of its services which include:

- · Personalized counseling
- Digital portfolio workshop and Mac lab access
- Book loan program and reference library
- Updates on the teaching profession
- CBEST/CSET preparation workshops
- Summer Bridge Program
- Career workshops
- Transfer assistance and university presentations
- · Teacher Prep Newsletter
- · Scholarship and financial aid information

The Cooperative Title V Project is a five-year program funded by the U.S. Department of Education and is designed to increase the College's capacity to support, retain and successfully transfer a greater proportion of Hispanic and other minority students to four-year colleges and universities with a focus in teacher preparation. The four main activities of the project include: 1) strengthen support for transfer; 2) strengthen support services and increase transfer of students into teacher preparation programs; 3) strengthen institutional programs and processes which benefit Hispanic and other minority students; and 4) strengthen, revise, and increase the use of on-going technology initiatives.

For more information and to apply, visit our office and/or our website to obtain an application. Future TPP students must complete an orientation session and meet with the TPP counselor to create a student education plan.

ESL Program at Mission College Levels and Classes

The ESL program at Mission College consists of seven levels of instruction. Research in language acquisition advises that skills not be taught in isolation. Consequently, some ESL classes are combined, and other ESL classes have corequisites. Students receive maximum benefit by taking all classes in each level concurrently.

Level 1: ESL 1 integrated (combined skills) -12 units MTWTh

Level 2: ESL 2 integrated (combined skills) -12 units MTWTh

Levels 3,4,5 and 6 have A, B, and C components:

ESL 3A, 4A, 5A, 6A: Writing/Grammar, 6 units, MW ESL 3B, 4B, 5B, 6B: Reading/Vocabulary, 3 units, TTh ESL 3C, 4C, 5C, 6C: Listening/Speaking, 3 units, TTh

Level 7: ESL 8: Advanced ESL Composition—6 units, MW ESL 8 is equivalent to English 28 and satisfies the prerequisite for English 101.

Assessment - Which Level Should I Take?

All new students must take the Mission College ESL Placement Test. The results of this test will indicate which level you should enroll in. Mission College does not accept assessment test results from other colleges or adult schools.

Once enrolled, students who believe they were incorrectly placed should confer with their instructor and the ESL Department Chair.

El programa de (ESL) inglés como segundo lenguaje en Mission College

Niveles y clases

El programa de (ESL) inglés como segundo lenguaje consiste en siete niveles de instrucción. El estudio en la adquisición del lenguaje recomienda la enseñanza de las habilidades integradas. Consecuentemente algunas clases de (ESL) están combinadas y otras clases requieren pre-requisitos. Los estudiantes reciben el máximo beneficio tomando todas las clases en cada nivel al mismo tiempo.

Nivel 1: ESL 1, Habilidades Integradas – 12 unidades, MTWTh

Nivel 2: ESL 2, Habilidades Integradas – 12 unidades, MTWTh

Nivel 3, 4, 5, y 6 Comprende las asignaturas A, B, y C.

ESL 3A, 4A, 5A, 6A: Escritura/Gramática – 6 unidades, MW ESL 3B, 4B, 5B, 6B: Lectura/Vocabulario – 3 unidades, TTh

ESL 3C, 4C, 5C, 6C: Escuchar/Hablar – 3 unidades, TTh

Nivel 7: ESL8: Avanzado ESL composición – 6 unidades, MW ESL 8 es equivalente a inglés 28 y satisface los requisitos para inglés 101.

Examen – ¿Cuál nivel debo tomar?

Todos los estudiantes nuevos deben tomar el examine de ESL en Mission College. Los resultados de este examen le indicarán a qué nivel deberá inscribirse. Mission College no acepta resultados de exámenes de otros colegios o escuela para adultos.

Una vez inscrito el estudiante que crea que fue asignado a un nivel incorrecto deberá comunicarse con su instructor o el jefe del departamento de ESL.

ANNOUNCEMENT: Title 5, section 55035, prohibits students, who have completed 30 units of "remedial" (basic skills) course work, from enrolling in any additional credit basic skills courses. Starting with the Winter 2010 registration cycle, this requirement will be reinforced by DEC. If a student, who has exceeded the 30 unit limit, enrolls in a credit or noncredit ESL course, the student will be permitted to enroll in additional basic skills courses. Also, Title 5 exempts students with learning disabilities. The DSPS Office can authorize a system override for these students. The actual override functionality is in A&R so the DSPS Office will have to coordinate this effort with the Admissions Office. This restriction does not apply to noncredit basic skills courses. Students, who have exceeded the 30 unit limit, should be encouraged to enroll in non-credit basic skills courses.

The Application & Matriculation Process: A Step-by-Step Guide

The STEPS TO SUCCESS Matriculation Process

connects Los Angeles Mission College with students who enroll for credit courses into an agreement for the purpose of realizing the student's educational goals through the college's programs, policies, and requirements.

Matriculation Exemptions Status: At the time of application, all students are classified as Exempt or Non-Exempt from various matriculation components. Students may be exempt from one or more of the individual steps described below. Exempt students may participate in all matriculation components. All other students are coded as non-exempt and are expected to complete orientation, assessment, and counseling during their first semester at Los Angeles Mission College. Please refer to exemptions as they pertain to the steps below.

Student's Responsibilities: Non-exempt students are required to express at least a broad educational intent upon admission, declare a specific educational goal no later than the term after which 15 units of degree applicable credit courses are completed, diligently attend class, complete assigned coursework, complete courses and maintain progress toward an educational goal and cooperate in the development of a student educational plan.

Please follow the steps below. Contact information is indicated for each step so that you can call or email with your questions. The process described below is for new students and for returning students who have not attended any LACCD campus for two consecutive semesters.

STEP 1 COMPLETE AND SUBMIT AN APPLICATION FOR ADMISSION

Online Application Process:

- GO TO www.lamission.edu and click on "Apply Online."
- You will be sent directly to the CCCApply.Org website, where you will follow the steps listed on the website.
- Allow approximately three working days (excluding holidays) for the processing of your online application.

How to Register for Courses

Register for Courses Online:

- 1. Have your student I.D. number ready before you sign on.
- 2. Have your four-digit pin number ready, which is your birth day and month without the year.
- 3. Go to the Los Angeles Community Colleges website, www.laccd.edu
- 4. Click on "Student Information System."
- 5. Select "Current Student."
- 6. Click on "Add/Drop Classes."

Register for Courses In Person:

- 1. Check Admissions & Records online for hours.
- 2. Come to Admissions & Records with a valid picture identification.

 Once your on-line application is successfully processed, you will receive an email confirmation containing your STUDENT IDENTIFICATION NUMBER and your REGISTRATION APPOINTMENT. Your student identification number will allow you to access the registration system.

Paper (In Person) Application Process:

If you submit an application in person, please bring a valid form
of picture identification with you. You will receive your STUDENT
IDENTIFICATION NUMBER immediately after your application
is processed. Your STUDENT IDENTIFICATION NUMBER will
allow you to access the Los Angeles Community College District
(LACCD) registration system. Your registration appointment will
be scheduled according to Title V requirements based on your
enrollment status as a continuing, new or returning student.
(Please see academic calendar, inside front cover, for registration
appointment dates)

For more Information:

- Visit www.lamission.edu/admissions
- Stop by the Admissions Office in the Student Services Lobby located in the Instructional Building.
- Call 818.833.3322

STEP 2 ASSESSMENT

Campus Center Lower Level, Room 1529

ALL students who have submitted an application and have been issued a student I.D. number are required to take the assessment tests in English or English as a Second Language (ESL) and Math, unless exempt (please refer to exemptions below). The assessment process helps to place students in classes where they are most likely to succeed. Assessments are available on a walk-in basis, Monday through Thursday from 8 a.m. to 5p.m. Students must have their LACCD I.D. Number and present a valid form of picture I.D. prior to taking the assessment tests.

Please note: The Math assessment process requires students to self select the appropriate test level (Algebra Readiness, Elementary Algebra, Intermediate Algebra or Pre-Calculus). For more information on choosing the appropriate Math assessment test, please visit www.lamission.edu/math/MDTP%20sample%20test%20and%20guide.aspx

Assessment Results:

- Once the assessment tests have been completed, it will take approximately 24 hours for the results to be available.
- Full assessment reports will be available for pick up at the Assessment Center approximately 24 hours after test completion.
- Assessment reports for tests taken on Thursdays will be available for pick-up the following Monday.
- Students may also view their assessment results on the Student Information System – eweb2.laccd.edu/WebStudent/signon.asp

For more Information:

- Visit www.lamission.edu/assessment/default.aspx
- Stop by the Assessment Office in the Campus Center Lower Level Room 1529.
- Call 818.364.7613

Assessment Exemptions:

 Students who have already earned an AA/AS Degree or higher or

FALL 2010 SCHEDULE OF CLASSES

Students who are enrolling in recreational and/or personal growth classes only and have no intention of earning a degree or certificate

Note: Students who have assessment results from a college that uses assessments that are on the approved list of assessment instruments for California Community Colleges or who have completed Math and English courses at other colleges may be exempt from Assessment. Proof of transcripts and/or assessment results need to be presented to a Counselor in the Counseling Office.

STEP 3 ORIENTATION

Once the assessment tests have been completed and results received, students may sign up at the Assessment Center to attend an orientation. It is highly recommended for all new students to attend an orientation session unless exempt (please refer to exemptions below). During orientation, a counselor will review the College Catalog and Schedule of Classes to assist in planning a first semester student educational plan. Orientation presents important information about the college, educational programs, requirements, resources and services that will help students register for classes and succeed in meeting their goals.

For more Information:

- Visit www.lamission.edu/assessment/orientation.aspx
- Stop by the Assessment Office in the Campus Center, Lower Level, Room 1529.
- Call 818.364.7613

Orientation Exemptions:

- 1. Students who have already earned an AA/AS degree or higher, or
- Students who are enrolling in recreational and/or personal classes only and have no intention of earning a degree or certificate, or
- 3. Students enrolling in fewer than 6 units of coursework and are concurrently enrolled at another college or university

STEP 4 COUNSELING

All new and returning students should meet with a counselor before registering for courses unless exempt (please refer to exemptions below). Meeting with a counselor regularly, provides an opportunity to review educational goals, course requirements, research majors, plan courses, and develop a Student Educational Plan (SEP). It is HIGHLY recommended that students meet with a counselor each semester to receive updates on changes and review progress towards their educational goal. Please contact the Counseling Office for appointment and drop-in availability.

For more Information:

- Visit www.lamission.edu/counseling
- Stop by the Counseling Office in the Instructional Building, Administration Wing.
- Call 818.364.7655 or 818.364.7656

Counseling Exemptions:

- 1. Students who have already earned an AA/AS degree or higher, or
- Students who are enrolling in recreational and/or personal classes only and have no intention of earning a degree or certificate, or
- 3. Students enrolling in fewer than 6 units of coursework and are concurrently enrolled at another college or university

STEP 5 APPLY FOR FINANCIAL AID

All students are encouraged to apply for financial aid. Eligible students should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. The FAFSA is used to determine eligibility for federal and state financial aid, including grants, work-study, and loans. California residents can also apply for the Board of Governor's (BOG) Fee Waiver through a separate paper application, available at the Financial Aid Office and on our website at www.lamission.edu/financialaid, under "Apply for a Fee Waiver." This form is also available in the pull-out section located at the back of this schedule.

STEP 6 REGISTER FOR YOUR COURSES

Register for Courses Online:

- 1. Have your student I.D. number ready before you sign on.
- 2. Have your four-digit pin number ready, which is your birth day and month without the year.
- 3. Go to the Los Angeles Community Colleges website, www.laccd.edu
- 4. Click on "Student Information System."
- 5. Select "Current Student."
- 6. Click on "Add/Drop Classes."

Register for Courses In Person:

- 1. Check Admissions & Records online for hours.
- 2. Come to Admissions & Records with a valid picture identification.

LOS ANGELES MISSION COLLEGE

Prerequisites, Corequisites & Advisories

Prerequisite: A requirement that must be satisfied before enrolling in the target course.

Corequisite: A requirement that must be taken simultaneously with the target course. However, in some instances the

corequisite may be satisfied before enrolling into the target course.

Advisory: A course or condition that a student is advised (but not required) to meet prior to enrolling in the target course.

Registration Limitation

All students need to demonstrate meeting the prerequisite or corequisite requirement in order to enroll into the target course.

- If the student satisfies the requirement by completing a class with a grade of "C" or better at LAMC or through the assessment process, he/she will be cleared for registering into the target course.
- If the student has satisfied the prerequisite or corequisite and/ or placement at another college or through another method, he/she must submit the appropriate documentation (i.e. an unofficial transcript and/or placement results) to the counseling office located in the Instructional and Student Services Building (818.364.7655).

Once a counselor reviews the documents and finds that the prerequisite or corequisite has been satisfied, the counselor will issue a course placement authorization form. This form, once signed by the counselor, needs to be turned into the Admissions office along with the necessary add slip by the student for processing.

Prerequisite Challenge

Students without transcripts or other proof of meeting the specified prerequisite or corequisite but believe that they have other clear and reliable evidence that they are adequately prepared to take the target course may go through the prerequisite or corequisite challenge process.

Prerequisite or corequisite may be challenged based on the following:

- 1. The student has the knowledge or ability to succeed in the target course despite not meeting the prerequisite or corequisite. (Criteria for challenging based on knowledge or ability to succeed will be determined by each Academic Department.);
- 2. The prerequisite or corequisite is not valid because it has not been established in accordance with the District's policy;
- 3. The prerequisite or corequiste is being applied in an unlawfully discriminatory manner; and
- The prerequisite or corequisite has not been made reasonably available causing the student undue delay in completing his/her educational goal.

Prerequisite Challenge Process

- 1. Pick up the challenge form at the Counseling Office. It is recommended that a student seeking to go through the challenge process meet with a counselor to discuss the process in further detail.
- 2. All challenge forms must be processed prior to the add deadline as stated in the Schedule of Classes (please note: the challenge process takes five working days to complete). Challenges filed after this deadline will be considered for the following semester. If space is available in a course when a student files a challenge to the prerequisite or corequisite, the student will be allowed to enroll into the course during the challenge process. If the challenge is approved or the college fails to resolve the challenge within 5 working days, the student shall be allowed to remain in the course. If the challenge is denied, the student will be notified and dropped administratively. If no space is available in the course when a challenge is filed and approved, the student shall be permitted to enroll for the following semester.
- Students need to complete the challenge form, attach appropriate documentation and take the form to the Chair and/or Vice Chair of the department through which the course in question is being offered.
- 4. The Department Chair and/or Vice Chair will approve or deny the challenge. If the Chair and/or Vice Chair is the instructor of the course that the student wishes to enter, then the Chair and/or Vice Chair will identify another faculty member in the discipline to review and approve the challenge form.
 - Once the challenge is approved/denied and signed, the Chair and/or Vice Chair of the department or designated faculty member will return the form to the Matriculation Coordinator.
 - The Matriculation Coordinator will contact the student of the results of the challenge.
 - If the challenge is approved, the student will be given a course placement authorization that the student will take to Admissions along with the necessary add form for processing.
- 5. If the challenge is denied, the student may appeal the decision to the Vice President of Academic Affairs. Notification of the appeal decision will be sent to the student within 5 working days after its receipt.

Falsification of any record or signed statement, or the withholding of information, subjects the student to immediate suspension or expulsion.

Instructional Materials

Students may be required to provide instructional and other materials required for a credit or noncredit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District.

Withdrawal

Students wishing to drop a class or withdraw from the college during the semester must do so through the Admissions Office or use the telephone system. Failure to withdraw officially may result in an "F" grade. Students must withdraw on or before the 11th week (75%) in order to receive a W. Students in short-term classes must withdraw before 75% of the course is completed. After the 11th week or 75% completion of the course, a student is assigned a letter grade (A through F). Instructors are not obligated to exclude a student for non-attendance.

IT IS THE STUDENT'S RESPONSIBILITY TO WITHDRAW OFFICIALLY. HOW TO DROP CLASSES OR WITHDRAW FROM COLLEGE

- 1. Dropping classes or withdrawing from the college must be done by the drop date deadline.
- 2. To drop classes, use the STEP telephone system, or fill out a "Drop Card" and present it, with your registration Fee Receipt, at the Admissions Office. To drop ALL classes (withdrawal), use the STEP System or check item number one on the drop card.
- 3. The clerk processes the forms and gives you a receipt. Keep your receipt for your records.
- 4. Fees are not automatically refunded. Fee refunds must be requested from the Business Office if you drop classes or withdraw by the end of the second week.
- 5. In order to do a complete withdrawal by mail, your request must be sent by Certified Mail with a receipt.

6. You may also withdraw by using the telephone system on or before the 11th week or before 75% of the course is completed. Students in PACE or other special programs must check withdrawal deadlines with the appropriate program director.

Withdrawal from Classes

THROUGH THE 3rd WEEK: No notation ("W" or other) will appear on the student's record if the class is dropped during the first three weeks of the semester (or 30% of the class for short-term classes). THROUGH THE 11TH WEEK: A notation of "W" (withdrawal) is recorded on the student's record for classes dropped during the 4th through the 11th week of the semester.

AFTER THE 11TH WEEK: Students who remain in class beyond the 11th week (or 75% of the class for short term classes) are given a grade by the instructor. THAT GRADE CANNOT BE A "W" (withdrawal).

Access to Records

The California Legislature passed S.B. 182 (Stull), which codifies provisions of the Education Code and the Federal statutes implementing the Family Education Rights and Privacy Act of 1974 (Buckley Amendment). This permits students to inspect their personally identifiable records maintained by the college, and permits access to these records only upon the student's request (other than to certain specified categories). Information on these laws and college procedures in implementing them may be obtained from the Associate Dean of Admissions, who serves as the College Records Officer. Copies of pertinent State and Federal legislation are available for inspection.

Los Angeles Mission College considers the following information relating to a student to be directory information: student's name, city of residence, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students who do not wish any or all of the above categories of information to be given out should so indicate on their application at time of enrolling. Students are asked to voluntarily provide their student identification number for this purpose.

Family Educational Rights and Privacy

Act (FERPA) Notification The Family Educational Rights and Privacy Act (FERPA) affords students the following rights with respect to their educational records:

- 1. The right to inspect and review the student's education records which includes discipline records, within 45 days from the date the College receives a request for access.
- Students may submit to the College Admissions Office written requests that identify the specific record(s) they wish to inspect. Within 45 days, the College Admissions Office will make arrangements for access and will notify the student of the time and place where the records may be inspected.
- Education records are those records that are directly related to students and are maintained by the College. Students may not inspect education records pertaining to parents' financial records and certain confidential letters or recommendations.
- 2. The right to request an amendment of the student's educational records which the student believes to be inaccurate, misleading or otherwise in violation of the student's privacy rights.
- With the exception of grade grievances which are handled through Administrative Regulation E-55, students may ask the College

LOS ANGELES MISSION COLLEGE

President, or his/her designee to amend a record that they believe is inaccurate, misleading, or in violation of their privacy rights. A student seeking to amend an educational record should write to the College President and clearly identify the part of the record he/she wants changed and specify why it is inaccurate, misleading, or in violation of his/her privacy rights.

- If the College President, or his designee, decides not to amend the record as requested by the student, the College, in accordance with section 99.21 of the Code of Federal Regulations and section 76232 of the Education Code, will notify the student of the decision and of his/her right to a hearing.
- 3. The right to consent to disclosures of personally identifiable information contained in the student's educational records, except to the extent that FERPA and California law authorize disclosures without consent.
- If a student authorizes the release of his/her education record to a third party, he/she shall provide a dated written consent to the College Admissions Office authorizing said release with a specific list of the information to be released.
- Federal and California law authorize certain disclosures of personally identifiable information without a student's written consent. One such exception is the disclosure of personally identifiable information to school officials with legitimate educational interests. School officials with legitimate educational interests are employees or agents of the Los Angeles Community College District who need to review educational records in order to fulfill their professional responsibilities.
- 4. The right to restrict disclosure of personally identifiable information that the College has designated as directory information which may be released without the written consent of the student.
- Directory information may be disclosed without a student's consent unless the student has notified the college that he/she does not want all or portions of the directory information released. To do so, the student must submit the appropriate District form to the College Admissions Office requesting that some or all of the categories of directory information not be released without his/her consent. This form must be submitted in accordance with College policy.
- Pursuant to Board Rule 5201.10, the Los Angeles Community College District has designated the following student information as directory information:
- (a) the student's name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previous educational agency or institution attended by the student;
- (b) student employee records may be released in order to comply with collective bargaining agreements;
- (c) the names, addresses and telephone numbers of students or former students may be released to the foundation for each college for college-related activities at the discretion of the College President, unless the student or former student has informed the College that such information should not be released. The release of this information is conditioned upon the foundation's agreement that such information will be released in accordance with District policy and that information will not be released to third parties; (d) at the discretion of the College President, the names, addresses and telephone numbers of students from the College may be released to heads of private and/or public institutions of higher education, or their designees, for the purpose of providing information to student regarding transfer opportunities to those institutions, unless the student has indicated that such information

should not be released. The release of this information will be conditioned upon the institution's agreement that student privacy rights under federal and state law will be protected and that information will not be released to third parties.

5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue S.W. Washington, DC 20202-4605

Student Right-to-Know Disclosure

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Los Angeles Community College District and Los Angeles Mission College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 1996, a cohort of all certificates, degree, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at all California Community Colleges, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 28.2 percent attained a certificate, degree, or became "transfer-prepared" during a three-year period from Fall 1997 to Spring 2000. Students who are transfer-prepared have completed 56 transferable units with a GPA of 2.0 or better.

Based upon the cohort defined above, 29.8 percent transferred to another post secondary institution (CSU, UC, or another California Community College) prior to attaining a degree, certificate, or becoming transfer-prepared during a five semester period from Spring 1998 to Spring 2000.

Further information about Student Right-To-Know Rates and how they should be interpreted can be found at the California Community Colleges Chancellor's Office Student Right-To-Know Disclosure Website located at http://srtk.ccco.edu/index.asp

Student Grievance Procedure

The purpose of the Student Grievance Procedure is to provide a prompt and equitable means for resolving student grievances. The grievance procedure may be initiated by a student or group of students who reasonably believe he/she/they have been subject to unjust action or denied rights that adversely affect his/her/their status, rights, or privileges as a student. It is the responsibility of the student(s) to submit proof of alleged unfair or improper action. Grievances pertaining to grades are subject to California Education Code Section 76224(a) which states:

"When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final."

This grievance procedure does not apply to the challenge process for prerequisites, corequisites, advisories, and limitations on enrollment; alleged violations of sexual harassment; actions dealing with student discipline; alleged discrimination on the basis of ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability; or an appeal for residency decision;

or to eligibility, disqualification, or reinstatement of Financial Aid. Informal resolution is encouraged.

A written Statement of Grievance must be submitted to the Compliance Officer within thirty (30) instructional days of the incident or after the student(s) learns of the basis for the grievance.

Recording Devices in the Classroom

Section 78907 of the California Education Code prohibits the use of any electronic listening or recording device without prior consent of the instructor. Any student violating this section is subject to disciplinary action. Any non-student who willfully violates this section is guilty of a misdemeanor.

Standards of Student Conduct and Disciplinary Action

The Standards of Student Conduct and Disciplinary Action for violation of rules were established by the Board of Trustees of the Los Angeles Community College District on September 2, 1969. A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus. As members of the college community, students should be encouraged to develop the capacity for critical judgment, to engage in a sustained and independent search for truth, and to exercise their rights to free inquiry and speech in a responsible, non-violent manner. Students shall respect and obey civil and criminal law and they shall be subject to legal penalties for violation of laws of the city, county, state, and nation. Student conduct in all of the Los Angeles Community Colleges must conform to District and college rules and regulations. Violations of such rules are subject to the following types of disciplinary actions, which are to be administered by appropriate college authorities against students who stand in violation. Each of the Los Angeles Community Colleges shall establish due process of law for administration of the penalties enumerated here. Penalties are listed in degree of severity but not as chronological administration. College authorities will determine which type of penalty is appropriate.

- WARNING Notice to the student that continuation or repetition of specified conduct may be cause for other disciplinary action.
 REPRIMAND Written reprimand for violation of specified rules.
 A reprimand serves to place on record that a student's conduct in a specific instance does not meet the standards expected at the college. A person receiving a reprimand is notified that this is a warning that continued conduct of the type described in the reprimand may result in formal action against the student.
 DISCIPLINARY PROBATION Exclusion from participation in privileges or extra-curricular college activities set forth in the notice of
- privileges or extra-curricular college activities set forth in the notice of disciplinary probation for a specified period of time. The imposition of disciplinary probation involves notification in writing of the reason for disciplinary probation to the student(s) or president of the student organization involved.
- 4. RESTITUTION Reimbursement for damage or for misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.

 5. SUMMARY SUSPENSION A Summary Suspension is for purposes of investigation. It is a means of relieving the tension of the student body or individual class due to a serious infraction of student behavior standards, removing a threat to the well-being of the students, or removing for the good order of the college a

student or students whose presence would prevent the continued normal conduct of the academic community. Summary Suspension is limited to that period of time necessary to insure that the purposes of the Summary Suspension are accomplished, and in any case, no more than a maximum of 10 school days. Summary Suspension is a type of suspension other than that ordinarily invoked by the instructor in the classroom. The College President, appropriate administrator, or other staff member designated by the President may summarily suspend a student when he deems it necessary for the safety and welfare of the college.

6. DISCIPLINARY SUSPENSION – Disciplinary Suspension follows a hearing based on due process of law. It shall be invoked by the College President, appropriate administrator, or other staff member designated by the President, upon students for misconduct when other corrective measures have failed or when the seriousness of the situation warrants such action.

7. EXPULSION – An expulsion is a long-term or permanent denial of all campus privileges including class attendance. The President of the college and/or the Board of Trustees may expel a student who has been convicted of a crime arising out of a campus disturbance or, after a hearing by a campus body, has been found to have willfully disrupted the orderly operation of the campus. The President shall submit periodic reports on all expulsion cases to the Superintendent and the Board of Trustees.

Violations of the Standards of Student Conduct are as follows: 9803.10 Willful Disobedience: Willful disobedience to directions of college officials acting in the performance of their duties.

9803.11 Violation of College Rules and Regulations: Violation of college rules and regulations, including those concerning student organizations, the use of college facilities, or the time, place, and manner of public expression or distribution of materials.

9803.12 Dishonesty: Dishonesty, such as cheating, or knowingly furnishing false information to colleges.

9803.13 Unauthorized Entry: Unauthorized entry to or use of the college facilities.

9803.14 College Documents: Forgery, alteration, or misuse of college documents, records, or identification.

9803.15 Disruption of Classes or College Activities: Obstruction or disruption of classes, administration, disciplinary procedures, or authorized college activities.

9803.16 Theft of or Damage to Property: Theft of or damage to property belonging to the college, a member of the college community or a campus visitor.

9803.17 Interference with Peace of College: The malicious or willful disturbance of the peace or quiet of any of the Los Angeles Community Colleges by loud or unusual noise, or any threat, challenge to fight, fight, or violation of any rules of conduct as set forth in this Article.

9803.18 Assault or Battery: Assault or battery, abuse, or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.
9803.19 Alcohol and Drugs: Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230; any use of controlled substances the possession of which are prohibited by same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District. "Controlled substance," as used in this section includes, but is not limited to, the following drugs and narcotics:

- (a) opiates, opium, and opium derivatives, (b) mescaline,
- (c) hallucinogenic substances, (d) peyote, (e) marijuana,
- (f) stimulants and depressants, (g) cocaine.

LOS ANGELES MISSION COLLEGE

9803.20 Lethal Weapons: Possession, while on a college campus or at a college-sponsored function, of any object that might be used as a lethal weapon is forbidden by all persons except sworn peace officers, police officers, and other government employees charged with policing responsibilities.

9803.21 Discriminatory Behavior: Behavior while on a college campus or at a college-sponsored function, inconsistent with the District's non-discrimination policy, which requires that all programs and activities of the Los Angeles Community College District be operated in a manner which is free of discrimination on the basis of race, color, natural origin, ancestry, religion, creed, sex, pregnancy, marital status, sexual orientation, age, handicap or veteran status. 9803.22 Unlawful Assembly: Any assemblage of two or more persons to (1) do an unlawful act, or (2) do a lawful act in a violent, boisterous or tumultuous manner.

9803.23 Conspiring to Perform Illegal Acts: Any agreement between two or more persons to perform an illegal act. 9803.24 Threatening Behavior: A direct or implied expression of intent to inflict physical or mental/emotional harm and/or actions (such as stalking) which a reasonable person would perceive as a threat to personal safety or property. Threats may include verbal statement, written statements, telephone threats or physical threats.

9803.25 Disorderly Conduct: Conduct that may be considered disorderly includes lewd or indecent attire, behavior that disrupts classes or college activities, breach of the peace of the college, aiding or inciting other persons to breach the peace of college premises or functions.

9803.26 Theft or Abuse of Computer Resources: Theft or Abuse of Computer Resources including but not limited to the following:

- a. Unauthorized entry into a file to use, read, or change the contents, or for any other purpose.
- b. Unauthorized transfer of a file.
- c. Unauthorized use of another individual's identification or password.
- d. Use of computing facilities to interfere with the work of a student, faculty member or college official, or to alter college or district records.
- e. Use of unlicensed software
- f. Unauthorized copying of software
- g. Use of computing facilities to access, send or engage in messages which are obscene, threatening, defamatory, present a clear and present danger, violate a lawful regulation and /or substantially disrupt the orderly operation of a college campus.
- h. Use of computing facilities to interfere with the regular operation of the college or District computing system.

9804 Interference with Classes: Every person who, by physical force, willfully obstructs, or attempts to obstruct, any student or teacher seeking to attend or instruct classes at any of the campuses or facilities owned, controlled or administered by the Board of Trustees of the Los Angeles Community College District, is punishable by a fine not exceeding five hundred dollars (\$500) or imprisonment in a county jail not exceeding one year, or by both such fine and imprisonment.

9805 Interference with Performance of Duties of Employees: Action to cause, or attempt to cause, any employee of the District to do, or refrain from doing, any act in the performance of his or her duties by means of a threat to inflict any injury upon any person or property.

9805.10 Assault or Abuse of an Instructor: Assault or abuse of any instructor employed by the District in the presence or hearing of a

community college student, or in the presence of other community college personnel or students, and at a place which is on District premises or public sidewalks, streets, or other public ways adjacent to school premises, or at some other place where the instructor is required to be in connection with assigned college activities.

9806 Unsafe Conduct: Conduct which poses a threat of harm to the individual and/or to others. This includes, but is not limited to, the following types of conduct: Unsafe conduct in connection with a Health Services Program (e.g., Nursing, Dental Hygiene, etc.); failure to follow safety direction of District and/or college staff; willful disregard of safety rules as adopted by the District and/or college; negligent behavior which creates an unsafe environment.

Non-Discrimination Policy

All programs and activities of the Los Angeles Community College District shall be operated in a manner which is free of discrimination on the basis of ethnic groups identification, race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, physical or mental disability (including AIDS) or veteran status (Reference: Board Rule 1202).

Politica No Discriminatoria

Sexual Assault Policy

The Los Angeles Community College District is committed to providing a safe environment for students, visitors, and staff. Any incident of sexual assault should be immediately reported to campus police at (818) 364-7843. The term "sexual assault" under the California Education Code, Section 67385(d), includes threats of sexual violence.

Anyone charged with campus-related sexual assault may be subject to prosecution under appropriate California criminal statues; students may also be subject to discipline under the Student Disciplinary Procedures. The Sexual Harassment Policy may also apply, and the Compliance Officer may be contacted at 818.364.7701. Confidentiality shall be maintained. (Reference: Board Rule 16400.11.)

Politica de abuso sexual

El "Community College District", se compromete a proveer un ambiente seguro a los estudiantes, visitantes y personal. Cualquier incidente de abuso sexual debe ser reportado de inmediato al departamento de policia del Colegio al 818-364-7843. La palabra "abuso sexual", que se encuentra registrada bajo el código de educación de California en la sección 67385(d), incluye amenazas de violencia sexual. Cualquier persona acusada de abuso sexual en el Colegio puede ser sujeto a penalización bajo las leyes de California. Los estudiantes también pueden ser sujetos a disciplina bajo los procedimientos disciplinarios para estudiantes. La política de acoso sexual puede ser aplicada y se puede comunicar al oficial de arbitraje al número de teléfono 818-364-7701. Esta información se mantendrá confidencial.

Sexual Harassment Policy

The policy of the Los Angeles Community College District is to provide an educational, employment and business environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in the policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion or termination of contract. The specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies are incorporated in the Board Rules in Chapter 15.

The Los Angeles Community College District has a policy which provides informal and formal procedures for resolving complaints. Copies of the policy and procedures may be obtained from the Compliance Officer located in the Administration Building, Room 123, 818.364.7701, or by calling the Senior Director of Educational and Student Support Services at 213.891.2279, or the Office of Diversity Programs at 213.891.2315. Any member of the College Community, which includes students, faculty, and staff, who believes, perceives, or actually experienced conduct that may constitute sexual harassment, has the right to seek the help of the College. Every employee has the responsibility to report such conduct when it is directed towards students to the Sexual Harassment Compliance Officer. Potential complainants are advised that administrative and civil law remedies, including but not limited to injunctions, restraining orders or other orders may be made available.

Politica de acoso sexual

La polica de "Los Angeles Community College District", es proveer un ambiente educativo, de empleo y de trabajo excepto de avances sexuales, solicitación de favores sexuales o cualquier otra conducta inapropiada física o verbal o comunicación que envuelva acoso sexual. Los empleados, estudiantes u otras personas que representen el Distrito y que acosen a alguien sexualmente pueden ser de acuerdo a la politica de discriminación sexual o del Estado o la ley federal sujetos a disciplina que puede incluir: despido, expulsión o finalización del contrato.

Las reglas y procedimientos especificos para reportar acusaciones de acoso sexual que buscan una solución, se encuentran en el libro "Board of Rules" en el capitulo quince.

"Los Angeles Community College District", tiene una politica que provee procedimientos formales e informales para resolver quejas. Copias de esta politica y sus procedimientos pueden obtenerse del oficial de arbitraje en el edificio de la administración (Administration Building), oficina 123, o puede llamar al teléfono 818-364-7701, también puede comunicarse con el "Senior Director" de educación y apoyo a los servicios del estudiante (Educational and Student Support Services) al teléfono 213-891-2279 o a la oficina de diversificación de programas (Diversity Programs) al teléfono 213-8912315. Cualquier miembro del "Community College" y que incluye: estudiantes, profesorado y personal y que cree, percibe o en realidad experimenta un comportamiento que pudiera significar acoso sexual, tiene el derecho de pedir ayuda del College. Todo empleado tiene la responsabilidad de reportar tal conducta cuando envuelve al estudiante al oficial de arbitraje. Se les informa a los posibles denunciantes que soluciones por la ley civil y administrativas y que incluyen pero no se limitan a interdictos judiciales, ordenes de restricción u otras ordenes pueden estar disponibles.

Diversity Program

The policy of the Los Angeles Community College District is to implement equal opportunity to all qualified employees and applicants for employment without regard to race, color, national origin, ancestry, religion, creed, sex, pregnancy, age, disability, marital status, medical condition (cancer related), sexual orientation, or veteran status. Positive action will be taken to ensure that this policy is followed in all personnel practices, including recruitment, hiring, placement, upgrading, transfer, demotion, treatment during employment, rate of pay or other forms of compensation, selection for training, layoff, or termination. Inquiries regarding equal opportunity practices at Los Angeles Mission College should be directed to the college Compliance Officer located in the Campus Center, 818.364.7701.

Drug-Free Environment

Los Angeles Mission College adheres to, supports, and is in full compliance with requirements that maintain our college as a drug-free institution of higher education.

On September 5, 1990, the Board of Trustees adopted the following standards of conduct:

• Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the Los Angeles Community College District.

On April 20, 1989, the Los Angeles Community College District Board of Trustees adopted Rule 9803.19, which prohibits:

• Alcohol and Drugs. Any possession of controlled substances which would constitute a violation of Health and Safety Code

LOS ANGELES MISSION COLLEGE

section 11350 or Business and Professions Code section 4230, any use of controlled substances, the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District. "Controlled substances," as used in this section, include, but are not limited to, the following drugs and narcotics:

- a. opiates, opium and opium derivatives
- b. mescaline
- c. hallucinogenic substances
- d. peyote
- e. marijuana stimulants
- f. depressants and
- g. cocaine.

The Board's policy on the Drug Free Workplace, adopted March 22, 1989, restates these prohibitions.

- Legal Sanctions. Federal laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of driver's license and limitations of career choices.
- Health Risks. Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability, and death. Both drugs and alcohol may be damaging to the development of an unborn fetus.
- Other Risks. Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include loss of friends, academic standing, co- and extra-curricular opportunities, alienation from and abuse of family members, and chronic conflict with authority. Economic problems include loss of job, financial aid eligibility, homes, savings, and other assets. Additionally, on June 28, 2000, the Board of Trustees adopted Rules 9803.24 Threatening Behavior, 9803.25 Disorderly Conduct, 9803.26 Theft or Abuse of Computer, and 9806 Unsafe Conduct. Each are fully described in Standards of Student Conduct.

Student Health Fee Information

The Los Angeles Community College Board of Trustees at its April 29, 1992 meeting modified Board rule 8502, thus making the \$11 Health Services fee a mandatory fee for all students enrolled in credit classes.

The Los Angeles Community College District policy exempts the following students from paying the student health fee: (a) students who depend exclusively on prayer for healing in accordance with the teaching of a bona fide religious sect, (b) students who are attending classes under an approved apprenticeship training program, (c) non-credit education students, (d) students enrolled in District colleges exclusively at sites where student health services are not provided, (e) students who are enrolled in District colleges exclusively through Instructional Television or distance education classes, (f) students who are enrolled in District colleges exclusively through contract education. Students exempted under the provisions of (a), (b) and (c) above are eligible to receive the services of the college health program; all other exempted students are not eligible to receive the services of the college health program. Your registration fee receipt, or your current student I.D. must be presented to receive services.

Community Education - See page 18

The Community Education Program at Los Angeles Mission College offers a wide variety of non-credit courses and one-time seminars for personal and skill development, cultural enrichment and recreational enjoyment for all ages in our community. Student I.D.

To comply with federal privacy requirements, Los Angeles Mission College and the Los Angeles Community College District has discontinued use of the Social Security Number as the student's identification number. Instead, a new Student Identification Number will be issued for each student. The college can only release this number to the student. The new nine-digit number is randomly generated, but each will begin with the digits "88." Students will use the same Identification Number in all nine colleges of the District.

Your first Student ID Card is free. Go to either admissions or the business office to obtain yours. You will need to present your student registration/receipt for the current semester and also a second form of picture identification such as a California ID or a high school picture ID.

Where to use your new student ID card:

A valid student ID card is required to access student services in the following areas:

- Library
- Bookstore
- Financial Aid
- Health Center
- Computer Labs

IGETC - What is the Intersegmental General Education Transfer Curriculum?

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program that community college prospective transfer students may complete to satisfy the lower division general education requirements for either the UC (University of California) or CSU (California State University) system without the need to take additional lower-division general education courses after transfer.

All IGETC coursework must be completed with a "C" or better. Courses in which a student receives a "pass" grade may be used if the community college's policy states that a "pass" is equivalent to a "C" grade (2.00) or better. The UC system allows a maximum of 14 semester units (of the 60 required, transferable units) on a Pass/No Pass basis. There is no CSU system-wide policy on limitations for a "pass" grade, therefore each CSU campus has its own established policy (please check with your CSU campus of choice). Courses may only be used once to satisfy one IGETC subject area (even if listed under multiple areas), however, courses may be used to satisfy IGETC general education areas AND major preparation requirements. Major preparation requirements can be accessed on www.assist.org, the official source for California articulation and student transfer information.

The IGETC is NOT an admission requirement to the UC or CSU system. There is no connection between completion of the IGETC and eligibility for admission to the UC or CSU system, or admission to a specific campus or program. Existing segmental and campus-specific admission requirements for transfer students remain unchanged. Requirements for lower-division courses for admission to particular majors also remain unchanged. The IGETC plan will total approximately 34-37 transferable units. A recommended total of 60 units must be completed prior to transfer, for priority admission status.

If you are approaching readiness for transfer and are unable to complete one or two IGETC courses, you may be eligible for partial certification and complete IGETC after transferring. A student may only be granted IGETC certification once (either partial or complete) prior to their first semester at the 4-year university. Students

receiving partial certification must ensure that admission criteria for the university has been met (IGETC areas I and II). Students may complete the necessary coursework at the transfer institution and may NOT return to the Community College for complete certification if partial certification was received. "Certification" means that LAMC has verified that a student has completed the lower division General Education requirements listed in each area of the IGETC. Certification does not guarantee admission or admission eligibility. Certification is not required and is not automatic; it must be requested by the student at the time the final official transcript is sent. Without certification, the student will be held to the specific general education requirements of the university campus of choice. Please note, the UC Berkeley, College of Letters and Science does not accept partial Certification.

Courses taken at several institutions may be used to fulfill the IGETC. Students should be aware, however, that placement of courses within IGETC subject areas may vary from college to college. Placement of a course will be based on the college of attendance and its IGETC pattern at the time the course was completed. Completion of the IGETC program may be certified by the last community college, which the student attends. Foreign coursework (from non-U.S. regionally accredited institutions) may not be used on the IGETC.

It is NOT advisable for ALL students to follow the IGETC. Some students may be better served by taking courses that fulfill the CSU General Education Breadth requirements or the general education pattern of the UC or CSU campus or college to which they plan to transfer. Students pursuing majors that require extensive lower division major preparation, (such as Engineering on all campuses or Business at UC Berkeley) may not find the IGETC option to be advantageous. The Eleanor Roosevelt College and Revelle College of UC San Diego do not accept IGETC. Additional lower-division general education requirements may be needed prior to transfer. The IGETC will be most useful for students who want to keep their options open before making a final decision about transferring to a particular UC or CSU campus.

CSU ADVISING FORM

IMPORTANT INFORMATION: Courses on this list are approved for a specific academic year, which begins with the Fall 2009 semester and remains valid through Summer 2010.

The general education courses listed for the CSU system are specified within subject areas that satisfy lower division general education requirements for the CSU campuses. Students wishing to use a course to fulfill a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. The CSU general education form changes each year. It is advised that students meet with a counselor regularly to review any changes. A course must be on the CSU GE Breadth during the term in which it is taken. If a course is taken before it is approved for inclusion, or after it is removed from the list, it cannot be used to meet the area requirement.

CSU GE Breadth certification is available to community college transfer students who satisfy the general education requirements in each area. "Certification" means that LAMC has verified that a student has completed the lower division General Education requirements listed in each area of the CSU GE Breadth. Certification does not guarantee admission or admission eligibility. Students with full CSU GE Certification will only be responsible for an additional 9 semester units of upper division general education at the CSU campus. CSU Certification is not required and is not automatic; it must be requested by the student at the time the final official transcript is sent. Without certification, the student will be held to the specific general education requirements of the CSU campus of choice.

Students who have taken courses at other colleges can have these courses "passed along" in the certification process. Los Angeles Mission College will certify courses taken at other California Community Colleges in the areas designated by the offering college. Courses taken at California four-year colleges, or accredited out-of-state two-year, or four-year colleges, will be certified if they are

equivalent to courses on LAMC's CSU GE course list. Courses from foreign institutions cannot be used in the certification process. Students requesting CSU GE "pass along" certification must complete at least 12 units in residency at Los Angeles Mission College.

ADDITIONAL INFORMATION

- 1. A course cannot satisfy more than one General Education area requirement (even if listed under multiple areas).
- 2. Courses used to satisfy General Education requirements may also satisfy Major Preparation requirements.
- 3. LAMC recommends that students complete the lower division requirements for the major before transfer. Major preparation requirements can be accessed on www.assist.org, the official source for California articulation and student transfer information. Completion of these requirements may not guarantee admission into the major, but can increase the student's chances for acceptance. Other lower division courses that are not offered at LAMC may be required for the major after transfer.
- 4. Students who transfer to CSU may also complete an Associate degree by completing courses in the major (please see a counselor for major-specific information), a Health and a P.E. course to satisfy the General Education requirements for the Associate degree, along with a total of 60 transferable units completed.
- Completion of the General Education requirements will not guarantee admission into a university but can increase the student's chances for acceptance.
- 6. Areas A1, A2, A3 and B4 must be completed with a "C" or better for admissions eligibility to a CSU campus.
- All coursework must have a cumulative GPA of 2.00 ("C") or better.
- 8. This advising form may not be the best general education preparation pathway for ALL majors (such as Engineering, Computer Science and Liberal Studies – Teacher Prep). Please consult with a counselor to determine the best plan to meet your educational goals.

GO to the four-year, college/university of your choice!

Financial Aid & Scholarships

Do you need assistance paying your enrollment fees?

The Board of Governors Fee Waiver Program (commonly referred to as BOG) is a California state program that waives enrollment fees. This waiver does not have to be repaid.

Eligibility: Students must be residents of California and enrolled at Los Angeles Mission College in at least one (1) unit. Fees for audited classes, though, cannot be waived through the BOG.

There are three ways to qualify for the Fee Waiver:

Method A: You are a recipient of benefits under TANF/CalWORKs Program, SSI (Supplemental Security Income), or General Assistance (also known as General Relief). You can also qualify for Method A if you meet one of the following criteria: you have certification from the California Department of Veterans Affairs or the National Guard Adjutant General that you are eligible for a Dependent's Fee Waiver, you are a recipient of the Congressional Medal of Honor (or as a child of a recipient), you are a dependent of a victim of the September 11, 2001 terrorist attack, or you are a dependent of a deceased law enforcement/ fire suppression personnel killed in the line of duty.

Method B: You meet the income standards as indicated below:

BOARD OF GOVERNORS FEE WAIVER PROGRAM (BOG-B) 20010-2011 INCOME STANDARDS

20010 2011 INCOME STANDARDS						
Number in Household (Including Yourself)	Total 2009 Family Income (Adjusted Gross Income and/or Untaxed Income)					
1	\$16,245					
2	\$21,855					
3	\$27,465					
4	\$33,075					
5	\$38,685					
6	\$44,295					
7	\$49,905					
8	\$55,515					
Each additional family member	Add \$5,610					

Method C: If you do not qualify based on Method A or Method B, you may be eligible for Method C by completing the Free Application for Federal Student Aid (FAFSA). With this method, you may be eligible by demonstrating at least \$1 of financial need. To qualify under this criteria, you must complete the FAFSA at www.fafsa.gov. Our Federal School Code is 012550.

How to apply: To qualify for Method A and Method B, you must complete the Board of Governors (BOG) Fee Waiver Application. You may pick up the BOG application at the Financial Aid & Scholarships Office or you may download it from the web at www.lamission.edu/financialaid/FeeWaiver.aspx

Do you know that you may request for a refund of your enrollment fees? If you have already paid your enrollment fees for Summer 2010, Fall 2010, Winter 2011 and/or Spring 2011, you may be eligible for a refund. Just complete the BOG Fee Waiver Application and let the Financial Aid Office determine whether you qualify.

Getting a college education is an investment in your future! We want your educational experience at Los Angeles Mission College to be challenging, rewarding and supportive; therefore, we are pleased to provide you with the information and tools to assist you in completing your educational goals. Read through the information below about the financial aid process, and check out the links to our website and other websites to find updates and new information to assist you.

What is Financial Aid?

Financial Aid is funding provided by the federal and state governments, the college, and private entities, to assist students with their educational expenses and is available in the form of grants, scholarships, employment and loans. Financial aid is meant to supplement the family's existing resources in funding the costs of a college education.

How To Apply for Financial Aid:

To apply for federal and state financial aid, you need to complete a Free Application for Federal Student Aid (FAFSA) every year of college. The FAFSA can be easily completed online at www.fafsa.gov. The form is available annually, starting January 1st, for the following academic year. We encourage students to apply early, as some financial aid sources are limited and awarded to students who apply early and have financial need. To have your FAFSA information sent to Los Angeles Mission College, make sure to use our Federal School Code: 012550.

To apply for scholarships through the Financial Aid Office at Los Angeles Mission College, check out our website at www.lamission.edu/financial aid and select the "Scholarships" link on the left.

When Do I Apply?

You need to apply for financial aid every year. The FAFSA is available starting January 1st of each year for the following academic year. We encourage students to apply early, as some financial aid sources are limited and awarded to students who apply early and have financial need.

Key Dates

- January 1st FAFSA application available online at www.fafsa.gov for the following academic year.
- March 2nd Application deadline for Cal Grant consideration.
- May 1st LA Mission College "Priority" deadline. Submit your FAFSA and any follow-up documents and items by this date for maximum financial aid consideration.
- September 2nd Extended Cal Grant B "competitive" awards deadline for community college students only.

DETERMINING YOUR RESIDENCY STATUS

- For enrollment fee purposes, you are considered a RESIDENT of the state of California if you are:
- 1. a citizen of the United States **OR** have permanent resident status, are a holder of an asylum or refugee visa, **AND**
- 2. have lived in the state of California for at least one year and one day.
- For enrollment fee purposes, you are considered a NON-RESIDENT of the state of California if you are:
- 1. a citizen of the United States **OR** have permanent resident status, are a holder of an asylum or refugee visa, **AND**
- 2. have <u>NOT</u> lived in the state of California for at least one year and one day.
- For enrollment fee purposes, you are considered an INTERNATIONAL STUDENT if you hold an F-1 Visa or other non-resident visa.

California Nonresident Tuition Exemption Request

CALIFORNIA NON-RESIDENT TUITION EXEMPTION

Students come to the Admissions and Records counter to apply for this exemption. An Admissions Supervisor will review the request. The request is made each semester in order for Admissions and Records to determine if a student qualifies.

Complete and sign the form to request an exemption from Non-resident Tuition. You must submit any documentation required by the College or University (for example, proof of high school attendance in California). Contact the California Community College, University of California or California State University campus where you intend to enroll (or are enrolled) for instructions on documentation, additional procedures and applicable deadlines.

California Community Colleges 2010-2011 Board of Governors Fee Waiver Application

This is an application to have your **ENROLLMENT FEES WAIVED**. This **FEE WAIVER** is for California residents only. If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a FREE APPLICATION FOR FEDERAL STUDENT AID **(FAFSA)** immediately. Contact the Financial Aid Office for more information. **The FAFSA is available at** www.fafsa.gov or at the Financial Aid Office.

Note: Students who are exempt from paying nonresident tuition under Education Code Section 68130.5 (AB 540) are NOT California residents. If you are NOT a California resident, you are not eligible for a fee waiver. Do not complete this application. You may apply for financial aid by completing the FAFSA.
