The sub-committees gave an update as to their progress on the different program reviews.

Robert Crossley updated everyone on the many welcome back activities that ASO is planning the first week of school.

Joe talked about the groundbreaking of the new student services building scheduled approximately at the end of 2010.

The committee discussed the establishment of goals for the committee. Four were chosen and are listed below.

GOALS FOR STUDENT SERVICES COMMITTEE

1. To assist students in connecting with the college community and to enhance the overall quality of the student life experience at Mission College
2. To foster a community characterized by respect for the institution, for others and for oneself
3. To provide essential services in support of the primary academic function of the college
4. To provide information for students, staff, and faculty through media and technology
