### Service Area Outcomes (SAO) *(Define measurable outcomes; begin each outcome with a Bloom’s Taxonomy verb [http://ecd.laccd.edu/blooms_taxonomy.htm]*)

1. Students will be able to demonstrate the ability to maneuver the transition process from high school to college.

2. Students will be able to demonstrate the ability to complete admissions application.

### Related to Institutional Learning Outcomes (ILO) *(SAOs should be in alignment with ILOs)*

1. The ability to maneuver the transition process from high school to college is in alignment with Institutional Learning Outcomes of Problem Solving by evaluating various approaches to developing solutions.

2. The ability to complete admissions application is in alignment with Institutional Learning Outcomes of Information Competency by demonstrating research methods.

### Assessment Method *(Identify methods, instrument, materials for assessing each outcome)*

1. A student survey will be given at Senior Day on May 18, 2011 that will measure whether the student has been given enough information regarding the ability to maneuver transition from high school to college.

2. Number of students that have completed application for admissions will come from outreach & recruitment High School Senior database.

### Results of Analysis and Suggestions for Improvement *(Summarize the results of the collected and analyzed data)*

1. [Measurement result from 3.1]

2. [Measurement result from 3.2]

### Implementation Plan / Response Plan *(Define processes and strategies to improve future performance)*

1. Classroom presentation and senior student presentations are conducted on a weekly basis at the various high schools about transition process. Within the college presentation students are able to learn about the Early Admissions & College Program, Financial Aid, Assessment, Academic Disciplines and EOPS program.

2. Visits to high schools are scheduled once a week throughout academic school year. Outreach & Recruitment meet one-on-one with students and provide assistance with completing admissions application.
