Dear Leslie;

The Educational Planning Committee would like to thank you for presenting your program review to the committee on December 5th.

This process enabled us to learn a great deal about your department, your strengths, challenges and plans for growth, and will therefore be better able to support your needs and requests as our college moves forward.

Enclosed please find the written report from the committee with our commendations and recommendations. We look forward to reviewing your progress on the recommendations at the next annual update of your program review.

Please let us know if you have any questions or comments regarding the enclosed report.

Sincerely,
