

ABOUT OUR PROGRAMS

Business programs at Los Angeles Mission College introduce students to the various aspects of the free enterprise system. Students will be provided with a fundamental knowledge of business functions, processes, and an understanding of business organizations in today's global economy.

Students take courses in business as well as related fields required for business majors. These programs are designed to provide critical education in business-related issues and prepare students for professional careers or otherwise enhance their personal growth.

PROGRAM OPTIONS

Fulfill your passion in the business world by pursuing one of the many options available. The need for well-trained individuals with knowledge of business, marketing, law, accounting, finance and management has never been higher, and courses offered by the Business Department will give you the skills and confidence to succeed in a challenging and rewarding career.

The Business Department offers a wide range of degrees and certificates. No matter where your interest in business leads you, the Business Department has an opportunity for you to pursue.

CHOOSE HOW YOU GO TO SCHOOL

Students have the option of pursuing their Business degrees or certificates through a variety of formats.

IN PERSON – A full array of classes meet in person for those who prefer traditional face-to-face instruction in a classroom setting.

ONLINE OPTION – Complete your degree/certificate anywhere with convenient online classes. Our dedicated and supportive faculty provide meaningful learning experiences, and our staff is always ready to assist.

HYBRID – Get the best of both worlds. This option allows you to meet in person weekly for half the time and complete the other half of the class online.

DEGREES AND CERTIFICATES

Associate in Arts – Business Administration

Associate in Arts – Business Management

Associate in Arts – Accounting

Certificate of Achievement – Accounting

Business Information Worker Certificate
