

# Library Form Addendum

Please complete the following sections in consultation with the L.A. Mission College Librarian.

## Section I: LIBRARY BOOK COLLECTION

Review the library book collection by searching the online catalog. The Librarian is available by appointment.

- From the Library Homepage ([www.lamission.edu/library](http://www.lamission.edu/library)) select Library Catalog.
- Identify keywords that represent the topics presented in the Course Content and Course Objectives.
- Enter keywords you have chosen and click on words or phrase. Remember to connect keywords with Boolean "and."

A. Please list at least 2-3 terms used in your search:

1. Geography
2. Physical Environment
3. Atlas

B. Please name five books in the library collection relevant to the course content.

Title	Edition	Copyright Date	Print	E-Book
1. Geosystems : an Introduction to Physical Geography	5 <sup>th</sup>	2003	X	
2. Physical Geography Laboratory Manual	10 <sup>th</sup>	2010	X	
3. Goode's World Atlas	NA	2010	X	
4. Laboratory Manual for Physical Geography	2 <sup>nd</sup>	2010	X	

C. Please list one to three books that should be ordered. Please indicate if the title supports course the content or the discipline.

Title	Edition	Copyright Date	Course Content	Discipline Content
1. Physical Geography a Landscape Appreciation.	11 <sup>th</sup>	2013	X	
2. Encounter Geosystems: Interactive Explorations of Earth Using Google	10 <sup>th</sup>	2009	X	
3. Intro to Geospatial Technologies	2 <sup>nd</sup>	2014	X	

D. Is a copy of your current textbook on reserve in the Library?

Yes

No

## Section II: PERIODICAL COLLECTION

Review the periodical collection by searching the periodical database. The Librarian is available by appointment.

- From the Library Homepage ([www.lamission.edu/library](http://www.lamission.edu/library)) select *Library Resources* and choose *EBSCOhost Databases*, and then *EBSCOhost Web*. If you are off campus, select the highlighted *off-campus link*. There will be a prompt for a Student ID and PIN; login with your LAMC email username and password (as the ID and PIN respectively).
- Search the EBSCOhost databases using the keywords you selected in section I.A.

A. Name three periodicals or journals relevant to the content of this course or to the discipline (please indicate if the periodical/journal is available through the EBSCOhost databases or in print at LAMC).

Periodical OR Journal Title	EBSCOhost Database	Print Version
1.		
2.		
3.		

B. If none are found, please list one to three periodicals/ journals that should be ordered.

1. Cartography and Geographic Information Science.
2. Progress in Physical Geography
3. National Geographic

## Section III: ADDITIONAL MATERIAL

List additional books, periodicals or media for the Library to purchase that would support the course content.

1. McKnight's Physical Geography: A Landscape Appreciation
2. Physical Geography Series: Geologic Time (Format DVD)
3.
4.
