Subject: FW: Welcome to the Spring 2015 Semester

Dear LAMC College Community:

I want to welcome to the Spring 2015 semester. This will be another exciting semester for our students, faculty, and staff. We have much to look forward to.

I plan to send you weekly messages so that you get a first hand understanding of the activities on campus. I also want to inform you about shared governance committee meetings. You are welcome to attend.

ACTIVITIES

This week will be Welcome Back week. ASO will sponsor a number of activities for incoming students. Los Angeles County Office of Education will be hosting a weeklong set of activities to encourage students and community members to enroll in Covered California. There will be booths, music, and raffles. Go to the quad and join the fun.

SHARED GOVERNANCE

The Student Support Services Committee will meet February 10 from 2:00 p.m. to 3:00 p.m. in the Child Development Conference Room. Contact Co-chair Joe Ramirez.

The Professional Development Committee will meet February 10 from 1:00 pm to 2:30 p.m. in CSB 110. Contact Co-chair Bamdad Samii.

The Shared Governance Oversight Committee will meet February 10 from 11:15 to 12:30 p.m. in the Academic Affairs Conference Room. Contact Co-chair Mary Lou Mendoza.

Dear LAMC Community:

I hope you are enjoying your four day weekend. This week beginning February 17 there will be no shared governance committee meetings.

Several faculty and staff will be in Baltimore attending Achieving the Dream Annual meeting. Please keep warm thoughts for them.

The Accreditation Follow Up Report was approved by the Board of Trustees on February 11. The report is due by March 15 and continued progress in meeting the five remaining recommendations submitted to us by the Accrediting Commission on Junior and Community Colleges (ACCJC) will occur.

The next Town Hall meeting to discuss the Follow Up Report and the self evaluation for the upcoming March 2016 accreditation visit will be March 3, 2015 from 12 noon to 1:00 p.m. Please save that date and time.

Have a great week.

Dear College Community:

Let's all welcome our Mission warriors who braved sub zero weather to attend the annual Achieving the Dream meeting in Baltimore last week. Over 1,800 faculty, policy makers, administrators, students and staff attended to increase their knowledge and efforts to ensure students succeed. I'm glad our team is not frozen but fully charged with ideas and renewal to move the needle with the rest of us at Mission.

There will be a Technology Committee meeting February 26 from 1: 00p.m. to 2:00 p.m. in the CMC bldg. room 214. For more details contact co-chairs Ryan Yamada or Rod Austria.

There will be an AFT Faculty Guild meeting February 24 at 12:30 p.m. in the CAI Arroyo Room.

Don't forget to wear red on Wednesday in support of the American Heart Association's awareness campaign to support healthy living and healthy hearts.
