Tim trying to have the applications turned in today, so the ID numbers can be assigned tomorrow. Will that work?  
This email is to confirm that the assessment coordinator for Mission College and an associate are scheduled to come to McAuliffe on Wednesday, June 18, at 9:00 to administer the assessment tests to the students interested in taking classes. It is anticipated that 12+ students will take the assessment tests.

I will pick up Linda and Allison at 7:30 a.m., on the Mission College campus, at the Sheriff's bungalow.
