

Student Information System

In this system, you will be able to add or drop classes, see your class schedule, grades, fees, etc.

Student Identification Number

Enter your new 9-digit Student ID number that begins with the numbers "88". This number is your Student ID for all nine colleges within the Los Angeles Community College District. If you do not remember your new number, you may still enter your former Student ID number that begins with '000' or your Social Security Number.

Personal Identification Number

We need your Personal Identification Number (PIN) for security reasons. If you haven't already changed it, your PIN is 4 digits (MMDD format) from your birthdate. For example, if your birthdate is January 31, your PIN is '0131'.

Financial Aid Information

If you received federal financial aid and then withdraw from all your classes, you may owe money back to the federal government. See the Financial Aid Office staff for options available to you.

Enrollment Fees

As of Summer 2012, tuition is now \$46 per unit. For updated information on the enrollment fees you currently owe, log on and click on "view and pay fees." Until all fees are paid, students cannot register for future semester, receive grade notification or transcripts.

Browsers supported

This site works best with Internet Explorer (6 or 7) or Firefox (2.0 or higher).

Maintenance Schedule

This online system is available 7 days a week from 7:00am - 12:00 midnight (Pacific Time - US & Canada).
