Dear College Community:

Good afternoon. I am writing to inform the campus of a new position in Academic Affairs. The opening of a one-year interim dean of academic affairs has been posted at <https://laccd.peopleadmin.com/postings/2259>. The position will close on May 29, 2015, and only current LACCD employees who meet the minimum qualifications and possess the required experience are eligible to apply. Should you have any questions about the position, please feel free to contact me or Vice President Allen. I wish each of you an enjoyable weekend.

Monte E. Perez, PhD  
President
