6:00pm - 9:20pm	BSICKSL 25 – Intro to Computers <b>(*Taught in English)</b>	10161

## FREE NONCREDIT COURSES

It is recommended that students can complete all 4 courses within one semester by:

- focusing on 2 subjects during Session 1 and the remaining 2 subjects in Session 2;
- take the Practice Test or GED Test for the subjects you complete in each session instead of waiting too long;
- consider taking a basic computer class in the evenings (in English) to increase your digital literacy skills.

Visit the Adult Basic Education department for registration assistance through the Help Desk: [www.lamission.edu/abe](http://www.lamission.edu/abe)
