**VI. DCC Updates** (C. Akl)

- CurricUNET update
  - LAMC's routing request was submitted to District. There is still a discussion pending at the office of CIOs as to whether the Administrative approval signatures should be removed
  - ECD accounts were updated by Carole in consultation with deans and chairs
  - Mapping Subject to Division was updated to remove incorrect mappings
- Carole attended the Curriculum regional meeting last Saturday.
  - The software system at the State Chancellor's office is changing. It will still be linked in to CurricUnet. There is great concern about data loss in the transfer process.
