

2021 BIOTECH ONLINE SUMMER WORKSHOP

June 21 - June 25
9 AM - 12 PM

Learn, work, and think like a Biotechnologist !

Explore how biotechnology can give us insight in developing new ideas and community improvements associated with:

- health care
- cosmetics
- water
- food

****Students that participate and attend the entire week will receive a certificate of completion****

First-come, First-served!
Max 40 students.

RSVP by June 1st -> [\[Click HERE\]](#)
