10:00 a.m.—2:00 p.m.

The Los Angeles County Arboretum & Botanic Garden is a unique 127 acre botanical garden and historical site located in the city of Arcadia. Home to plant collections from all over the world, including many rare and endangered species.

We will be taking a tram tour through the Arboretum. The tram offers you a front row seat to the Arboretum's five botanical sections: Africa, Australia, The Americas, The Asiatic, and the Historic Circle.
